WILDWOOD'S FLOORING

COMPETITOR'S

Form follows function. At Wildwood, quality is serious business and it shows. Our commitment to quality includes: {1} a one piece rubber roof with 12 year warranty {2} 20 gallon water heater {3} the floor in Wildwood is 5/8" tongue and groove plywood. Most of our competitors use OSB board which is not as durable as our real wood floor. {4} the queen bed on gas assist struts is shown lifted to access the under bed storage area.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Peace of mind.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every New Wildwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.
