A HIGHER STANDARD

# CRUSADER

Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart.

**The result of their efforts represents a new standard in fifth wheels — A HIGHER STANDARD — Crusader.**

STANDARD**

295 RST Truffle Décor

Crusader is unlike any fifth wheel in its class. On the outside, our fifth wheel experts have combined advanced engineering and design with best-in-class features to create a fifth wheel that looks great, tows easily, and maximizes convenience. On the inside, Cherry hardwood cabinetry and solid surface kitchen countertops carefully work together to make a lasting first impression. Your comfort and relaxation will be guaranteed with an abundance of upgrades such as a large LCD television, RCA

home theatre DVD system, residentially inspired Lane® Furniture, and Crusader's Ever Rest® select foam mattress. Everywhere you look, there are numerous upgrades that will maximize your convenience while making your Crusader the envy of every campground. Finally, your long-term peace of mind is assured with Crusader's durable ETERNABOND Construction, 50 AMP service, and Leak Guard Assurance process.

# A HIGHER STANDARD THAT WILL IMPRESS AT EVERY TURN
