By Forest River

THE SMART CHOICE FOR
**THE EXPERIENCED
RV'ER.**

36CKTS

DESIGNED FOR LIVING.

ORIGINAL CORIAN®
COUNTERTOPS

36RE

All Cedar Creek kitchens feature True Corian® Countertops. This center island kitchen also features a 13 cu. ft. side by side refrigerator with cabinetry hidden hinges and a roll-up cabinet door that's perfect for storing bread and other staples.

Exquisite solid cherry wood cabinetry throughout the interior provides an abundance of beautiful storage space.

34RLSA

CEDAR CREEK

Experience the pinnacle of RV living with custom designed interiors that abound with beauty, comfort and amenities, while offering residential features and fine quality throughout.

36B4

A

B

C

A. This lovely kitchen features an elegant smoked mirror backsplash. All Cedar Creek kitchens have large size residential appliances, including a 9 cu. ft. refrigerator and 30" microwave, full twin stainless steel under-mounted sinks, and an abundance of extra deep cabinets for storage.

B. The freestanding dining table is surrounded with large windows for pleasurable dining with a view. Another important feature is the aisle door. This extra door allows an exterior off side exit as an added safety and convenience feature.

C. A beautifully detailed archway with framed glass pocket doors provides passage from the kitchen into the private living room where you'll find a large main slide-out with a full 6'7" ceiling height. Slide-out fascias are constructed of solid wood instead of vinyl wrapped foam used in other brands.

Carousel Triple Tier Hanging Rails, Belt Organizer, and a Removable Laundry Hamper Compliment Cedar Creek's Residential Bathroom and Bedroom. Creating an Oasis of Storage, Comfort and Convenience Never Seen Before in a Fifth Wheel!

CEDAR CREEK CREEK FEATURES

"Level-Up"TM
6 Point Hydraulic Stabilization System

RATED #1 CUSTOMER PREFERRED OPTION

Leveling and stabilizing a fifth wheel has never been an easy task until now. The patent pending "Level-Up" technology makes set ups easier, faster, and a lot safer than the old style 4 point system. With the IR wireless remote you can visually observe coach and slide-room movement, side to side and front to back.

Stabilization is one of the most important features of this option, allowing no movement within the coach once the legs have been set. The system is even powerful enough that if you need to achieve a level unit, with the tires off of the ground, this system can handle it.

1. **REMOVABLE "SOFT TOP" VINYL STORM DOORS** allow light and visibility without losing cooling or heating. (CCEP*)
2. **LA-Z-BOY® MICROFIBER RECLINERS** — Comfort is what they do!
3. **36B4 EXTERIOR KITCHEN OPTION** includes a 2 burner cooktop, kitchen sink, outlets, drawers, cabinets and a huge worksurface for families and friends that love playing outdoors.
4. **WIRELESS REMOTE CONTROL** — A Forest River exclusive that has controls for the electric awning, slide-rooms, all jacks including the optional "level-up", and security entrance lighting.
5. **20" TALL GRAVITY DISCHARGE PORCELAIN TOILET** with Power Flush Rim Wash.
6. **THULE® EXTERIOR TV MOUNTING BRACKET** designed for 19" LCD Televisions. In Addition, (1) Exterior 110v. outlet and cable hook-up allow continuous viewing whether you are inside or outside.
7. **CEDAR CREEK'S ORIGINAL DESIGN "Z" FRAME.** This frame gives our customers over 100 cu. ft. of **STORAGE SPACE**, turning their front storage compartment into a front storage shed.
8. **ALUMINUM METAL IS WRAPPED** all the way to the frame for a clean, crisp looking exterior.
9. **AUTOMOTIVE FRAMELESS WINDOWS** give this coach's exterior an elegance only seen in high dollar fifth wheels.
10. **FREE STANDING TABLE, LEAF EXTENSION, AND HIDDEN STORAGE CHAIRS - STANDARD.**
11. **DOCKING STATION** includes outside shower, black tank flush, and water tank fills for centralized convenience. (CCEP*)
12. **SEALED BURNERS** create the ultimate in function without sacrificing beauty with our standard oven with residential glass front. The natural choice for the person looking to create the ultimate kitchen environment. High output superburners, heavy duty removable grates, and piezo ignitors are also included on these sealed burner models.
13. **9100 SERIES A & E ELECTRIC AWNING** provides outside comfort. (CCEP*)
14. **DIRT DEVIL® CV950 CENTRAL VAC CLEANING SYSTEM** with VacPan™ automatic dustpan at entry door.

SUPERIOR PERFORMANCE E-Z FLEX® HEAVY DUTY EQUALIZATION SYSTEM

Compare for yourself. Illustrated here are the acceleration forces experienced by an axle and trailer while traveling over railroad tracks at 30 MPH. The E-Z Flex® System provides up to an 80% reduction in forces on the trailer frame versus a standard equalizer. In addition, E-Z Flex® significantly outperforms all other competitors in the same road test. The result? A smoother, more protective ride for your trailer and its cargo.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
