**REVERE**

SO ROOMY. SO COMFORTABLE.

# With Revere, you've got space.

Revere is designed for what you want on the road. There's room to stretch out and feel at home with 7' ceilings and deep slide-outs. It feels bigger inside – but it's no bigger on the outside. Plus more storage at every turn and an array of floorplans to choose from. A plush, roomy sofa that invites you to sink in. A bunkroom for the kids, a gourmet kitchen, a large U-shaped dinette and a master suite. How did they do it?

## FEATURES & BENEFITS

- a standard Bluetooth capable AM/FM/CD/DVD stereo
- a radius front profile for better towing and gas mileage
- best-in-class counterspace for working or entertaining
- wide track axles for stable towing and light tongue weights
- a full-wall entertainment center with space for a 32" TV
- tongue and groove plywood flooring is lightweight, strong and eliminates squeaking
- durable Beauflor tile flooring resists cold cracking

## FAMILY FRIENDLY LIVING

*Revere is planned to sleep your whole family – or just the two of you. Shown in Copper Fusion Decor.*

SONIC EARTH INTERIOR

## COOK FOR REAL, IN THIS GOURMET KITCHEN.

How do you like to cook and entertain? Revere offers so much counter space and unexpected extras that every cook is happy. You can choose a peninsula, island or rear kitchen: there's always room for everyone. Wash up in style with a large under mounted sink. And when that's done, you get an extra work surface. These glazed, home-like cabinets have drawers that glide open to fully extend. Life is easy with a built-in spice rack, a dryer/dish rack and a butcher block cutting board. Here's something others won't offer: Revere's ingenious U-shaped booth that's big enough to sleep two adults comfortably. Every detail has fully been considered.

AMBER IVY INTERIOR

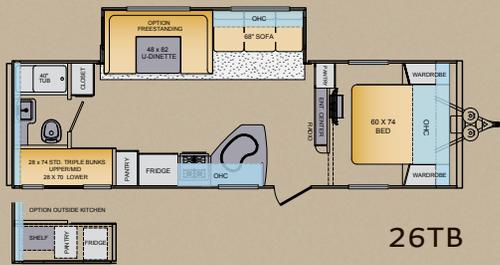

## GET A GOOD NIGHT'S REST. YOUR WAY.

When it's time to kick back, Revere gives you the comforts of home. Like a soft, quilted bedspread. Full length, mirrored shirt closets flanking the bed. An extra-large overhead cabinet with reading lights for your convenience. Easy-to-access under-bed storage. A cable TV hookup. When it's time to pamper, take a shower or a bath. And enjoy the roomy bathroom sink – with a vanity big enough for your favorite toiletries.

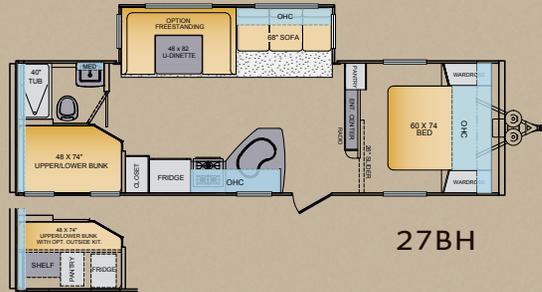

Everyone deserves their own haven. If you choose a bunk room, the kids get space for games, toys, books, even their own TV.

## THE SHASTA STORY - Pioneers in the RV Industry

In 1941, the first Shasta "house trailer" was built to be used as mobile military housing. Today, 70 years later, Shasta remains an important player in the multi-billion-dollar RV industry. As one of the industry's longest producers of recreational vehicles, Shasta is proud of its longevity. We've earned our success in the best possible way – through experience ... more experience than any other RV company in the world. Shasta's respected name prevails in today's fast-moving RV industry because of experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River.

All illustrations and specifications contained in this brochure are based on the latest product information at time of publication. Shasta Recreational Vehicles reserves the right to make changes in prices, colors, materials, equipment and specifications, and to discontinue models at any time without notice. Some equipment shown separately, or on products illustrated in this brochure, may be optional at extra cost. Check with your Shasta dealer for more information if you have specific questions. © Copyright 2011 Shasta, a Division of Forest River Inc – All Rights Reserved.

Revere with fiberglass exterior

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
