TRAVEL TRAILER

STARCRAFT 

JUST RIGHT.

Getting away is easy with the 2011 Travel Star. Its ultra-light steel frame makes it light enough to be towed by most minivans, SUVs and crossovers*, while its durable construction makes it strong enough to go practically anywhere. And Travel Star comes standard with everything you need to enjoy your time in the great outdoors, without having to spend a great deal of money.

*Consult with your authorized automobile manufacturer and vehicle owner manual.

SIMPLY THE BEST CONSTRUCTION

We don't play games with our prices, and we don't make you pay for stuff you don't need. Instead, we put all of our time and energy into making a well-built, quality camper at an affordable price. In short, our campers are built for camping.

A FIRM FOUNDATION FOR DURABILITY

We vacuum bond plywood, a welded tubular aluminum frame and bead-foam insulation to create one of the industry's most durable floors (n/a Travel Star Sport).

VACUUM-BONDED FOR STRENGTH

Using TuffShell vacuum-bonded lamination, our walls combine welded aluminum framing, fiberglass sidewalls and metal backers, ensuring it can handle the toughest conditions.

A SEAMLESS ROOF FOR PROTECTION

Moisture and aging don't stand a chance against our vacuum-bonded roof with aluminum trusses, bead-foam insulation and rubber-covered plywood decking.

WATER-REPELLENT TENT

Our water-repellent, double-stitched Aqualon material doesn't stretch, shrink or crack, providing long-lasting durability even when it's up against Mother Nature (expandables only).

Travel Star 285RLSA / Vanilla

Travel Star 285RLSA / Vanilla

QUEEN-SIZED BUNK ENDS

There's plenty of sleeping room with our standard 1,100-pound rated queen bunk ends (expandable models).

22" LCD HDTV

Every night is family night with a 22" LCD HDTV with an optional 180-degree viewing angle (Premier Package).

ELECTRIC AWNING

Our hassle-free electric awning helps keep you cool on hot summer days (Premier Package).

EXPANDABLE SPACE

Spreading out just got easier with permanently attached, double-stitched Aqualon tents (expandable models).

GOODYEAR TIRES

Tow easy with Goodyear tires, E-Z lube axles, Torq-N-Go wheel nuts and rubberized suspension.

Travel Star Sport

SPORTY STYLE.

You'll love Travel Star Sport's kitchen, which comes standard with a three-burner range, 5 cu. ft. flush-mount refrigerator and high-rise mixing faucet. The Multi-Media sound system, available in the Customer Convenience Package, features an AM/FM/CD stereo, MP3 input jacks and speakers, so you can listen to your favorite music wherever the road takes you.

A GOOD NIGHT'S SLEEP

A pair of 1,100-pound rated queen sized sleeping areas give you plenty of room to stretch out at night (expandables).

REFRESHING RETREAT

Wash off whatever the road throws your way in the Sport's full bathroom complete with a vanity, mirror and shower with curtain and curved track.

STAY DRY

You'll get long-lasting durability, plus a 7-year warranty, with Travel Star's water-repellent, double-stitched Aqualon AquaShield tent material that doesn't stretch, shrink or crack (expandables).

SMART SPACE.

The living area in Travel Star Expandable has more than enough room to relax and enjoy quality time with family and friends, while the kitchen's 6 cu. ft. flush-mount refrigerator and three-burner range with hood and exhaust fan ensure there's plenty of room to prepare all your favorite snacks and meals.

SPACE TO SPRUCE UP

Travel Star Expandable's bathroom features a medicine cabinet with mirror and curved shower track.

DURABLE TENT

You'll get long-lasting durability with Travel Star's permanently attached tent base and water-repellent, double-stitched Aqualon AquaShield tent material.

LIVE LARGE.

There's plenty of room for the whole family to spread out and enjoy a home-cooked meal with Travel Star's large dining area and full kitchen with modern appliances. And with a comfy J-Steel sofa and ample storage, you won't have to skimp on comfort or living space.

SECLUDED SLUMBER

Travel Star features a separate sleeping area with a decorative headboard, quilted bedspread and reading lights.

REFRESHING AMENITIES

A tub/shower combo, six-panel residential-style door and optional skylight give the bathroom a home-like feel.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

Built on tradition.

The Starcraft name has been around for more than 40 years – becoming one of the most dependable names in the camping industry. Today, our strong balance sheet and family-oriented business approach means we'll be around for decades to come. And you can bet our campers will continue to come with **everything you need to have a great time in the great outdoors, at a price that guarantees you will.**

One-year warranty

The Starcraft warranty is a manufacturer's limited warranty. Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. Starcraft's limited warranty is not transferable. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

One-year roadside assistance

Travel worry-free with the complimentary Coach-Net Roadside Assistance program, which gives you immediate access to dependable roadside assistance with a simple phone call.

Why a Local Starcraft Dealer is Important to You

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.
