

2011 **Sightseer**

2011 Sightseer

The 2011 Winnebago Sightseer® makes it easy to say yes to the Class A lifestyle. Each floorplan offers value and features you might not expect at such a friendly price, including the exclusive sectional sofa in the all-new 36V that expands when the slideout is extended. Soft UltraLeather™ cab

seats come standard in every Sightseer and other upscale amenities such as MCD American Duo® solar/blackout roller shades are available to personalize your coach. Say yes to fun and adventure. Say yes to Class A comfort. Say yes to the 2011 Winnebago Sightseer.

Oh, the Things You'll See

Your first stop in the Sightseer will be a seat in front of the large LCD TV. A 40" LCD TV comes standard in the 31E, 35J, 36V and 37L with the option to add a second 32" LCD TV (26" on 37L) for more viewing options. The 33C includes a 32" LCD TV above the cab or you can choose the 40" LCD TV when you select the dining table and buffet.

MCD American Solo® blackout roller shades come standard throughout the coach. They can be upgraded to Duo solar/blackout roller shades so you can adjust levels of daytime light and privacy.

The galley satisfies the needs of even the most demanding cook with a vast array of appliances and amenities. Standard appliances include a microwave, two-door refrigerator/freezer and three-burner range. You can also add an oven and upgrade to the multi-purpose microwave/convection oven.

33C Granite Falls with Forest Cherry

Galley A decorative backsplash accents the countertop and sink covers. The 31E and 35J include a flip-up countertop extension for even more prep space.

BenchMark The BenchMark® full-comfort dinette (NA 37L) features seats with innerspring cushions for maximum comfort. They also flip up to reveal easy-access storage and convert into a comfortable bed.

Comfort Sofa Sleeper

This available sofa is a comfortable sofa by day and opens up to reveal a bed with a self-inflating mattress for a great night's sleep (NA 36V).

1. By day it's a plush sofa.

2. A hidden drawer stores bed linens.

3. At night, the sofa easily folds out into a bed.

4. The mattress quickly inflates and deflates using a built-in power source.

Recognized Quality The Recreation Vehicle Dealer Association annually bestows its Quality Circle Award to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for fourteen consecutive years: Winnebago Industries.®

GoWinnebago.com

A Place to Reflect

Make your way to the rear of the coach to bask in the serenity of the private bedroom with a walk-around queen bed. A king bed comes standard on the 35J and 37L and is available on the 33C and 36V. After a soothing shower in the spacious bathroom, kick back and watch movies or shows on the available LCD TV. Connection points built into the wall make it easy to add a DVD player. Choose the versatility of bunk beds, featured in the 35J, and you can also add DVD/LCD players in each bunk so that each traveler has a space of his or her own.

Bedroom Storage You'll have plenty of room for your clothes thanks to the abundant wardrobe space and large drawers.

Bunk Beds Kids will love the bunk beds in the 35J.

Entertainment Center

Add the exterior entertainment center to enjoy CDs, AM/FM stereo and the 32" LCD TV under the available powered awning on the 33C, 35J, and 36V (NA 35J with range/oven option).

Service Center

Controls are easily accessible and color-coded labels make campground connections a snap. Quickly rinse off sandy shoes or wash a pet with the standard exterior wash station.

33C Granite Falls with Forest Cherry

Storage The bed lifts up to reveal a large storage compartment.

Sideview Cameras

Available sideview color cameras activate with the turn signals and display on the dash-mounted LCD monitor to assist with maneuverability and visibility.

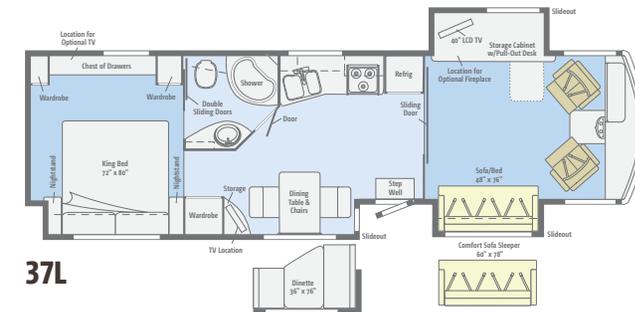

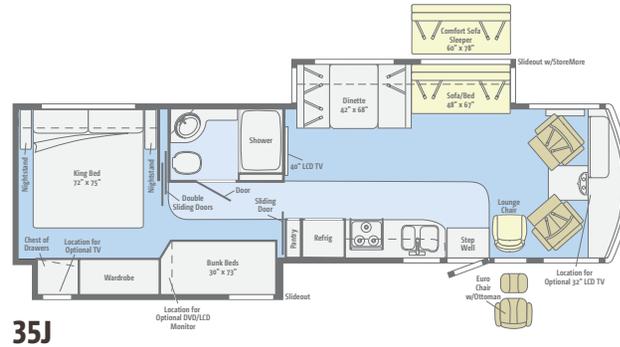

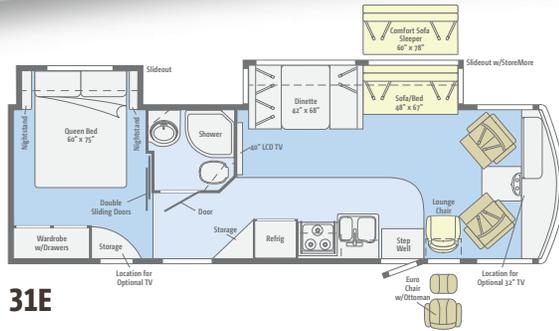

TrueLevel

TrueLevel™ tank monitors use sonar technology to accurately measure tank levels. Without probes that clog or corrode, you'll enjoy accurate readings time after time.

