Sun Valley

by EVERGREEN

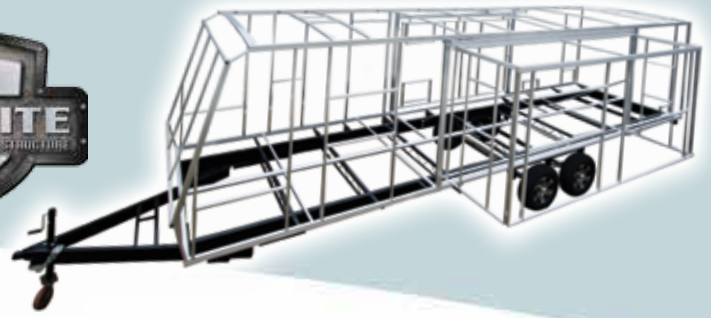

More of Everything You Want.

WHERE LUXURY MEETS VALUE.

The Sun Valley has all the features you expect from the EverGreen family of products at a surprisingly affordable price. Welcome to Sun Valley from EverGreen. Sun Valley is equipped with all EverGreen's best features, such as vacuum laminated construction and Dura-Lite™ Double Welded Aluminum Structure in one family camping package. EverGreen's legendary lightweight, easy-to-tow construction makes Sun Valley easily pulled with today's full-sized family sedan, SUV or half-ton pickup. With the largest selection of floor plans of any EverGreen brand, you're sure to find the coach that's perfect for your family.

AFFORDABLE DURABILITY. BUILT TOUGH FOR DECADES OF FAMILY FUN.

Built with “the EverGreen difference,” Sun Valley is constructed to provide years of trouble-free service to your family.

13. Woven plastic floor brace
14. Plywood substrate
15. High-density, block foam insulation
16. Plywood substrate
17. Padded “No-Crack” vinyl floor
18. Steel I-beam frame

*Some construction materials are subject to market availability and may change without notice.

DURALITE™ DOUBLE WELDED ALUMINUM STRUCTURE

Sun Valley is built with the DuraLite™ Double Welded Aluminum Structure. It includes six-sided double-welded aluminum frame construction in the walls, roof and floors, with header framing around all doors, windows and baggage door openings. Our strong, durable frame eliminates flexing and reduces leaks. Dura-Lite™ is superior to wood frame construction used in other travel trailers. Wood frames can rot when exposed to water.

VACUUM LAMINATION

Sun Valley is built with vacuum lamination in the walls, roof and floor. Dense, block foam insulation is coated with a water-based urethane adhesive which becomes super bonded under the heat and high pressure of EverGreen's vacuum lamination process. The result is a stronger, yet lighter and more durable coach that's better insulated for all seasons.

