COLUMBUS Fifth Wheels
by Palomares

A unique movable kitchen island on Model 320RS locks in place with four casters. Bonded leather theater seating, a sofa sleeper, and an optional electric fireplace create a great place to unwind. Seville decor shown.

Set a Course for the Ultimate Road Trip

– And Rediscover North America's Natural Beauty

Explore new places off the beaten path. Share the sites you knew as a kid with your own family. Designed with the insights of a seasoned Fifth Wheel enthusiast, the Columbus is distinctively styled with residential details. Rich hand-rubbed, raised panel cherry stained hardwood cabinetry with matching wine and spice racks, five inch drawer handles (instead of the standard four inch), durable dovetail drawer construction and attractive raised panel cabinet doors with hidden hinges create an upscale feeling of home.

All Columbus floorplans include a high rise residential faucet, stainless steel microwave/convection oven, a 3-burner stove, oven, and resilient, mold and mildew resistant flooring throughout. Model 320RS shown. Optional 4-door stainless steel refrigerator shown at right.

Rediscover True Luxury

Taste the regional flavors of small towns and big cities. Or stay "at home" with a choice of outdoor or indoor cooking. There's no such thing as roughing it when it comes to amenities. Columbus is designed with people who enjoy cooking in mind. A solid surface countertop with an extension and a deep double bowl stainless steel sink provide ample workspace.

The comfortable dinette includes two chairs with upgraded foam seating, plus two easy-to-stow folding chairs. Columbus' residential style curtains can be removed for cleaning. Model 325RL in Seville decor shown.

Live large with extra touches including: two pull-out pantries, plenty of countertop area for expanded work space, and an oven with a convection microwave. Slide out windows open for refreshing cross-flow ventilation. Options include a four door stainless look refrigerator, an ottoman with storage and an electric fireplace for ambience and warmth. Model 340RK with light wood flooring, Seville decor and Cantina Cocoa leather shown.

Rediscover Versatility

This people pleasing floorplan is open, airy and inviting. Model 340RK's flexible living space adapts, so family and friends can easily spread out, relax and enjoy a great time with good company.

Abundantly appointed, this Model 365RL is loaded with storage, rich, hand rubbed, cherry hardwoods, solid surface countertops and an optional side-by-side refrigerator. The entertainment center is equipped with a 40" LED TV and an optional electric fireplace. The deep storage coat closet in the hallway has plenty of room for shoes and boots.

Rediscover Style

Every carefully planned detail is designed to provide the comforts of home. Relax and enjoy an ever-changing landscape from the comfort of Columbus' spacious, well-lit living areas. Elegant pendant lights infuse a warm glow, while indirect lighting above the cabinets and long lasting LED ceiling lights create a spacious homestyle appeal.

This large, 60" x 30" one-piece fiberglass residential shower has a built-in seat, oversized skylight and a textured glass door. A rich, contoured cherry hardwood vanity houses a deep sink and solid surface countertop.

All of Columbus' spacious bedroom suites are luxuriously appointed with a hand rubbed, stained cherry hardwood headboard, slide out fascia, cabinetry and shelving. The queen bed with plush pillows and a premium bedspread has additional under bed storage, (a king bed is optional). The ample closet has built-in shelf, drawer and shoe storage, a handy laundry hamper, and is prepped for an optional washer and dryer.

Model 370FL front living room loft overlooks the kitchen and features large storage, overhead cabinets and an entertainment center across from comfortable theater seating. The 80" visionary sofa sleeper converts to create additional sleeping space. A large kitchen countertop work surface runs the full length of the railing (not shown). An optional electric fireplace creates warmth.

Explore Your Surroundings

After an adventurous day, return home to Columbus. Family and friends will appreciate the extra attention to detail each floorplan delivers. Discover recessed storage spaces for personal mementos and comfortable seating arrangements designed to create welcoming residential appeal.

Model 370FL's side aisle bathroom features a shower with a curved glass door and a skylight. The closet provides extra storage space and can accommodate an optional washer/dryer.

Share a tasty meal...this expandable dining table rotates to seat four people comfortably, two additional folding chairs are included. Pebble interior with tile-look flooring and optional four-door refrigerator shown.

This well-lit, double slide-out bedroom on Model 370FL offers plenty of headroom and walk-around space even when equipped with the optional King size bed, shown. The Cherry hardwood fascia wardrobe with dovetail drawers has loads of space for shoes and clothing.

COLUMBUS Rediscover Comfort

– Reconnect with the People and Places You Love in Complete Comfort

From coast-to-coast and everywhere in between, an adventure with a Columbus Fifth Wheel makes traveling anywhere a perfect escape from the everyday world. Well designed floorplans provide versatile living quarters with plenty of storage for everyone's gear.

Model 385BH has five spacious slide outs, comfortable theater seating, bench seating and an island with a double bowl stainless steel sink. Optional booth dinette, 4-door, side-by-side refrigerator, Fantastic kitchen vent, electric fireplace and Granite decor with light wood plank look floor, shown at right.

The 385BH has a multi-purpose room with sleeping areas for four. Accommodations include permanent bunks above on both sides, with seating below that converts to a standard bed on one side, and a flip-down bed on the other. This half bath is accessible from the bunk house or outdoors. Shown at left with Seville decor and tile-look floor.

Columbus -

Columbus is designed to deliver the construction integrity experienced RV enthusiasts expect. From generously layered laminated construction, to premium insulation from top to bottom and side to side lasting comfort sets the standard.

- ◆ Bubble foil insulation in the underbelly for added R-Value
- ◆ Heat pad on all tanks
- ◆ True 5-side lamination: Sidewalls, slide-out end walls, rear wall, roof and floor are framed in aluminum and laminated
- ◆ Floor is 3-1/2" thick
- ◆ Roof at crown is 6" thick
- ◆ Metal skirting is wrapped and attached under the frame for a full enclosure.

Cherry hardwood hallway steps include a central vacuum and a deep storage closet.

Each model has a convenient storage area to house the solid surface sink cover.

All models have energy efficient LED lights in the living area.

All Columbus kitchens feature a stainless steel convection/microwave oven.

Three 20 lb. LP tanks for easy exchange, along with huge pass-through storage with a convenience center for all utility needs are standard features.

Floorplans

Every spacious Columbus floorplan is 100" wide. Living area slide outs have 6'6" high ceilings, with easy to maneuver flush-floors. Five strategically placed heating vents are distributed out of traffic areas throughout the coach for maximum comfort. High gloss exteriors are available in two color schemes - Cream and Grey, with full-body skirting to enhance aerodynamics.

Rediscover Convenience

A stop at a road side farm market, and you're ready to head back to the campsite and cook up something fabulous on the 385BH's outdoor kitchen. It's nicely equipped with weather resistant aluminum cabinets, a sink with gooseneck faucet, a countertop and drawers, plus a two-burner cooktop, microwave and refrigerator. Outdoor cooking doesn't get any better than this!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.
