## BENEFITS OF LOCALLY PURCHASING YOUR RV :

- \* You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- \* You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- \* You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- \* Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

Thank you for taking a moment to check out our Northwood products. Our highest priority is to offer you the best combination of quality and value in an RV and we are confident you will appreciate and thoroughly enjoy your Northwood RV purchase for many years to come.
