WHEREVER YOU GO, WE GO.

# Allegro Bus

**A pioneering spirit with the luxury of a four-star hotel.** The new 2011 Allegro Bus offers quality that suits a gracious style of living, making it an exceptional choice for first class travel. No upgrade has been overlooked, from the decorative porcelain tile to the residential-styled kitchen. A 32" TV built into the galley slide exterior will have you in demand come tailgating season, as will the surround sound home theater, DVD player, and four slides that offer guests plenty of room to stretch out. A varied palette of six cabinet options and four interior schemes enables you to customize the surroundings to your personal taste. Outside, choose from six premium exterior colors, each of which comes standard with a front cap protective film layer to preserve the impeccable finish.

2011 ALLEGRO BUS / **LIVING AREA**

**The joy of the great indoors.** If beauty is in the eye of the beholder, then behold the interior living space of the Allegro Bus, with its expansive seven-foot ceilings, 37" front overhead TV, and pullout sleeper sofas able to accommodate the entire family. Lustrous custom wood cabinets handcrafted by Tiffin keep gear neatly stowed within easy reach. Food preparation is a joy in the smartly equipped kitchen, with its residential stainless steel refrigerator, versatile convection/microwave oven, double cooktop, and Expand-an-island counter space. The option of a dishwasher makes for quick clean-up, as does the new VacPan, which functions as a dustpan extension to the central vacuum system. An optional powder room offers guests a convenient place to freshen up, and the multiplex lighting configuration and energy management system help regulate power.

2011 ALLEGRO BUS / **COCKPIT**

**The command center awaits your command.** There's nothing quite like the confidence you'll feel behind the wheel of the Allegro Bus with an optional Tiffin-built PowerGlide® chassis. It's a dynamic vehicle, no doubt, but the smooth handling gives you complete control. The strength of a 450-horsepower engine, along with the front suspension, makes it easily maneuverable, assuring your passengers of a steady, safe, and reliable ride. Plus, our engines meet new EPA regulations to reduce nitrogen oxide emissions, which is less harmful to the environment. An army of navigation tools grants you mastery of the road, and the contemporary dash makes the controls easily accessible. Every time you claim the driver's seat, you'll appreciate the unswerving excellence that is a Tiffin Motorhome.

2011 ALLEGRO BUS / **BEDROOM**

**Sweet dreams of your next adventure.** You'll know you've upgraded when you experience the spacious bedroom area of the Allegro Bus. Starting with an optional 72" wide king-sized bed and optional memory foam mattress, it's a room filled with lavish comfort. There's storage everywhere – drawers, nightstands, closet, and underbed. Clothing care is well sorted, with a convenient pullout laundry hamper and optional top-of-the-line washer/dryer from Splendide®, which delivers the power of larger machines in a stacked combo. There's even a rear wardrobe that lights when opened. It's a fitting end to another day of seeing the world.

2011 ALLEGRO BUS / **BATHROOM**

**Your own private retreat.** The luxurious bath of the Allegro Bus offers the perfect retreat within a retreat. Private water closets with vanities, a radius shower stall with a sliding door to create a roomier feel, and a shower skylight with sliding cover to reduce heat combine to make this a space all your own. The distinctive appointments in the bathroom continue with optional White Chocolate wood finish cabinets and contemporary faucets.
