Vacationer®

BACK BY POPULAR DEMAND

With the new 2011 Vacationer, Holiday Rambler reintroduces one of its most popular models, and one of the most versatile, value-packed motorhomes on the market. For starters, Vacationer boasts four impressive floorplans in lengths from 30 to 36 feet, including double-sideouts, triple slideouts and the incomparable spaciousness of a full-wall slideout. You'll find a multitude of interior décor and exterior graphics packages, including standard deluxe vinyl graphics, as well as

optional partial paint with vinyl graphics or full-body paint with painted graphics. Inside, there's a wide range of beautiful details, including new raised panel cabinet doors, solid surface countertops and cozy Leatherette recliner cockpit seats. Must-have options include a single camera rear vision system, a large eight cubic foot double-door refrigerator with ice maker, day/night shades and a surround sound home theater system with DVD player. *(Pictured: 30SFS/Infinity/Fulton Cherry)*

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.

WARRANTIES

12 month/24,000 mile basic limited warranty. 5 year/50,000 mile limited structural warranty. *Review your coach's limited warranty in full for complete terms and conditions. Review your chassis manufacturer's limited warranty in full for complete terms and conditions.
