## U24IB THE ISLAND BED

The perfect touring coach, the all new U24IB is another innovation from Leisure Travel Vans. With features such as a walk-around island bed, an optional removable rear TV with exterior mount, a pass-through baggage compartment and 60 cubic feet of exterior storage, you may wonder how all of this fits into a 24' non-slide motorhome. Enjoy hassle-free RVing in the U24IB.

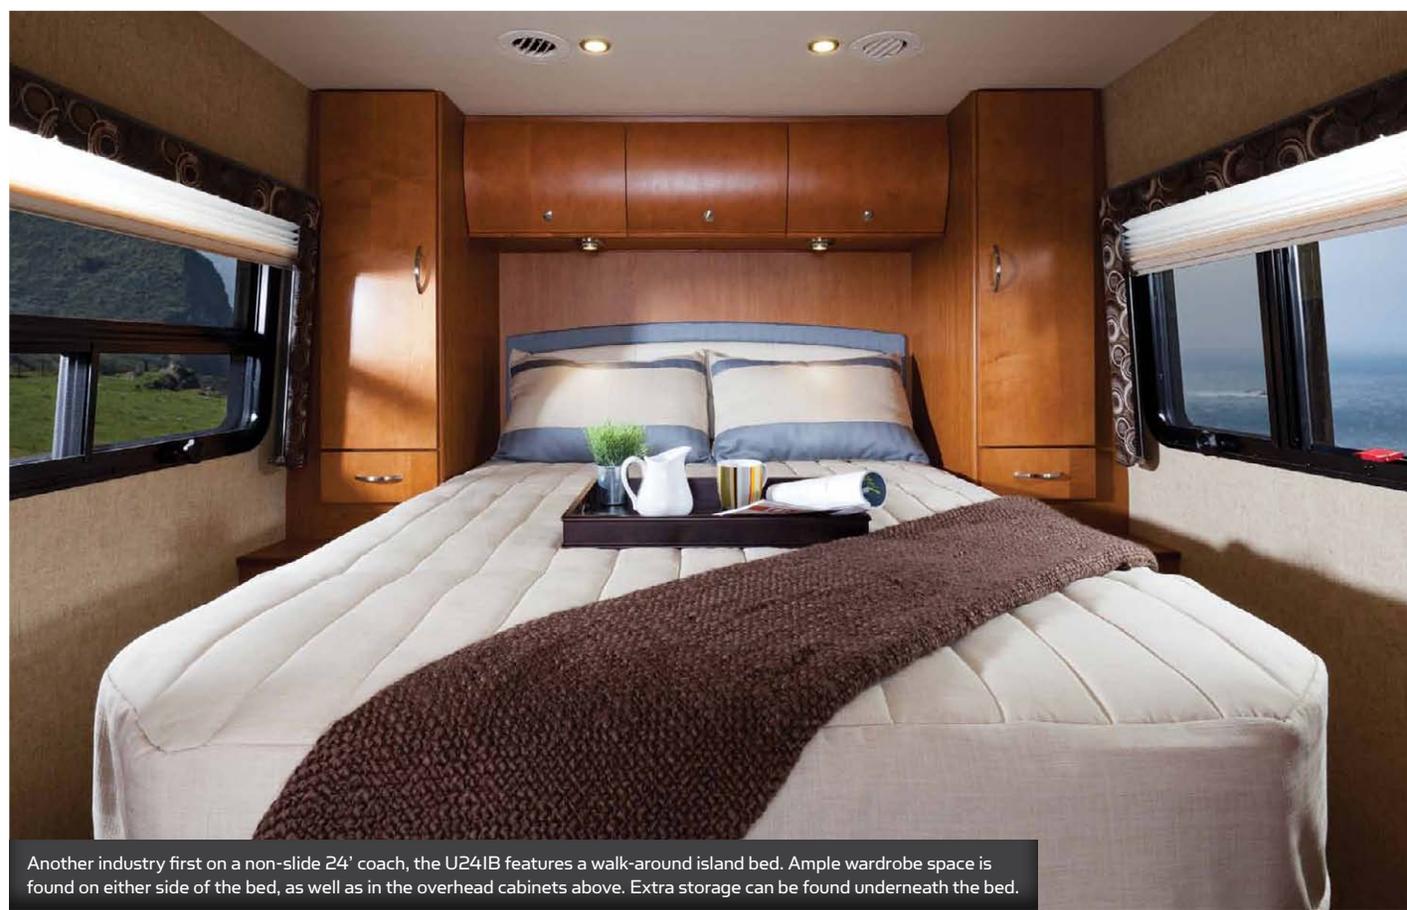

ON THIS SPREAD: 2012 Unity U24IB shown in Cherry Cabinetry and Blue Slate Décor.

