The Texas edition of the LongHorn was designed to give you the best RVing experience possible. Options are standards in the LongHorn: aluminum rims, rear ladder, and many other upgrades. In every floor plan, the LongHorn living spaces are decorated with a special Texas flair. The LongHorn's standards provide you with all the comforts of home. The interiors are a full 7' tall, and all the countertops are solid surface. Even in the Texas heat, indoor comfort is assured with the 15,000BTU air conditioner. Electric awnings make it easy to enjoy the outdoors from the shade. Add in the 2-year warranty, and the LongHorn is your passport to the RV experience you've been waiting for.
