

JAY FLIGHT

family favorite

DESTINED FOR FUN.

america's family FAVORITE

A FEW OF THE MANY REASONS JAY FLIGHT CONTINUES TO BE THE TOP-SELLING TRAVEL TRAILER

FLEXIBLE FOR FAMILIES

Making the most of space, the standard Flex Dinette features pull-out seating, comfortable ottoman and roomy storage, making this U-dinette a family must.

AMPLE STORAGE

There's no shortage of durable storage thanks to Amish-crafted cabinetry and a 6.3 cu. ft. double-door refrigerator.

COMMAND YOUR RV

The command center hides all of your controls behind a convenient message board with 12V cell phone charger outlet.

YOU WANT PEACE OF MIND

That's why we offer our exclusive 2-year Co-Pilot Warranty, the industry's best and most comprehensive warranty program.

america's favorite **DESTINATION**

AND ALL THE MANY REASONS YOU'LL WANT TO LENGTHEN YOUR NEXT FAMILY GETAWAY

FULL-FEATURED KITCHEN

You'll forget you're cooking in an RV thanks to our destination models' 18 cu. ft. residential-style refrigerator with ice maker, large 60/40 deep-bowl sink with high-rise faucet and stunning Glazed Concord Cherry cabinetry.

RESIDENTIAL-STYLE ATRIUM

A residential-style atrium, 60" sliding patio door and detachable hitch provide home-like exterior touches on Jay Flight's destination models.

OPTIONAL FIREPLACE

Relax in front of a LedgeStone electric fireplace with brick facade and large HDTV.

HIDE-A-BED SOFA WITH OTTOMAN*

Perfect for family members or overnight guests.

*Optional on DST.

WITH YOUR PURCHASE

Every Jayco RV undergoes rigorous quality control testing before it leaves the factory, so you can be confident your new Jayco will continue to provide the ultimate in reliability for years to come.

For a copy of our 2-year Co-Pilot limited warranty with full terms and conditions, ask your local Jayco dealer.

JAY FLIGHT TRAVEL TRAILERS

america's *family favorite*

Spacious slideouts, well-designed living areas, more than a dozen different floorplans and an endless list of family-friendly features make the Jay Flight travel trailer the perfect fit for any family. And with 75-plus gallons of fresh water, we're certain we can keep up with your family demands, too.

JAY FLIGHT 32TSBH | HAZELNUT

JAY FLIGHT 25RKS | SANDALWOOD

JAY FLIGHT 32TSBH | HAZELNUT

DINNER TIME

Jayco has dinner covered with a 3-burner gas range, a residential-style sink and microwave oven with carousel.

READY TO TOW

Built for families on the go, Jay Flight is packed with more standard towing features, like E-Z Lube axles for easy maintenance and an aerodynamic curved front profile for better gas economy. Once you get there, optional electric stabilizer jacks make setup a breeze.

CONSTRUCTION *and craftsmanship*

At Jayco, we've built a reputation for superior construction and quality craftsmanship. We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to our latest construction advancement, the all-new exclusive Magnum Roof System, 50 percent stronger than other roofs in the industry, built to outlast everything but your memories.

OUR NEW ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses: Uses 2" x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam: More durable than typical stapled construction, provides fully walkable roof
- 3 Residential attic-style insulation: Maintains interior temperatures while allowing for room to run wiring, reducing risky electrical shorts
- 4 One-piece, sidewall-wrapped Alpha Ply material: Provides leak protection

INTERIOR DÉCORS

HAZELNUT

SANDALWOOD

DRIFTWOOD

WOOD

WALL CONSTRUCTION

- 5 2" x 2" wooden studs: Creates Jay Flight's long-lasting framework
- 6 Hand-tucked and glued fiberglass insulation (R-7): Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
- 7 Extra-wide corner seals: Prevents leaks on the corner molds, baggage/entrance doors, window seals

FLOOR CONSTRUCTION

- 8 5/8" tongue-and-groove plywood deck on 2" x 3" wooden floor joists: Moisture resistant, plywood holds up to the elements
- 9 Fiberglass insulation (R-7): Maintains interior temperatures
- 10 Full-width outriggers: Supports wall weight with no more than 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

FEATURES

- 11 Galvanized-steel wheel wells: Reduces heat loss through floor; prevents floor damage in case of a blown tire
- 12 WaterWorks system: Boasts 75-plus gallons of fresh water (n/a destination models)
- 13 Innovative, aerodynamic front profile: Eliminates angled profile, increasing towability (n/a destination models)

THE Jayco[®] family STORY

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, the Jayco family has grown. From our factory to our front office, from our salespeople to our suppliers, our family bond is four decades strong with the support of more than 300 Jayco dealers.

Together, we're helping make new family stories. **YOUR FAMILY STORY.**

welcome to the Jayco family

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you enjoy working with them as much as we do.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Unloaded Vehicle Weight (UUV): Sometimes referred to as "Dry Weight," UUV means the typical weight of this trailer as built at the factory. The UUV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UUV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UUV and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UUV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
