DISCOVER THE BEST

Your search for RV comfort ends here! The Silhouette by Sabre has all you need plus lots of extra features you desire. Open floor plan designs create roomy interiors that include flush floor slide rooms for expanded living space. Attractive stylish decors, quality residential furnishings, and convenient built-in features come together in a truly innovative fifth wheel.

Featuring optional free standing dinette with leaf extension and flip-up storage.

Our rear entertainment area displays the large retractable 32" LCD HD TV surrounded by solid hardwood mortise and tenon cabinetry.

290 REFD

www.palomino.com

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
