LUXURY TO THE MAX

Luxury to the MAX

With LaCrosse, this is more than just a catchy phrase found inside a brochure - it's the strategy that guides us every day as we strive to create the perfect Recreational Vehicle. Whether it's the BEST kitchen storage in its class, the LARGEST slide room found on any travel trailer, or industry-first innovations like a 4 door, 12 cubic foot Refrigerator in a Bunk House floorplan, the designers at Prime Time want to make sure that your enjoyment and satisfaction are MAXimized.

• 319 QBS Hazelnut Décor

Luxury to the MAX

In the past, luxury and value were contradictory terms - not any more! LaCrosse redefines value to include the very best in price and quality but without sacrificing luxury, comfort, and convenience. LaCrosse is loaded with upgraded features, unmatched storage, residential appeal, and comfort normally found only on units costing thousands more. Your search for the perfect combination of luxury and value is over. We have created it. It's called LaCrosse!

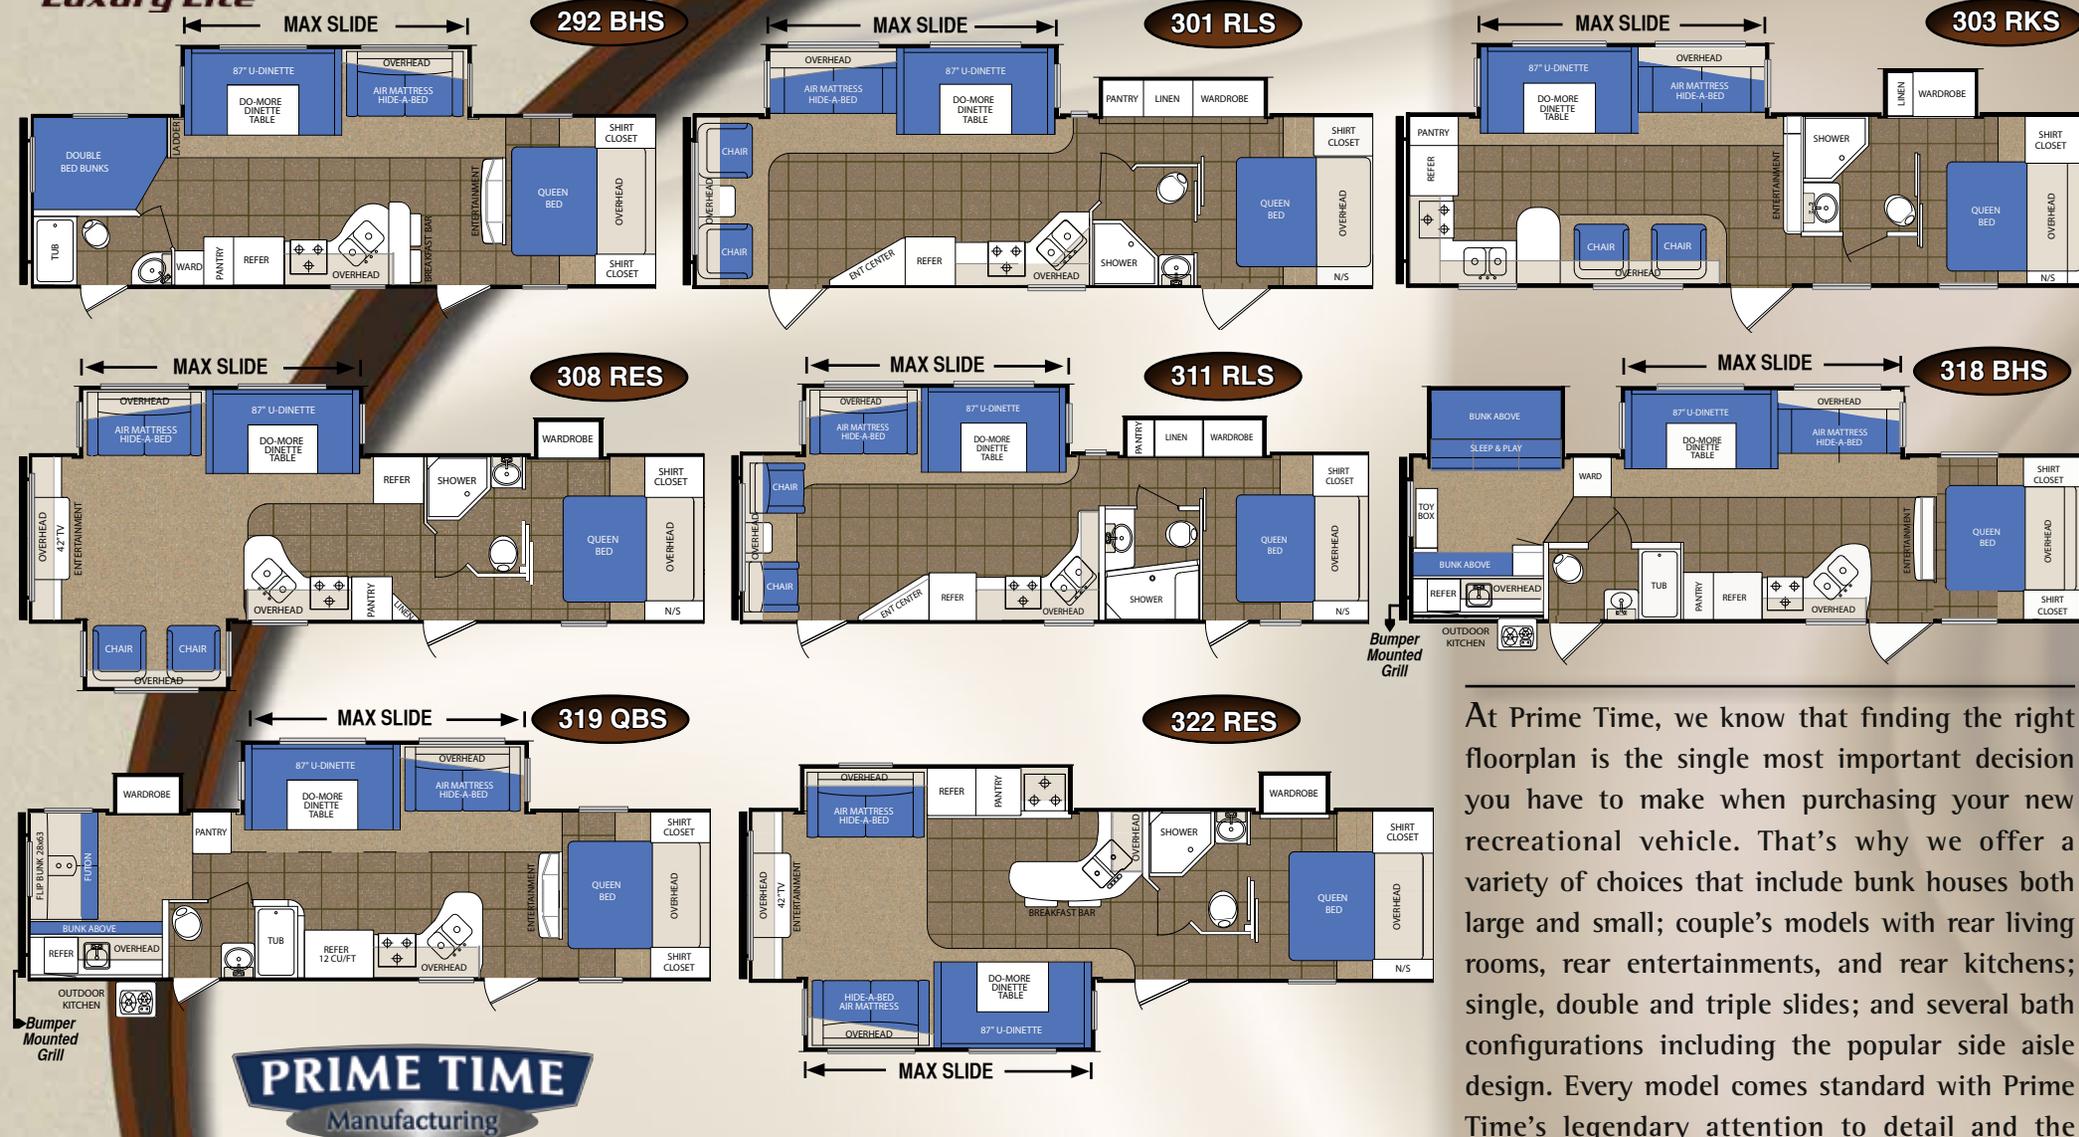

• Free Standing Dinette Option

• 292 BHS Breakfast Bar

• 292 BHS Cappuccino Décor

At Prime Time, we know that finding the right floorplan is the single most important decision you have to make when purchasing your new recreational vehicle. That's why we offer a variety of choices that include bunk houses both large and small; couple's models with rear living rooms, rear entertainments, and rear kitchens; single, double and triple slides; and several bath configurations including the popular side aisle design. Every model comes standard with Prime Time's legendary attention to detail and the LaCrosse promise of "Luxury To The MAX!"

