FAMILY TIME

Holiday Rambler is redefining “family time” with its unwavering reputation for value and affordability. This year you’ll find more family-friendly functionality, stylish details

and spacious comfort than ever before.

The Aluma-Lite Class A is no exception, with a kitchen full of beautiful details, including new style cabinet doors and drawers in Newport Cherry and Fulton

Cherry finishes, accent wall paneling, molded laminate countertops with stainless steel sinks, a handy kitchen countertop extension, and a full-height wire roll-out pantry.

In the kid-friendly bath,

there’s linoleum flooring, a stainless steel sink, shower with glass door and plenty of storage.

(Pictured: 32PBS)

The bedroom space in the Aluma-Lite Class A is all about you, beginning with a queen bed with decorative bedspread and sham. New style cabinet doors and drawers in Newport Cherry or Fulton Cherry finishes, a paneled accent wall,

linoleum flooring, and hallway bunk beds with fold-down DVD players, game hook-ups and headphones (32SBT) all standard. Nice optional touches include day shades with black-out night shades, and a 19-inch LCD TV. *(Pictured: 32PBS)*

The Aluma-Lite Class A presents the perfect living environment for you and your family to relax and really enjoy one another. From the multiple furniture options and configurations, including standard Leatherette hide-a-bed sofas

(32PBS, 32SBD), fabric U-shaped booth dinettes with Leatherette option, to full linoleum flooring, a 26 or 32-inch LCD TV in the living area, and an optional DVD player. Rediscover "family time"... Holiday Rambler style. (Pictured: 32PBS)

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice.

This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions,

the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.
