LUXURY TO THE MAX

Luxury to the MAX

With LaCrosse, this is more than just a catchy phrase found inside a brochure - it's the strategy that guides us every day as we strive to create the perfect Recreational Vehicle. A simple example of this strategy is LaCrosse's 82" sidewall height. Your senses will tell you that the extra headroom "feels" great. Then you notice that the kitchen cabinets are huge, vented windows are 20% larger - very nice, indeed. Finally, as you settle into the residential comfort of our premium LANE® Furniture, you will appreciate that LaCrosse has extra tall, very spacious slide-outs. Luxury To The Max. It's our strategy to MAXimize your enjoyment.

Luxury to the MAX

In the past, luxury and value were contradictory terms - not any more! LaCrosse redefines value to include the very best in price and quality but without sacrificing luxury, comfort, and convenience. LaCrosse is loaded with upgraded features like: LG Solid Surface Kitchen Countertops, beautiful Hartford Cherry cabinet doors, and large LCD TV's. To MAXimize your convenience, many floorplans come STANDARD with an amazing 12 cubic foot refrigerator! The unmatched storage, residential appeal, and plush comfort of LaCrosse is normally reserved for units costing thousands more. Your search for the perfect combination of luxury and value is over. We have created it. It's called LaCrosse!

At Prime Time, we know that finding the right floorplan is the single most important decision you have to make when purchasing your new recreational vehicle. That's why we offer a variety of choices including double and triple slide out rooms; bunk houses, rear entertainment centers, a rear living room and a rear kitchen model. Also, in keeping with LaCrosse's motto "Luxury to the MAX," you will find 6 of LaCrosse's 8 floorplans come STANDARD with an amazing 4 door, 12 cubic foot refrigerator and one with a Residential 20 cubic foot refrigerator.

Advanced Engineering

Before a new industry leading floorplan or idea hits Prime Time's production line, countless hours of **DESIGN** go on behind the scenes.

ETERNABOND®

Competitor's Soft Walls

ETERNABOND® is the superior construction standard on LaCrosse. **EVERY** wall and main floor is bonded together to create the lightest, yet strongest construction available on any RV in the industry.

ETERNABOND®

ETERNABOND® Aluminum framed, laminated walls eliminate soft, spongy exteriors that have "sagging" insulation.

Competitor's Soft Walls

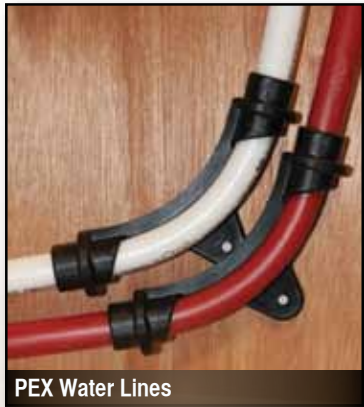

ETERNABOND® Offers you **MAX PROTECTION** and peace of mind knowing you have the finest in structural durability.

DETAIL

- PEX Water Lines
- Seal Tech
- Seek-A-Leak
- Rain Bay

The manufacturing team at Prime Time exposes LaCrosse daily to some of the most stringent and rigorous testing procedures in the industry.

LEAK GUARD, designed to protect your investment for a lifetime of value, is just one of Prime Time's industry-leading quality assurance programs.

PEX Water Lines

- Flexibility, eliminating the use of joints and elbows
- Can expand up to 300% without damage
- Higher R Value, keeping your water hotter longer!
- Oetiker clamp rings allow for 25 year warranty

Seek-A-Leak

- NEW technology
- Pressured Equalization
- Water line system is tested with 80 lbs. of air
- Instantaneous results, highly precise!

Seal Tech Air Pressure Test

- High capacity blower pressurizes the unit
- Detergent solution is applied to exterior
- Identifies the smallest exterior void
- **EVERY** Prime Time RV is tested!

RAIN BAY

- State of the art facility
- (2) 1,200 gallon recycling tanks with 184 spray heads
- Exceeds the most extreme weather conditions
- Delivering 300 gallons per minute = 24" of rain an hour!

- ✓ Fuel Delivery
- ✓ Service Assistance
- ✓ Custom Trip Routing and Maps
- ✓ 24 Hour Emergency Messaging

*Exclusions and restrictions apply. See member guide for details.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
