

The Dream becomes Reality

You'll want to entertain every night when you step into this spacious, well-equipped galley and dining area. The beautifully coordinated cabinets and countertops, micro-convection oven, cooktop, oil-rubbed bronze faucets, and 9 cu. ft. refrigerator, combined with the spectacular view through the residential size windows, will inspire you to your culinary best! And if your guests just can't bear to leave after dinner, you can rest assured they'll get a good night's sleep on the comfortable hide-a-bed, standard in all Commander models.

Pictures on this page are of the A3502D in Encore Décor.

Imagine yourself drifting off to sleep in this beautiful designer bedroom, created with you in mind! The residential queen size bed offers the ultimate in comfort whether you're curling up under the hand-crafted bedding to read a good book or watch a great movie on the 26" LCD TV. Available in 4 distinctive decors, you're sure to find an ensemble to suit your taste. The overhead cabinets, his & hers wardrobes and drawers, and a full-length wardrobe adjacent to the bedroom ensure you'll have room for everything you need (including the little black dress you can't leave home without!).

If you've been waiting for The One, wait no longer! You'll be thrilled you didn't settle for less when you see the newly redesigned 2010 Commander. This most recent offering is rich with amenities from stem to stern and is sure to meet all the requirements on your checklist, outshining all other suitors. Built on an uncompromising Ford Chassis (also available on a Workhorse or Freightliner FRED) with a powerful 6.8L V-10 Triton Engine, the Commander delivers on every level. Don't let this one get away!

Triple E Recreational Vehicles are designed and built to meet or surpass CSA-RVIA standards covering electrical services, gas services, plumbing services and vehicular safety. Commander motorhomes exceed 96" in width. In some states, 96" is the maximum width of vehicles travelling some or all state roads. It is the responsibility of the owner to be familiar with the road usage laws of the states in which you travel. Product improvement is a continuing process at Triple E Recreational Vehicles. We reserve the right to change specifications on any or all products without prior notice; errors and omissions excepted. Triple E Recreational Vehicles is under no obligation to undertake modification to units manufactured prior to changes on specifications. Brochure pictures may be shown with optional equipment. Colours may not be exactly as shown due to the printing process. Please see your dealer for specific colours.
