TIFFIN MOTORHOMES

2011 Phaeton® with Maroon Coral Exterior

Phaeton

Our bestseller is now better than ever. The 2011 Phaeton from Tiffin. Consistently our bestselling model, it's also one of the top-selling Class A motor homes in the industry, delivering more luxury and practicality at a greater value than any other diesel pusher on the road. That's what comes from listening to Phaeton owners who help us make smart refinements every year. In the 2011 model, you'll discover a redesigned wraparound contemporary dash for an easier and safer driving experience, the elegance of the new English Chestnut cabinet option, and spacious under-coach storage with taller compartment doors. Expanded color choices, too: choose from three new interior palettes and six exterior options that include standard full-body paint and protective clear coat finish. You're sure to attract admiration come tailgate season, with enough TVs to ensure every armchair quarterback has a great view, from the 32" in the entertainment center and 32" in the bedroom to the optional 37" front overhead TV and optional 32" TV on the galley slide exterior.

2011 PHAETON / **LIVING AREA**

Talk about room to roam. With 7-foot ceilings, four slides, and floor plans up to 42 feet long, your family and friends will have plenty of elbowroom in the spacious living area — and plenty of comfort, too, with the new optional lift recliners that allow them to stretch out and relax. You'll feel right at home preparing family favorites on the road, with a convection microwave, three-burner cooktop with optional gas oven, and optional residential refrigerator. Don't worry about being cramped. Along with the handy Expand-an-island, we've maximized counter space, with a new solid surface cooktop cover that folds down for extra room to mix and chop. Attractive and easy to wipe down, just like the galley's new backsplash and splash guards, it makes cleanup a cinch, giving you more time to enjoy the fun.

2011 PHAETON / **COCKPIT**

Rule the road. To say the Phaeton handles exceptionally well doesn't do it justice. The supremely smooth ride may be your most enjoyable motor home driving experience ever, made possible by your choice of chassis: Freightliner®, Spartan®, or our PowerGlide®, which is designed and custom built in Red Bay. Simply put, no one makes them better than this. Powering your ride is an EPA-approved 380 HP Cummins engine, which reduces harmful emissions by 90% and improves fuel efficiency without sacrificing horsepower and torque. As for safety, the Phaeton has it covered, with a back-up camera and side-view cameras activated by turn signals. There's even a new dash design that lets you access controls without taking attention away from the road.

2011 PHAETON / **BEDROOM**

Get away from it all. Traveling is much more fun when you're rested and relaxed. That's why Tiffin packs so much cozy luxury into the Phaeton's bedroom. After a good day behind the wheel, get a great night's rest in the standard queen-sized bed. For more comfort, you have the option of a memory foam or Select Comfort mattress, with the additional option to upgrade to a king-sized bed. As the sun goes down, let the gentle breeze of the ceiling fan lull you to sleep, while guests enjoy sweet dreams on the two standard sleeper sofas in the living area. No one will lose sleep wondering what's been left behind. Storage is everywhere — in overhead cabinets, a spacious closet, and under the bed — allowing you to pack and neatly organize everything your family needs. A chest of drawers and laundry hamper keep clothes sorted, just like at home, and the optional combo or stacked washer/dryer unit is sure to be a handy helper.

2011 PHAETON / **BATHROOM**

All the comforts of home. You'll never worry about a lack of privacy in the Phaeton's elegant bath. The water closet and lavatory are safely sequestered from the separate shower area, which evokes a spa-inspired feel with Price Pfister® showerhead and personal vanity. Enclosed in a stylish glass surround, the stall also features a lovely skylight equipped with a solar cover for heat and light control. For convenience, the Phaeton offers floor plans with a bath-and-a-half option, which includes a front powder room so guests can freshen up without venturing into your private quarters.

TIFFIN MOTORHOMES

WHEREVER YOU GO, WE GO.

Start your journey by visiting our website. We'd love to hear from you, so give us a call, send us a postcard or stop by our office the next time you pass by Red Bay. Because remember, wherever you go, we go.

Safe travels,

Bob Tiffin

WHEREVER YOU GO, THERE WE ARE.

In a time when some companies have struggled, a manufacturer who stands behind the product they build has never been more important. We've never been prouder of the strength of our company, our warranty and service plan (still the best in the motor home industry), and most importantly, the trust we've built with a very special group of motor home owners. We understand the richness that travel brings to your life, and our family is so proud of the relationship we have with yours. You are the reason we do what we do and why we never stop working to build a better Tiffin experience for you.

HIT THE ROAD WITHOUT A CARE IN THE WORLD.

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY

We guarantee the structural integrity of the entire coach for 10 years (includes wall separation and inner frame weakness).

5-YEAR LIMITED LAMINATION WARRANTY

We guarantee against all exterior fiberglass delamination or wall separation for 5 years.
