- Jeep Wrangler Unlimited 3.6L V-6

YOU WANT PEACE OF MIND

That's why we offer our exclusive 2-year Co-Pilot Warranty, the industry's best and most comprehensive warranty program.

THE PERFECT PRICE

MEET THE JAY FLIGHT SWIFT — MADE FOR COMFORT AND VALUE AT AN AFFORDABLE PRICE

Big on features your family will love—at a price your family can afford—Jay Flight Swift continues Jayco's long tradition of putting family first.

affordable COMFORT IN THE JAY FLIGHT SWIFT

AMPLE STORAGE

You'll never run out of storage in a Jay Flight Swift, thanks to stunning Amish-crafted hardwood cabinetry.

MULTI-MEDIA SYSTEM

In tune with your family, Swift is equipped with a Multi-Media Premium Sound System with AM/FM/CD stereo.

6.3 CU. FT. REFRIGERATOR

Swift's Convenience Package features a 6.3 cu. ft. fridge with double doors.

WITH YOUR PURCHASE

Every Jayco RV undergoes rigorous quality control testing before it leaves the factory, so you can be confident your new Jayco will continue to provide the ultimate in reliability for years to come.

For a copy of our 2-year limited warranty with full terms and conditions, ask your local Jayco dealer.

TO LEARN MORE ABOUT OUR QUALITY CONTROL TESTING, SCAN HERE WITH YOUR SMARTPHONE.

JAY FLIGHT SWIFT SLX

feature packed

Don't let its light weight fool you. Jay Flight Swift SLX may be nimble in nature, but it's certainly not light on amenities. With a 2-burner range, 3 cu. ft. refrigerator and microwave oven, Swift SLX packs a full-featured kitchen in a towable design.*

* Consult with your authorized automobile manufacturer or vehicle owner's manual.

JAY FLIGHT SWIFT SLX 165RB

JAY FLIGHT SWIFT SLX 165RB

JAY FLIGHT SWIFT SLX 165RB

AMPLE STORAGE

Spacious wardrobes, stunning Amish-crafted hardwood cabinetry and well-designed floorplans maximize storage space.

EXPANDABLE SLEEPING

Sleep the whole family thanks to convertible dinettes, select model bunk beds or Swift SLX's 165RB expandable bunk end. Featuring DuraTek water-repellent tent material, 5" bed mats and reversed cambered support rated for 1,100 pounds, the 165RB is our most spacious SLX floorplan yet.

JAY FLIGHT SWIFT SLX 165RB

JAY FLIGHT SWIFT

affordable amenities

Swift continues Jay Flight's long tradition of putting family first thanks to space-saving floorplans, a long list of standard amenities and a super affordable price. Our stunning Amish-crafted hardwood cabinetry and Jayco-made furniture are proof you won't have to sacrifice quality or comfort when you go camping.

JAY FLIGHT SWIFT 267BHS

JAY FLIGHT SWIFT 267BHS

JAY FLIGHT SWIFT 267BHS

JAY FLIGHT SWIFT 267BHS

WELL EQUIPPED

Enjoy simple comforts, like the energy-efficient Atwood appliance collection, standard air conditioning and Multi-Media Premium Sound System with AM/FM/CD stereo.

ROOM TO REST

With three floorplans, there's a sleeping arrangement for you, thanks to a private bedroom, bunk beds, convertible table and sleeper J-Steel sofa.

REFRESHING AMENITIES

Wash up in the Swift's bathroom, complete with marine toilet, tub/shower combo and skylight.

CONSTRUCTION

and craftsmanship

At Jayco, we've built a reputation for superior construction and quality craftsmanship. We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to our latest construction advancement, the all-new exclusive Magnum Roof System, 50 percent stronger than other roofs in the industry, built to outlast everything but your memories.

OUR NEW ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses: Uses 2"x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam: More durable than typical stapled construction, provides fully walkable roof
- 3 Residential attic-style insulation: Maintains interior temperatures while allowing for room to run wiring, reducing risky electrical shorts
- 4 One-piece, sidewall-wrapped Alpha Ply material: Provides leak protection

WALL CONSTRUCTION

- 5 2" x 2" wooden studs: Creates Jay Flight Swift's long-lasting framework
- 6 Hand-tucked and glued fiberglass insulation (R-7): Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
- 7 Extra-wide corner seals: Prevents leaks on the corner molds, baggage and entrance doors and window seals

FLOOR CONSTRUCTION

- 8 Wall-to-wall vinyl flooring: Wipes up easily, a perfect fit for families
- 9 5/8" decking on 2" x 3" wooden joists: Creates a solid foundation (n/a SLX)
- 10 Fiberglass insulation (R-7): Maintains interior temperatures
- 11 Full-width outriggers: Supports wall weight with 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

OTHER FEATURES

- 12 Galvanized-steel wheel wells (select models): Reduces heat loss through floor; prevents floor damage in case of a blown tire
- 13 Integrated A-frame: Runs through frame, preventing hitch from buckling because it isn't tack welded
- 14 Innovative, aerodynamic front profile: Eliminates angled profile, increasing towability

SWIFT SLX *towability*

Jay Flight Swift SLX is built for the ultimate towing experience thanks to innovative design.

7-FEET WIDE The view from behind is just as nice. Built at 7-feet wide the Swift SLX is easy to see around when towing.

8 1/2-FEET TALL Quit paying to store your RV. Less than 8 1/2-feet tall, SLX can fit into most residential garages.

2,285-2,740 POUNDS Super towable, Jay Flight Swift SLX is easy on gas mileage.

SIDE-MOUNTED AIR CONDITIONER

Eliminate drag while increasing towability thanks to a standard 8,000-BTU wall-mounted air conditioner.

JAY FLIGHT SWIFT *features*

Jay Flight Swift comes with a host of standard features not typically found at this price.

PLEATED SHADES Pleated night shades, more durable than metal blinds, are designed to hold up to years of use.

EASY SETUP Four stabilizer jacks create a more balanced RV (standard on 267BHS, part of the Convenience Package on 198RD and 264BH).

METAL ALLOY FITTINGS Say goodbye to leaky faucets, the most warrantied item in a typical RV, thanks to Swift's metal alloy fittings.

THE **Jayco**[®] family STORY

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, the Jayco family has grown. From our factory to our front office, from our salespeople to our suppliers, our family bond is four decades strong with the support of more than 300 Jayco dealers.

Together, we're helping make new family stories. **YOUR FAMILY STORY.**

welcome to the jayco family

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you enjoy working with them as much as we do.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
