Beautiful Interiors

Cyclone is not your average toy hauler. You'll appreciate the hardwood cabinets with a rich, durable furnish that provides a truly residential look and feel. Incredible interior spaciousness with mega-slides featuring huge windows and residential furniture with built in recliners for the entire family plus a few friends. All Cyclones are equipped with a full featured kitchen and most models accommodate sleeping for eight or more.

Multi-Zone Entertainment

System features a LCD flat-screen TV and two stereo systems with multi-zone capabilities so that you can listen to music outside the coach while someone else watches a movie or listens to music inside the coach!

Light your task, set the mood or just kick back and relax. Enjoy perfect lighting throughout the CYCLONE.

Three Seasons Wall Patio Door Option

Enclose your garage area while letting in the daylight and containing your heated or air conditioned air. The doors easily slide open for passage to the ramp door patio and the doors swing open easily for loading and unloading toys.

Built-in Outdoor Speakers

CYCLONE owners can enjoy listening to their favorite CDs, catch up on the news, or listen to the big game on these powerful outdoor speakers, conveniently located patio side and easily controlled by the garage receiver.

High-End Fifth Wheel Luxury

While other toy hauler manufacturers have limited many of their interior designs to reflect a purely "racing" lifestyle- CYCLONE has listened to what customers are looking for and are excited to offer the best of both worlds- a coach that may say "Racer" on the outside, but features truly elegant residential form and multi lifestyle function on the inside!

- Full 6-Point Leveling
- Front-to-Rear and Side-to-Side Leveling
- Leveling system can be used to change a tire
- One power source
- Backup system in case of electrical failure
- Lightweight aluminum jacks
- Fully automatic leveling controls
- "Auto-Recall" Function: Remembers where tow vehicle was unhooked

Utilizing a remote sensor located under the rear axle, the Level Up system accomplishes a level coach in seconds. This eliminates a time consuming and sometimes dirty task of manually leveling your coach.

Level Up's 6-Point leveling system achieves a level coach while easing undo stress on the chassis, windows and sidewall when the coach's slide-outs are extended or retracted.

Stop wasting time setting up and get to camping!

Just an 1/8" thick foam cup protects your hand from scalding hot coffee... imagine what nearly 2" of block foam does for your Laminated Heartland Sidewall!

UNINHIBITED PASS-THRU EXTERIOR STORAGE

Choose CYCLONE for superior industry leading engineering which results in larger, cleaner pass-through storage possibilities.

THERMAL TESTED

Heartland 5th wheel construction has been subjected to rigid testing in the famous DOMETIC Extreme temperature testing chamber. The testing chamber temperature is set to 0° to test the heating system, followed by setting it at 100° to test its cooling ability. With our thick 2" laminated walls, enclosed and heated underbelly and insulated floor - the interior of the Heartland coach remained warm and comfortable through out the sub-freezing testing and nice and cool during the extreme heat test!

Heartland Recreational Vehicles

1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