TPO ROOFING

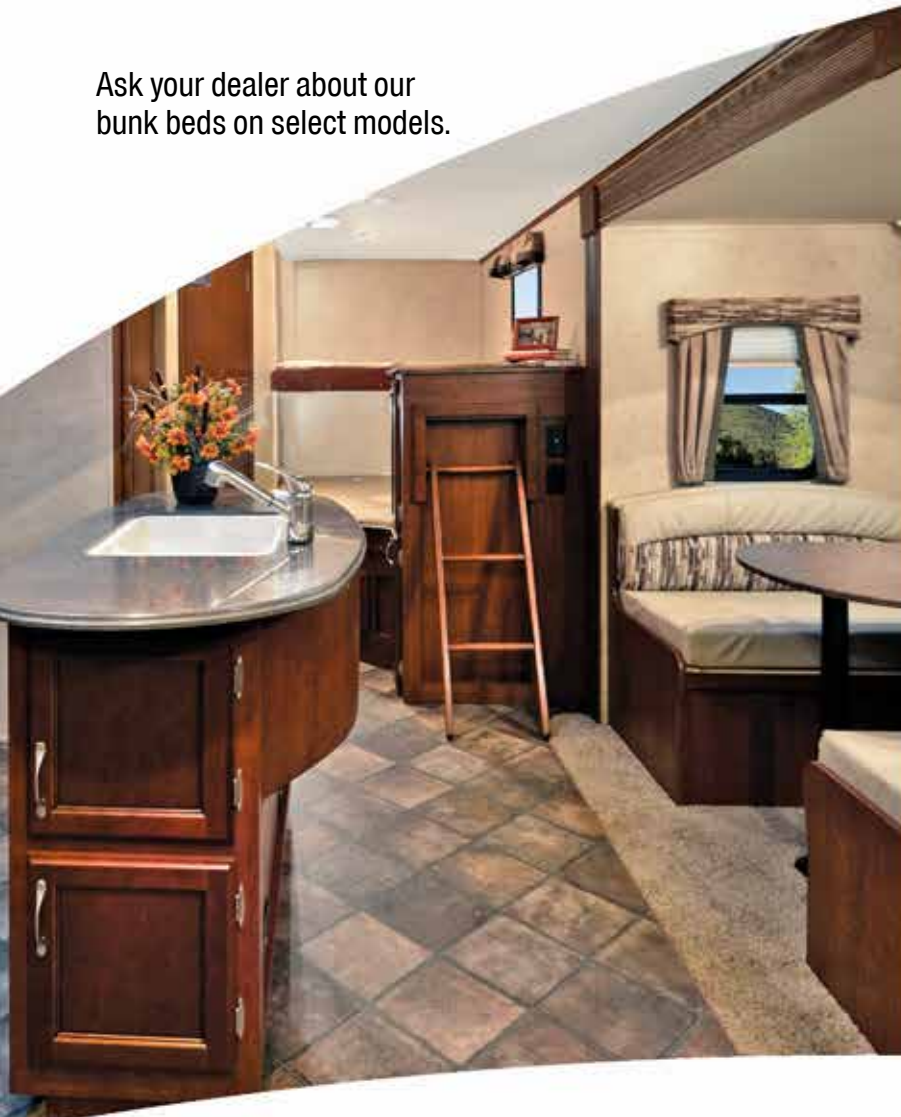

Bright white, mechanically applied, vacuum laminated TPO roof membrane is superior to rubber roof membranes that can bubble, loosen, mold, mildew or chalk. The TPO glue is spread evenly to create a surface that is cooler and won't mold or mildew. It also requires less maintenance than conventional roofs.

Sun Valley

by EVERGREEN

Your bathroom is complete with a full tub or neo/angled shower, foot-flush toilet, and large medicine cabinet with mirror, power exhausts fan, brushed nickel fixtures and a skylight over the shower/tub.

