Fifth Wheels
COLUMBUS
by Palomera

Explore new places off the beaten path. Share the sites you knew as a kid with your own family. Designed with the insights of a seasoned Fifth Wheel enthusiast, the Columbus is distinctively styled with residential details. Rich hand-rubbed, raised panel cherry stained hardwood cabinetry with matching wine and spice racks, five inch drawer handles (instead of the standard four inch), durable dovetail drawer construction and attractive raised panel cabinet doors with hidden hinges create an upscale feeling of home.

All Columbus floorplans include a high rise residential faucet, stainless steel microwave/convection oven, a 3-burner stove, and resilient, mold and mildew resistant Beauflor flooring throughout. Model 320RS shown.

Rediscover True Luxury with Columbus

Taste the regional flavors of small towns and big cities. Or stay "at home" with a choice of outdoor or indoor cooking. There's no such thing as roughing it when it comes to amenities.

Columbus is designed with people who enjoy cooking in mind. A solid surface countertop with an extension and a deep double bowl stainless steel sink provide ample workspace.

The 325RL's outdoor kitchen is equipped with weather resistant aluminum cabinets, drawers and countertop, plus a microwave, two-burner cooktop and refrigerator.

The comfortable dinette includes two chairs with springfoam seating, plus two easy-to-stow folding chairs. Columbus' residential style curtains can be removed for cleaning. Model 325RL in Seville decor shown.

Abundantly appointed, this Model 365RL is loaded with storage, rich hand rubbed, cherry hardwoods, solid surface countertops and an optional side-by-side refrigerator. The entertainment center is equipped with a 42" LED TV and an optional electric fireplace. The deep storage coat closet in the hallway has plenty of room for shoes and boots.

Rediscover Style

Every carefully planned detail is designed to provide the comforts of home. Relax and enjoy an ever-changing landscape from the comfort of Columbus' spacious, well-lit living areas. Elegant pendant lights infuse a warm glow, while indirect lighting above the cabinets and long lasting LED ceiling lights create a spacious homestyled appeal.

This large, 60" x 30" one-piece fiberglass residential shower has a built-in seat, oversized skylight and a textured glass door. A rich, contoured cherry hardwood vanity houses a deep sink and solid surface countertop.

All of Columbus' spacious bedroom suites are luxuriously appointed with a hand rubbed, stained cherry hardwood headboard, slide out fascia, cabinetry and shelving. The queen bed with plush pillows and a premium bedspread has two built-in storage drawers plus additional under bed storage, (a king bed is optional). The ample closet has built-in shelf, drawer and shoe storage, a handy laundry hamper, and is prepped for an optional washer and dryer.

Rediscover Comfort

– Reconnect with the People and Places You Love in Complete Comfort

From coast-to-coast and everywhere in between, an adventure with a Columbus Fifth Wheel makes traveling anywhere a perfect escape from the everyday world. Well designed floorplans provide versatile living quarters with plenty of storage for everyone's gear.

The 385BH has a multi-purpose room with sleeping areas for four. Accommodations include permanent bunks above on both sides, with seating below that converts to a standard bed on one side, and a flip-down bed on the other. This half bath is accessible from the bunk house or outdoors.

Model 385BH has five spacious slide outs, comfortable theater seating, bench seating and an island with a double bowl stainless steel sink. Optional side-by-side refrigerator and electric fireplace are shown.

Floorplans

Every spacious Columbus floorplan is 100" wide. Living area slide outs have 6'6" high ceilings, with easy to maneuver flush-floors. Five strategically placed heating vents are distributed out of traffic areas throughout the coach for maximum comfort. High gloss exteriors are available in two color schemes - Cream and Grey, with full-body skirting to enhance aerodynamics.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