Swivel the driver's and passenger's chairs to comfortably seat four for a great evening of dining and entertainment.

Perfect for tailgating parties, the U24IB features an optional exterior TV mount and stereo. This option includes a removable TV in the bedroom which can be easily mounted on the bracket outside.

Another industry first on a non-slide 24' coach, the U24IB features a walk-around island bed. Ample wardrobe space is found on either side of the bed, as well as in the overhead cabinets above. Extra storage can be found underneath the bed.

At the foot of the bed you will find a flip-up makeup center with dresser, perfect for getting ready or using as an office desk.

## U24CB THE CORNER BED

The U24CB offers all of the comforts and features you would find in a much larger coach, all in just over 24'. An optional U-Lounge dinette is the perfect seating area for dining and entertaining. Across the coach you will find a large galley, complete with solid surface countertop and a pull-out pantry. Whether cruising through the city or out on a month-long journey, you are sure to feel right at home in the U24CB.

## INTERIOR DÉCORS

Blue Slate

Lentil

Natural Clay

Sangria

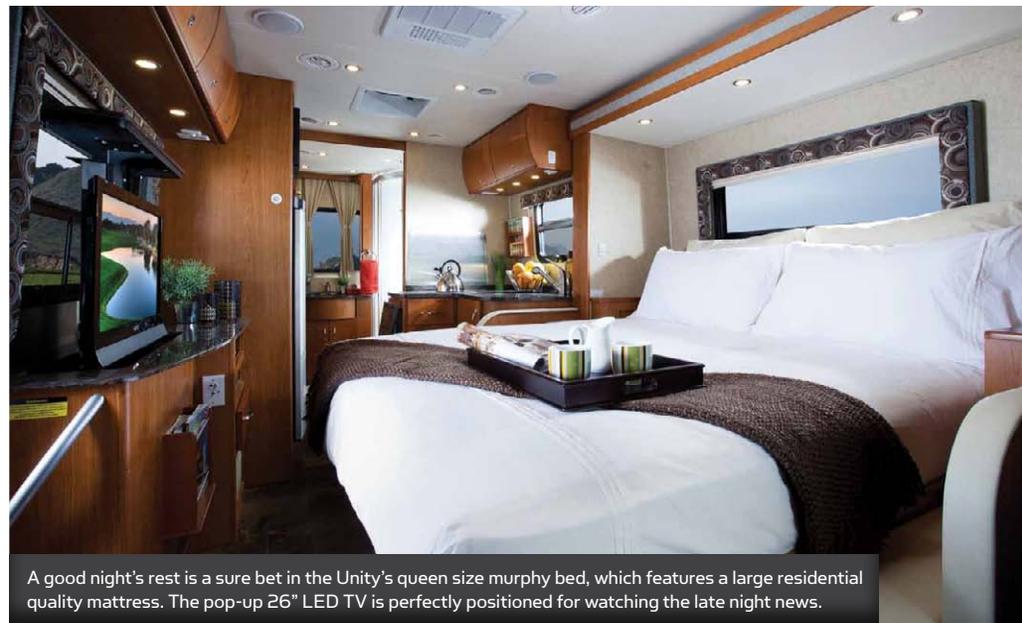

If you thought the exterior of the Unity was sharp, just wait until you step inside the Unity. Our interior designers have carefully selected beautifully coordinating fabrics to create four distinctive interior décors to suit your personal taste. Any of the décors can be combined with either beautiful cherry or natural maple wood cabinetry.

## U24MB THE MURPHY BED

The floorplan that started it all. The U24MB is the Unity's flagship model, and there's no question why. Featuring a queen size murphy bed located in the slide, a pop-up 26" LED TV, curved cabinetry throughout and a washroom to make any Class A envious, the U24MB is one big "little" motorhome.

ON THIS SPREAD: 2012 U24MB shown with optional U-Lounge in Cherry Cabinetry and Blue Slate Décor.

A good night's rest is a sure bet in the Unity's queen size murphy bed, which features a large residential quality mattress. The pop-up 26" LED TV is perfectly positioned for watching the late night news.

Invite the neighbors in for the evening. Create even more sitting room for guests by swiveling the front seats. A full height coat closet is conveniently located right next to the entrance, ideal for grabbing your jacket on your way out.

Choose from reclining ultraleather theatre seats (shown to the left) or a comfortable U-Lounge dinette, (shown above) to complete your living space. The Unity can be outfitted in either beautiful Cherry or Natural Maple wood cabinetry. (U24MB shown in Natural Maple Cabinetry and Natural Clay Décor.)

Boasting one of the most spacious lavatories in the Class B industry, the U24MB features a large corner shower with curved glass doors and skylight.
