# CHAPARRAL

ENGINEERED TO GO WHERE YOU WANT, WHEN YOU WANT.

## ***Our 'Lite' gives nothing away.***

### **You can tow fifth wheel luxury and space with a half-ton truck!**

The all-new Chaparral Lite is engineered to be the lightest luxury fifth wheel on the market. Designed for the towing capacity of a half-ton pickup truck, the Chaparral Lite offers spacious interiors with quality features and appointments everywhere you look.

Our state of the art manufacturing process utilizes lightweight lamination in floor and walls. The result: we give the half-ton truck customer a lot more coach at the same "lite" weight of our competitors. Everything you expect with a high-end fifth wheel is still there.

# CHAPARRAL

## All you need is a Half-Ton Truck...

A big change to the Chaparral Lite is the new aerodynamic fiberglass front cap and hitch placement. Coachmen TurnTec Engineering combines an aggressive frame and cap design to achieve the industry's best turning radius, so you can handle sharp campground turns and other tight spots - all with a half-ton truck!

**Quality lamination and insulation** — Our quality lamination process extends from the floor to the sidewalls. Also, the exterior underbelly is insulated so it is kept from extreme temperatures and seals out dirt and pests. Extra shine — put aluminum wheels with the Chaparral Lite's fresh new colors and you've got a fifth wheel that says "You're something special!"

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the three following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!
- 4) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

We offer and include major brands in our products!
