ENJOY THE JOURNEY.

DESTINATION: ANYWHERE

The Free Flight offers you all the amenities and comforts that you will need on your journey, whether it be while exploring the open country or the inner-city. This compact, standard body van measures in at just over 20 feet long, giving you the maneuverability you desire. Smooth curved European style interior cabinetry, a fully enclosed bathroom and shower area and industry leading storage make the Free Flight the best in its class. So go ahead and explore. But beware, once you discover the freedom and the excitement that the Free Flight brings, your vacation may need to be extended.

Left: The Free Flight boasts an amazing 6'2 1/2" of interior height, more than you will find in most Class B motorhomes under 21'.

Far Right: Feel free to invite your company in. There is room for everyone. The rear dining/sleeping area comfortably seats four for a great evening of dining and entertainment.

European Style Cabinetry

Thoughtful planning is evident in the ample storage locations. Designed for substantial overhead storage are numerous locking, latched cupboards with curved European style cabinet doors.

Industry Leading Storage

The Free Flight boasts a large over-the-cab storage area, perfectly accessible when you're on the go, or settled into your site.

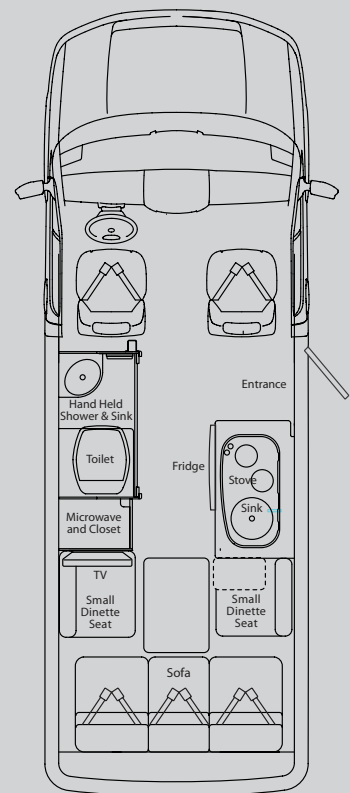

The galley is packed with features including a microwave, refrigerator and glass top stove and sink combination, which makes efficient use of additional space for food preparation.

The Free Flight is engulfed in great looking cabinetry surrounded by brand name appliances.