Floorplans & Specifications

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at GoWinnebago.com.

Take a Tour We're proud of our processes, state-of-the-art facilities and the people who make Winnebago Industries number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motor home we build.

No Shortcuts – No Compromises

You can compare features. You can compare styles. But when it comes to quality construction, there is no comparison. Only motor homes manufactured by Winnebago Industries harness the legendary strength and durability of our SuperStructure® construction process—a process we've been perfecting for more than 50 years.

SuperStructure means a solid framework, steel and aluminum substructures and components built in-house to our exacting standards. It means managing each detail to ensure the integrity and quality of every coach. It means barcoding parts to save time during service and running every coach through a gauntlet of tests, including a high-pressure water test, before it leaves the factory.

Where other manufacturers cut corners, SuperStructure ensures the features you can't see are treated with the same care as the ones you can. When you buy a Winnebago motor home, you are getting a coach that is built for you—and built to last.

The crowned, one-piece **fiberglass roof** is backed by a 10-year limited parts-and-labor roof skin warranty. Fiberglass offers superior strength and durability over less attractive rubber roofs found on so many competitive models that can streak and degrade over time.

Durable, lightweight **Thermo-Panel® sidewalls** combine fiberglass, high-density block-foam insulation and the inner wall surface with aluminum support structures.

Metal substructures secure cabinets and appliances to add safety and stability.

An **electrodeposition coating** helps protect critical steel components.

SUPER STRUCTURE®

Specially engineered **interlocking joints** connect the floor, sidewalls and roof into a cohesive unit.

CHASSIS

Ford® F53 Chassis

- 362-hp 6.8L Super Duty V10 SEFI Triton® engine
- TorqShift™ 5-speed automatic transmission w/tow haul
- Hydro-Max™ power brakes
- 4-wheel ABS
- 175-amp. alternator
- 19.5" tires and stainless steel wheel liners (31E, 33C, 35J)
- 22.5" tires and stylized aluminum wheels (36V, 37L)

7-pin trailer wiring

Trailer Hitch⁶: 5,000-lb. drawbar/500-lb. maximum vertical tongue weight

HWH® automatic hydraulic leveling jacks w/3-position controls

OPTIONAL EQUIPMENT

22.5" tires and stylized aluminum wheels (35J)

CAB CONVENIENCES

Cab Seats: armrests, lumbar support and multi-adjustable slide/recline/swivel

Stereo System: AM/FM, CD/DVD, alarm clock, front input jack and remote

Chassis/house battery radio power switch

Convenience tray w/cup holders

Power assist steering w/tilt wheel

12-volt powerpoint

Cruise control

Power mirrors w/defrost

Map lights

Sunvisors

C.B. wire prep

Cab wraparound curtain

Rearview color monitor system w/one-way audio

OPTIONAL EQUIPMENT

Sideview color camera monitor system

Defroster fans

MCD American Duo® powered front shade w/solar and blackout shades, privacy curtains for driver and passenger windows

6-way power driver seat

INTERIOR

19" LCD TV (37L dining area)

32" LCD TV (33C)

40" LCD TV (31E, 35J, 36V, 37L)

Amplified digital TV antenna

Satellite system ready

Soft vinyl ceiling

MCD American Solo® blackout roller shades (lounge, dinette and bedroom)

Mini blinds (galley 35J, 36V, 37L)

DC receptacle (dining area)

OnePlace® systems center

Tinted windows

Roof vent (lounge)

Powered roof vent (bath)

Key-activated slideroom master lock switch

OPTIONAL EQUIPMENT

26" LCD TV (37L dining area)

32" LCD TV (31E, 35J, 36V)

40" LCD TV w/dining table/buffet (33C)

MCD American Duo solar/blackout roller shades (lounge, dinette and bedroom)

Tinted, dual-glazed, thermo-insulated windows

Vinyl floor covering (front to bedroom; cab area and slideouts carpeted)

SAFETY

Seat belts

Child seat tether anchor in forward-facing dinette seat (31E, 35J, 36V)

LP, smoke and carbon monoxide detectors

10 BC fire extinguisher

Ground fault interrupter

High-mount brake lamp

WARRANTY⁷

12-month/15,000-mile basic warranty,⁸ 36-month/36,000-mile limited warranty on structure,⁸ 10-year limited parts and labor warranty on roof skin⁸

- ¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- ² Sightseer floorplans feature a wide-body design—over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- ³ The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
- ⁴ Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- ⁵ Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- ⁶ Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- ⁷ See separate chassis warranty.
- ⁸ See your dealer for complete warranty information.
