**SHOCKWAVE**

**MX-Series**

**MX** IS  
**VALUE**  
**QUALITY**  
**FEATURES**  
**AND FUN**

The Shockwave T24FS, shown here in Ginger decor, is wide open. It features oversized windows for a great view of the action, plenty of overhead cabinets, a great seating area, and maximum sleeping capacity with its dual electric beds. The Optional LCD TV is mounted on a articulating arm giving 270 Degrees of visibility.

Load distribution of Cargo can and will affect handling. Be sure you determine Tow Vehicle Trailer Towing Capacity. (See Vehicle Manufacturer for Specifications). Keep total weight of trailer under maximum Gross Vehicle Weight Rating, and under Vehicle Tow Rating. Load Capacity, including liquids, personal, and miscellaneous items, affects trailer towing characteristics. Weather conditions (i.e. Wind), will affect handling. Keep 60% of loaded weight above and forward of the axles.

**By Coach-Net®**

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
