Coleman kitchens include a Norcold 6-cubic foot refrigerator, range with standard oven, microwave, and double bowl stainless steel sink with high-rise brushed nickel faucet. Several floorplans offer a mega-sized U-dinette with drinkholders and easy-adjust high/low dinette table. Most floorplans include a residential-styled convertible jackknife sofa. Most bedrooms include a 60" x 80" residential upgraded memory foam mattress, laundry chute, two hanging closets, nightstands on both sides, and a deep overhead storage cabinet.

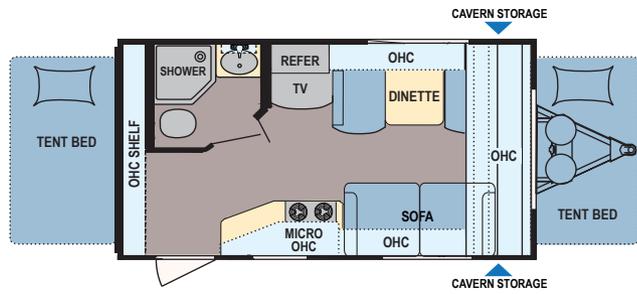

Coleman kitchens boast distinctive, creative layouts, and all offer fantastic amounts of storage space. Cabinets include hardwood doors and drawer fronts with full-extension drawer guides. The galley skylight adds calming natural light, and every Coleman offers flexible kitchen designs.
