

Cougar

FIFTH WHEELS AND TRAVEL TRAILERS

HIGH COUNTRY

MORE FEATURES | LESS WEIGHT

After thousands of hours of research, testing and hands on experience, the results are in. Witness the new Cougar High Country Fifth Wheel with Helium Technology. By utilizing new and unique construction materials in conjunction with creative manufacturing process and design, Helium Technology has enabled us to significantly reduce weight without sacrifice. The new Cougar High Country is the culmination of this effort.

MAX TURN

Cougar High Country's specially designed front cap substantially improves the turning radius of our fifth wheels. You'll be able to handle tight parking maneuvers even when attached to short bed pick-up trucks.

+ Cougar High Country has a heavy-duty extended hitch pin.

MOR/ryde Suspension comes standard on all Cougar High Country fifth wheels and travel trailers.
