DAY OR NIGHT, IT'S OUR
COMFY HOME AWAY FROM HOME.

FAMILY TIME

Holiday Rambler is redefining "family time" with its unwavering reputation for style and affordability. This year you'll find more family-friendly functionality, stylish details

and spacious comfort than ever before.

The 2012 Ambassador is no exception. Cook up a masterpiece in a kitchen featuring high-end appliances, hardwood cabinetry, Corian®

countertops, a decorative tile backsplash, flip-up countertop extension and stainless steel sink.

The comfortable cockpit boasts UltraLeather™ six-way power pilot and copilot seats, in-dash driver

message center, 3-camera color rear vision system and available GPS and Sirius Satellite Radio. (Pictured: 40PDQ)

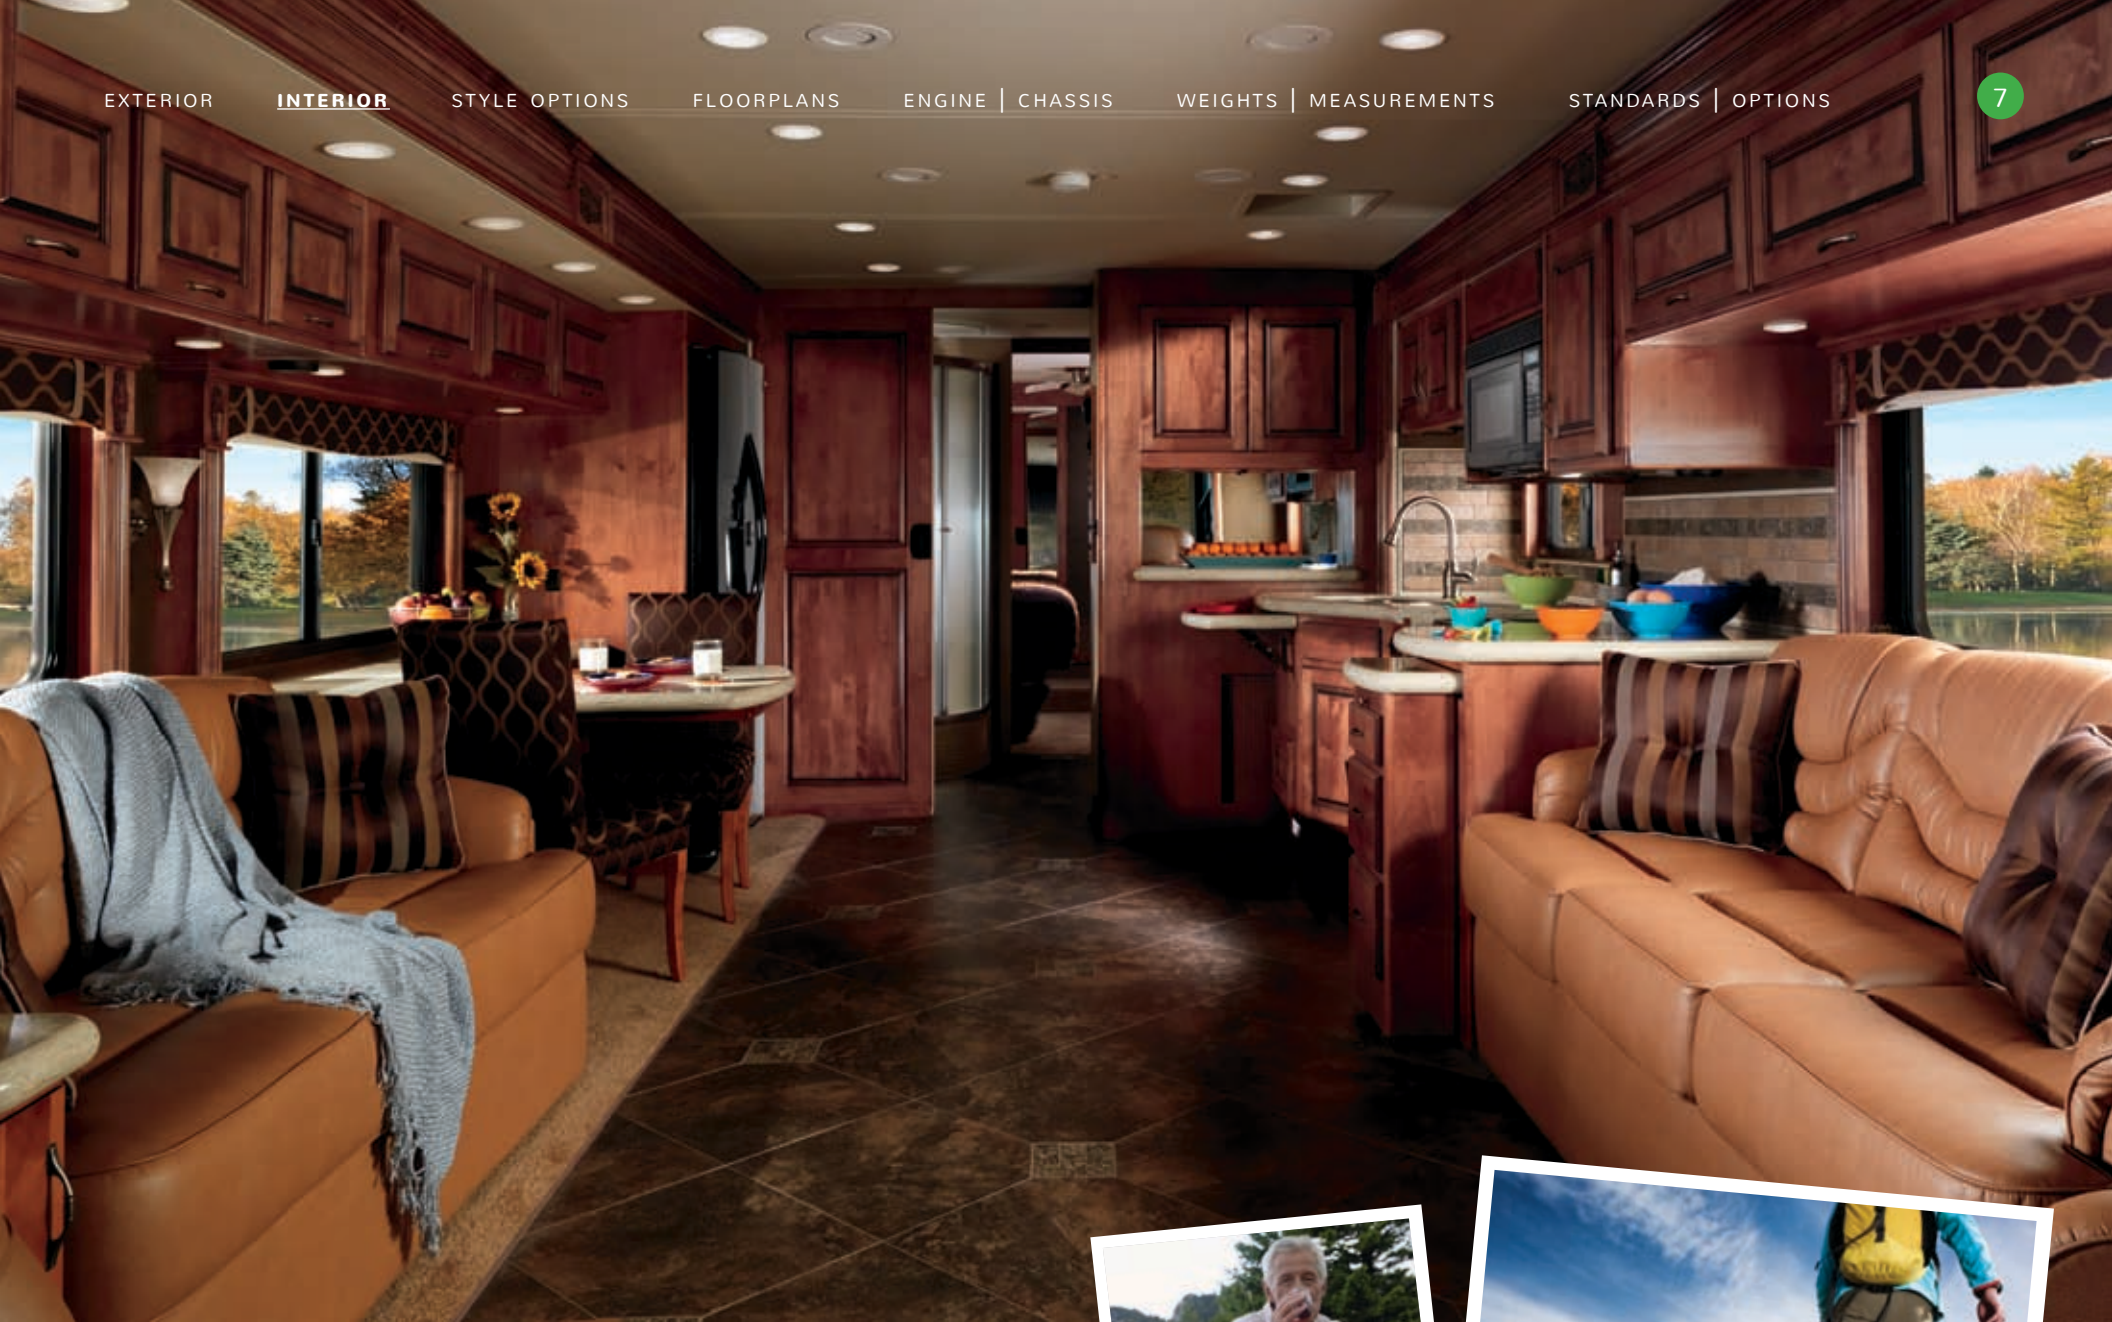

An array of luxurious décor and fabric styles, along with a standard queen bed (king available), a 32-inch LCD TV and optional DVD player make the Ambassador's master bedroom the perfect place to retire at the end of an

eventful day. In the bathroom, you'll find porcelain flooring, a Corian® countertop with integrated bowl and decorative backsplash, and a roomy one-piece shower, all standard. *(Pictured: 40PDQ)*

The Ambassador presents the perfect living environment for you and your family to relax and really enjoy one another. Make yourself at home with a variety of dinette, recliner and sofa options, as well as desirable amenities

like hardwood cabinetry, porcelain tile flooring, a 42-inch LCD flatscreen TV, a home theater system and an optional electric fireplace (36PFT). Rediscover "family time"... Holiday Rambler-style.

**AROUND THE CLOCK
SERVICE AND SUPPORT**

