**S**ince 1951, we've been building products that measure up to the expectations of our customers. From the very beginning, we've understood that our customers come first. You're the reason we're in business and every member of the Skyline team is committed to bring you nothing less than the best.

This commitment has earned Skyline its nationwide reputation for leadership and uncompromising integrity. Our designers, engineers, and production people work as a team to build RVs that meet your needs. The best RVs at the best prices. Each backed by a straightforward one-year full warranty and a nationwide customer service program that is short on red tape and long on results.

Skyline is a solid corporate citizen having no corporate debt and a strong cash position. For our customers, this means that Skyline has the financial muscle to stand in back of its products and you can count on the fact that Skyline will be around if you ever need us.

For us at Skyline, "*Bringing America Home. Bringing America Fun.*" is more than a slogan. It is a statement of our responsibility to a country that has been good to us. It is a pledge to extend our record of leadership, to continue the long tradition of superior service, and to strengthen the trust placed in us by the customers we are privileged to serve. It is our determination to serve America and its people with quality, affordable recreational vehicles for many years to come.

## NO-NONSENSE WARRANTY

Manufacturing defects reported to Skyline within one year after original retail delivery of your new Travel Trailer or Fifth Wheel by an authorized dealer will be corrected without charge and within reasonable times. Excluded are misuse (including lack of reasonable maintenance), minor imperfections, alterations, and dealer or owner improper transportation, installation, or hookup.

This warranty gives you specific legal rights. You may have other rights which vary from state to state.

*Skyline's suppliers often provide additional warranties on their components beyond the Skyline factory bumper-to-bumper warranty. For example — the range, water heater, furnace and convertor carry two-year supplier warranties while the air conditioner, refrigerator, microwave and awning carry three-year warranties. The one-piece roof carries a 12-year warranty. Ask your dealer for full details.*

**Manufacturer's Notice:** All specifications, equipment, and prices are subject to change without prior notice. Production of all models subject to seasonal scheduling. Skyline Corporation reserves the right to improve a model without incorporating these changes in similar models produced at an earlier date.

Consult your automobile dealer and your recreational vehicle dealer to assure the proper match between tow vehicle and trailer. Tow vehicle and recreational unit must be properly equalized for efficient product performance and safety. Before you purchase your recreational vehicle, carefully consider the number of people it will accommodate and its end use. Manufacturer's load capacity restrictions and recommendations must be followed for safe and efficient product performance.

Your Retailer, an independent contractor, who is not an agent of Skyline Corporation, is the party responsible for your purchase contract and any additions, deletions, alterations, or attachments made to or in your recreational vehicle.