ETERNABOND®

Competitor's Soft Walls

ETERNABOND® is the superior construction standard on LaCrosse. EVERY wall and main floor is bonded together to create the lightest, yet strongest construction available on any RV in the industry.

ETERNABOND®

ETERNABOND® Aluminum framed, laminated walls eliminate soft, spongy exteriors that have "sagging" insulation.

Competitor's Soft Walls

ETERNABOND® Offers you MAX PROTECTION and peace of mind knowing you have the finest in structural durability.

DETAIL

The manufacturing team at Prime Time exposes LaCrosse daily to some of the most stringent and rigorous testing procedures in the industry.

LEAK GUARD, designed to protect your investment for a lifetime of value, is just one of Prime Time's industry-leading quality assurance programs.

PEX Water Lines

- Flexibility, eliminating the use of joints and elbows
- Can expand up to 300% without damage
- Higher R Value, keeping your water hotter longer!
- Oetiker clamp rings allow for 25 year warranty

Seek-A-Leak

- NEW technology
- Pressured Equalization
- Water line system is tested with 80 lbs. of air
- Instantaneous results, highly precise!

Seal Tech Air Pressure Test

- High capacity blower pressurizes the unit
- Detergent solution is applied to exterior
- Identifies the smallest exterior void
- EVERY Prime Time RV is tested!

DURABILITY

Rain Bay

- State of the art facility
- (2) 1,200 gallon recycling tanks with 184 spray heads
- Exceeds the most extreme weather conditions
- Delivering 300 gallons per minute = 24" of rain an hour!

Rain Bay

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
