by VERSS

TRAVEL TRAILERS & FIFTH WHEELS

800 SERIES

Vibe approaches light weight travel trailer design in a revolutionary way. It's affordable but fully featured to deliver everything you'd expect in an RV, without sacrifice, at a weight and price you'll appreciate. Vibe's innovative V-Design floorplans cut through air for better fuel economy and a more stable towing experience vs. a flat-front trailer.

Forest River strives to be kind to the environment. Our production facilities maximize the use of material to minimize waste for more efficiency. We use renewable and recycled materials whenever possible.

823VRBS Residential living space in a light-weight trailer! The NEW 823VRBS features opposing slides, an island kitchen and walk-around queen bed.

All 800 Series Vibes have spacious bathrooms and include a neo-angle shower with glass door and skylight.

826VFK

The 826VFK features an open front kitchen and dinette area that makes the Vibe feel like your home away from home.

829VBH This deep slide room with a tri-fold sofa sleeper is the perfect place to entertain or relax. The U-dinette booth offers plenty of space for dining and converts to an 84" bed.

823VRBS Large cabinets throughout all Vibe models offer maximum storage space.

6500 SERIES

▼ **6502** *Big things come in small packages. The Vibe 6500 Series is designed to maximize living space with 80" of interior ceiling height. The 6502 galley slide expands to provide a generous living and work space. The queen size loft bed design creates abundant storage space underneath – a feature uncommon in most small trailers. Glazed Cognac Maple cabinets create a warm, comfortable, residential feeling.*

6502 *This full bath features a separate, neo-angle shower and a pedal flush toilet. The V-nose design advantage enables a full profile vanity with ample storage under the sink.*

Vibe's 6500 Series is designed to be towed by today's minivans and small SUVs, but is easily towed by large SUVs and trucks too.

6502 This warm, inviting galley slide has a 2-burner cooktop, a convection microwave oven and a large 5.0 cubic foot, 2-way refrigerator/freezer!

6504 This is the most versatile dinette available. When the upper bunk is not in use, it's a 95" long booth dinette where the whole family can comfortably enjoy a meal. Bedtime? The booth dinette quickly folds down into a sleeping area with a single upper bunk and a double bed below, plus an extra long dinette bed. All have a great view of the optional TV. The main bedroom features a queen mattress.

Standard Features & Options

CHASSIS/RUNNING GEAR

- ▼ Powder coated steel frame
- ▼ Electric adjustable brakes (800 Series)
- ▼ Electric brakes (6500 Series)
- ▼ Heavy-duty leaf spring suspension (800 Series)

GET THE VIBE ADVANTAGE

The unique V-Design maximizes headroom and storage room.

The sleek Vibe exterior features high gloss gel coat sidewalls and roof with lightweight, fully laminated walls and floor, plus aluminum wheels.

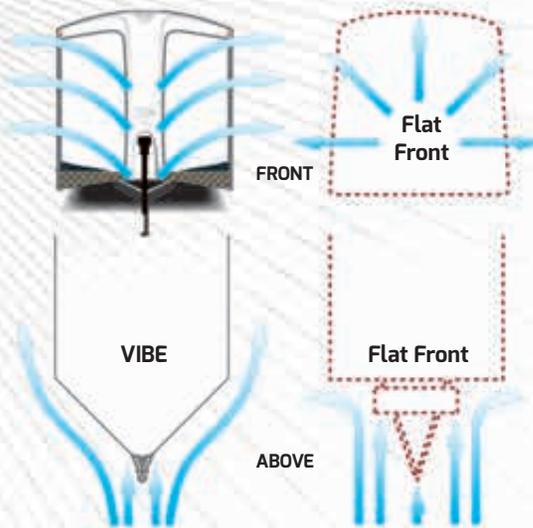

MORE USABLE SPACE – BETTER AERODYNAMICS

The V-Design shape creates 75 cu. ft. of extra interior space for larger bathrooms, bedrooms and kitchens with full interior height at the front end of the trailer. The “V” design cuts through wind, improving aerodynamics for better fuel efficiency. LP bottles and batteries are safely enclosed. Air flow around the front end deflects bugs and debris, keeping the unit clean and improves towability.

V-DESIGN VS. FLAT FRONT TRAILERS

V-Design directs air flow around the sides of the trailer. Air impacts and scatters around and above flat front trailers.

Your V-Cross Vibe Dealer

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.