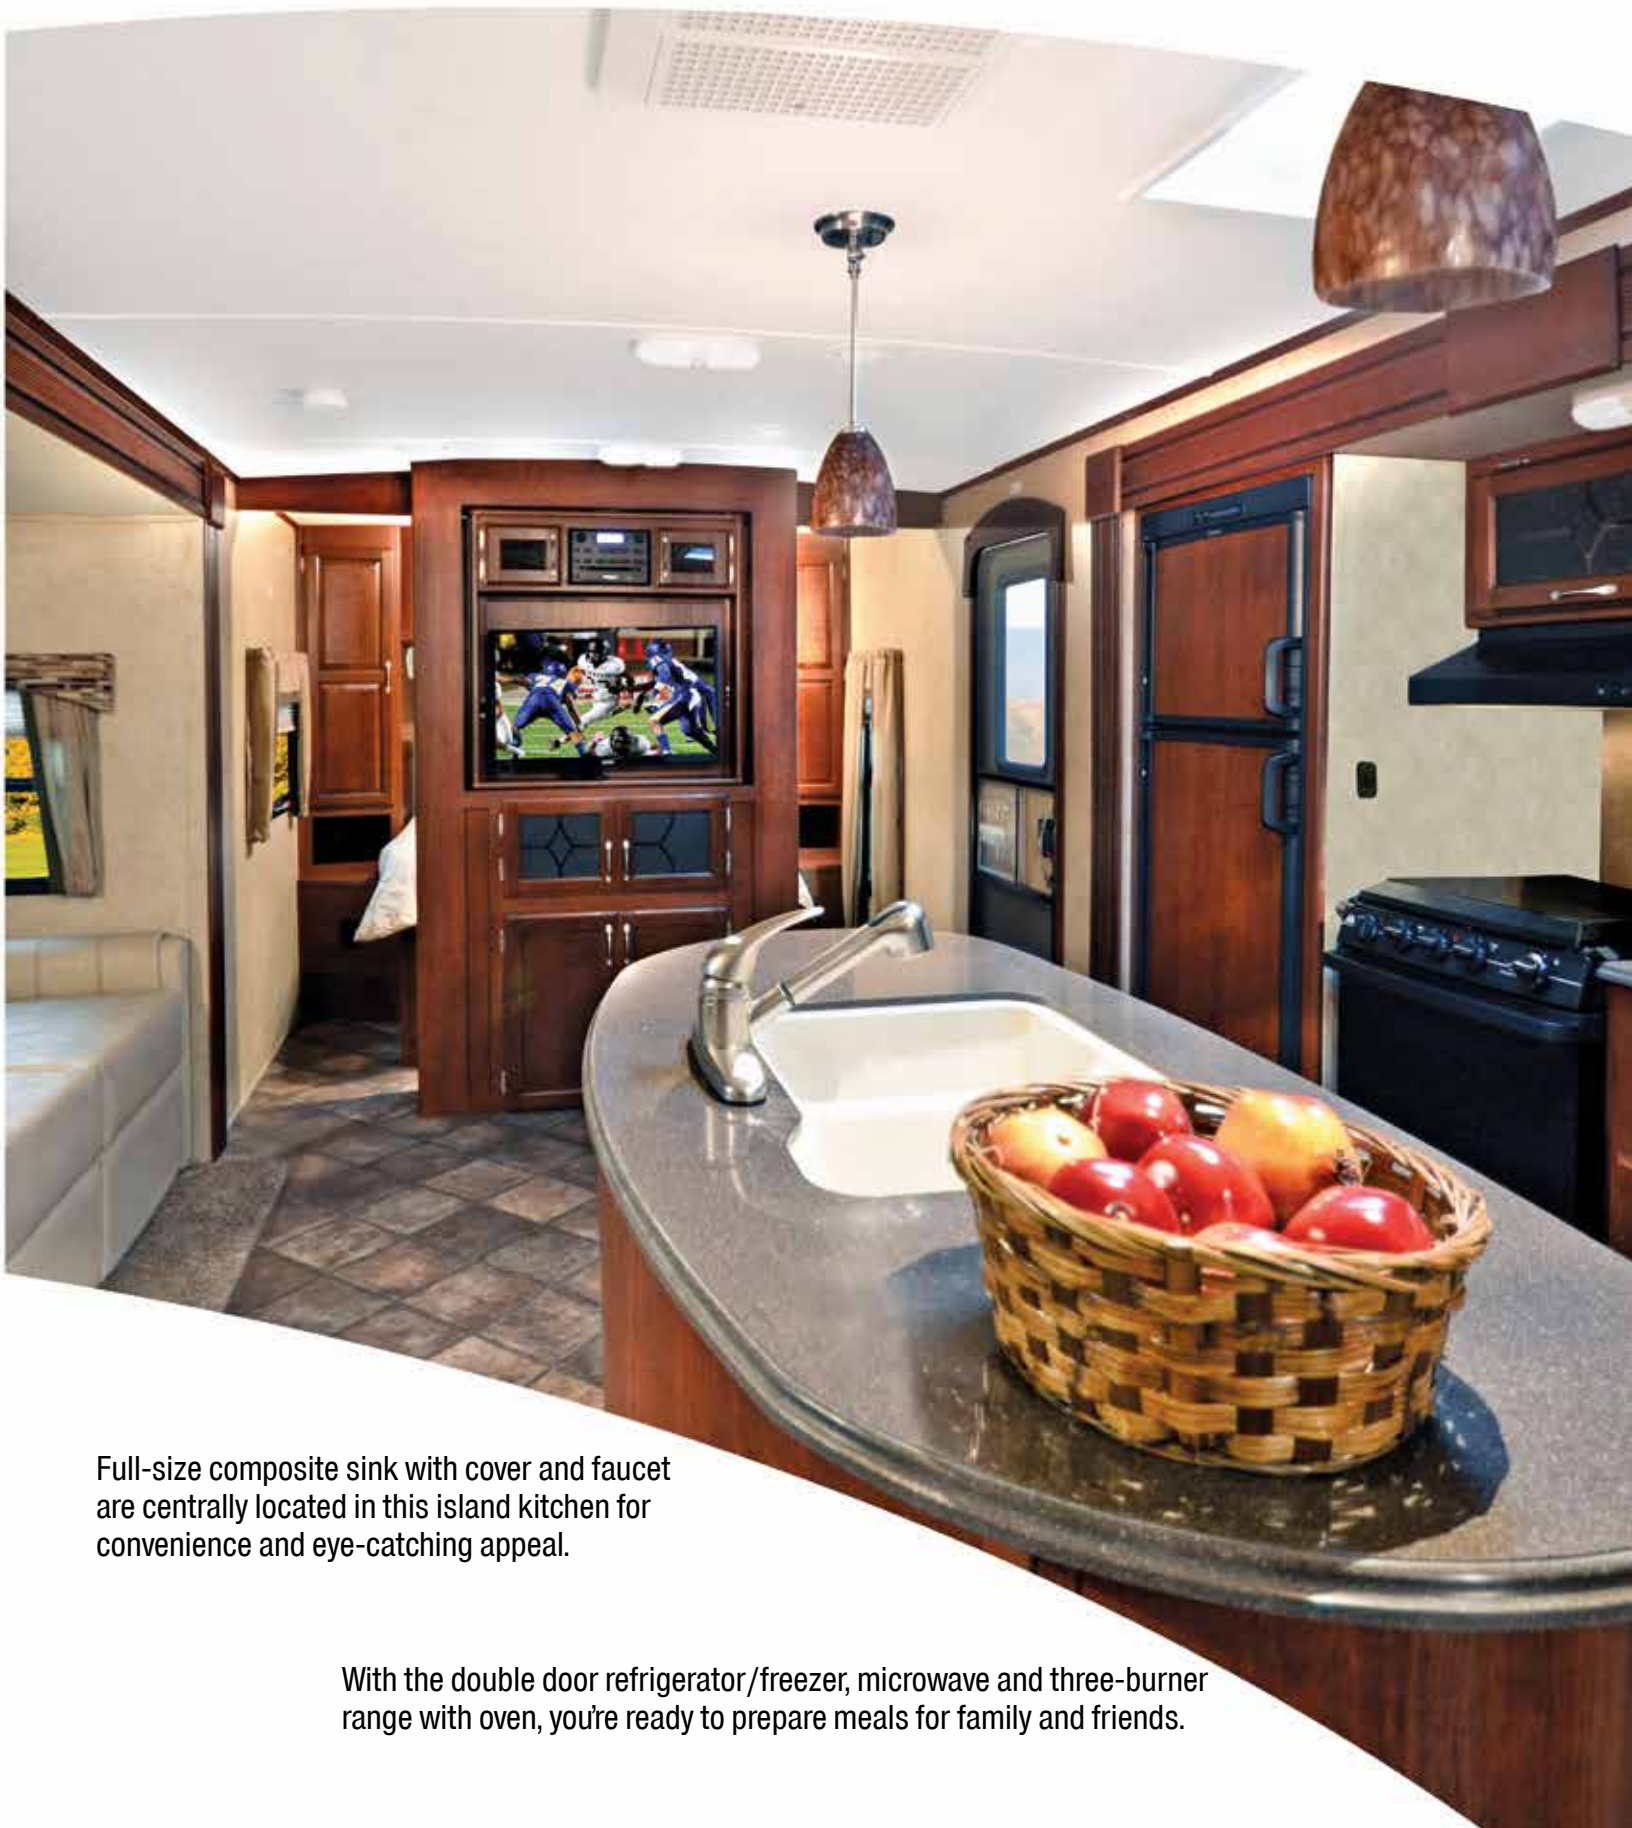

Ask your dealer about our bunk beds on select models.

PAMPER YOUR FAMILY WITH ALL THE COMFORTS OF HOME.

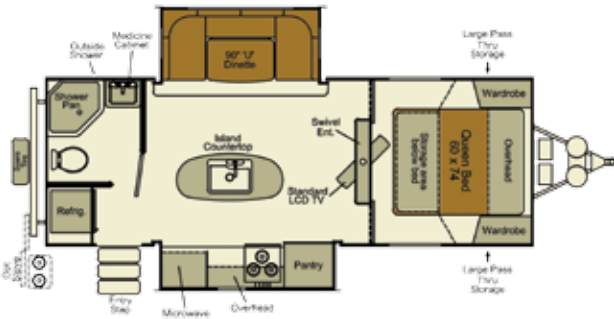

Nothing beats a welcoming, amenity-rich place to call home after a day of vacationing. That's Sun Valley. Its tastefully decorated, well-appointed interiors are designed to delight your family with all the comforts of home.

Entertainment center includes large flat-screen TV and ceiling speakers. AM/FM/DVD/CD with USB/SD port with interior/exterior speakers come with the Sun Valley Select Value Package.

Full-size composite sink with cover and faucet are centrally located in this island kitchen for convenience and eye-catching appeal.

With the double door refrigerator/freezer, microwave and three-burner range with oven, you're ready to prepare meals for family and friends.