When you take delivery of your new recreational vehicle, it's just the beginning of our exclusive around-the-clock Owner Advantage Program.

We offer an extensive support program with complete roadside assistance and special motor club benefits that follow you wherever your travels take you. We've teamed up with the largest RV

emergency road service company in the country to give you immediate access to fast, dependable service when and where you need it. Add our toll-free service appointment assistance, plus a technical assistance hotline, and you have the security of full-time support at your fingertips.

For details, call toll-free 877-211-8135

WARRANTIES

Enjoy your next RV adventure with the peace of mind that comes with a 12 month/24,000 mile basic limited warranty; a 5 year/50,000 mile limited warranty on aluminum or steel frame

structure; and a 3 year/50,000 mile limited warranty on the Roadmaster Chassis. Review your coach's limited warranty in full for complete terms and conditions.

MAKE IT HOME.

Choose from a stunning selection of décor and cabinetry styles and combinations, designed to surround you in comfort and luxury.

MORE TO STORE.

Ambassador features large, pass-through storage bays with side-hinged baggage doors.

MAXXFORCE® POWER

The MaxxForce® 10 is built on the same proven I-6 platform as Navistar's legendary and industry-leading DT engine. This I-6 design grew from a big idea: bring to the mid-range diesel market traditional big bore features like wet-sleeve design and in-chassis rebuild capability. This model, which brings increased 9.3-liter displacement by longer stroke, meets the requirements of more demanding applications.

