SURVEY THE ADVANTAGES

Cadet

Sport

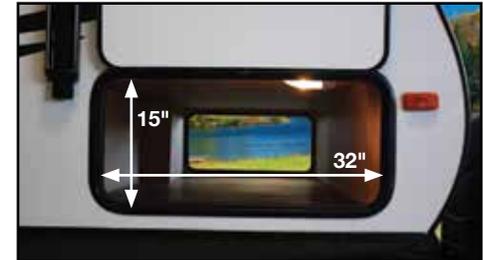

SURVEYOR

COMPETITION

SUPERIOR CONSTRUCTION

Surveyor is one of the strongest light weight trailers because of our aluminum framed openings and lamination process. High quality materials, 100% glue coverage and fully framed aluminum floor, roof, walls, front and backs provide you a structure for peace of mind. Not found in most RV's today.

PASS THRU STORAGE

You will find all the room you need in your fully finished exterior compartment, the large 32" X 15" baggage door gives you plenty of room for all your camping needs. No raw wood or exposed aluminum here, just the quality and peace of mind you deserve.

LED AWNING LIGHT

The integrated LED awning light provides you with an abundance of light for added safety and security. (Standard in Exterior Luxury package)

FRESH WATER

Like to carry this much fresh water? You can now, Surveyor's 46 gallon fresh water tank allows you to camp longer.

RADIUS SHOWER CURTAIN

You will have a little more room to move around in your shower with our residential style radius door. With the curved design and sliding door you won't have to worry about that plastic shower curtain sticking to you or allowing water to get out.

SOLID OAK CABINETRY

Quality, solid built cabinet doors are all raised panel, not only the upper doors but the lower doors as well. Some manufacturers put in the raised uppers, but not the lowers to save money, just open and close the doors and you will feel the quality of our doors. You will also quickly notice our residential hidden and adjustable hinges.

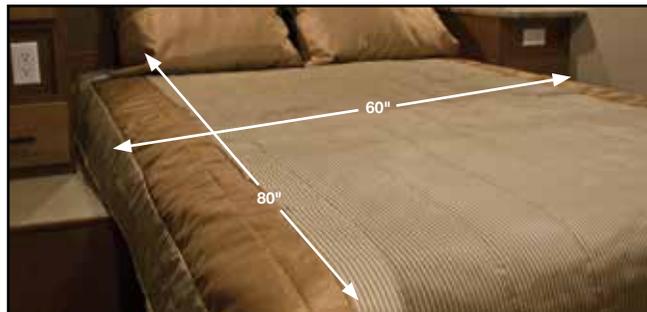

82.5"

EZ GLIDE TABLE

Setting up your dinette for eating or sleeping is made "EZ" with our convenient swing up and down table, no more lifting that heavy bulky table, just pull the release, it's that "EZ". Want to use it in more ways? In the down position it makes a great coffee table or even take it outside.

60" X 80" MATTRESS

You'll sleep like a King on our fully sized bed, don't be fooled by those "RV" or "short" queen sized beds. We give you the extra room so you can stretch out and not have you feet hanging off the end of the bed. We can also provide you an upgraded Serta™ mattress for even more comfort.

BARRELED ROOF CONSTRUCTION

Our barreled roof gives you the height you deserve, the 82 1/2" interior headroom is one of the highest in its class. The radius aluminum roof rafters on 16" centers and consistent thickness of the rafters gives you one of the strongest roofs today, we even offer a rear ladder for easy access to clean and maintain your seals. If the trailer that you are considering doesn't offer this, there is a pretty simple reason for that, they don't want you on their roof. Makes you wonder how strong is it?

Pilot

FIFTH WHEEL

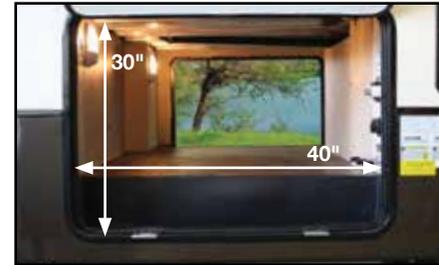

ONE PIECE PAINTED FIBERGLASS FRONT CAPS

Surveyor's one piece painted fiberglass front caps provide superior aerodynamics to help save fuel and protect from road debris. Our convenient LED docking lights help you light up when hooking or unhooking at night.

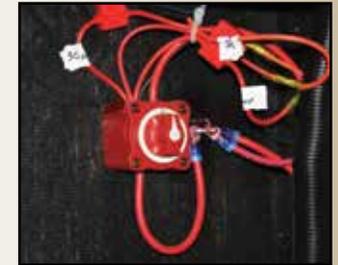

LED AWNING LIGHT

The integrated LED awning light provides you with an abundance of light for added safety and security. (Standard in Exterior Luxury package)

EXTERIOR STORAGE

Our Fifth Wheels give you even more room with our 40" X 30" storage door and our "Z" frame design, largest storage in its class.

BATTERY DISCONNECT

Standard in all Fifth Wheels, this convenient switch lets you power down all 12V.

UTILITY CENTER (FW)

Our centralized utility center provides all of your hook-ups in one convenient location. Standard on all Fifth Wheels.

FIREPLACE AND 50 AMP SERVICE

Standard on Fifth Wheels and optional on Pilots. No worries about having enough power to run all of your appliances. The fireplace offers additional electric heat, saves on your propane costs.

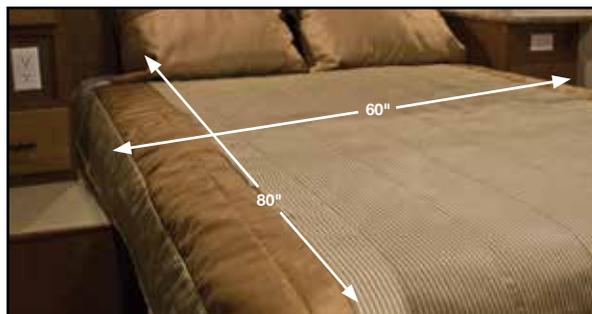

8 CUBIC FOOT REFRIGERATOR

Standard on all Fifth Wheels and Pilot travel trailers, this large refrigerator provides you more room for all your perishables.

BARRELED ROOF CONSTRUCTION (TT)

Our barreled roof gives you the height you deserve, the 82 1/2" interior headroom is one of the highest in its class. The radius aluminum roof rafters on 16" centers and consistent thickness of the rafters gives you one of the strongest roofs today, we even offer a rear ladder for easy access to clean and maintain your seals. If the trailer that you are considering doesn't offer this, there is a pretty simple reason for that, they don't want you on their roof. Makes you wonder how strong is it?

60" X 80" MATTRESS

You'll sleep like a King on our fully sized bed, don't be fooled by those "RV" or "short" queen sized beds. We give you the extra room so you can stretch out and not have your feet hanging off the end of the bed. We can even provide you an upgraded Serta™ mattress for even more comfort.

40" SHOWER

Our spacious 40" one piece fiberglass shower with triple sliding doors and 59" adjustable slide shower head.

DYSON CLOSET

Standard on Fifth Wheels, the portable Dyson Vacuum allows you to sweep on any surface, vinyl or carpet. With the easy clean out, you don't have to worry about dusty, damp bags you have to dump.

SOLID SURFACE COUNTERTOP

Standard on all Fifth Wheels and Pilot travel trailers, our solid surface countertops give you the high end amenities you deserve.

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of **Coach-Net** RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