The high-output MaxxForce 10 offers these features plus the performance you would expect from larger heavy-duty engines in a weight-saving medium-duty package.

MaxxForce diesel engines deliver powerful, smooth, and reliable operation without the added hassle of complicated emissions technology. All backed by the largest network of service locations.

ROOF CONSTRUCTION

(top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION

(left to right)

- Wallpaper
- Décor board
- 1-1/2" x 1-1/2" square tubular aluminum frame
- High performance thermal insulation
- Gel coat fiberglass composite sidewall

FLOOR CONSTRUCTION

(top to bottom)

- Structurwood™
- 1-1/2" tube
- High-performance thermal insulation foam
- Luaun
- 3-ply backer

ROADMASTER RR8R RAISED RAIL CHASSIS

Due to continuous product improvements, please visit us online at holidayrambler.com for the latest in standards, options, specifications and technical data.

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice.

This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may depict a floorplan option that has been discontinued or is no longer available at the time of your purchase. Photographs may show props or decorations that are not standard equipment. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions,

the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer. Component part and appliance manufacturers issue limited warranties covering portions of the recreational vehicle not covered under the Limited Warranties issued by Monaco RV, LLC. To learn specific details regarding warranty coverage, please contact your selling dealership or review the warranty packet inside the recreational vehicle.
