THOR
MOTOR COACH

Tuscany

THE UNDENIABLE LUXURY LEADER

TUSCANY

WELCOME TO THE GOOD LIFE

THOR MOTOR COACH IS THE #1 MANUFACTURER OF MOTORHOMES IN NORTH AMERICA. OUR AMERICAN MADE PRODUCTS OFFER A HIGHER LEVEL OF FUNCTION AND FEATURES. WITH THE STRENGTH OF THOR INDUSTRIES BEHIND US, WE ARE FINANCIALLY STRONG. BUILDING FROM MORE THAN 25 YEARS OF MANUFACTURING EXPERTISE, WE ARE COMMITTED TO OFFERING PRODUCTS THAT MEET AND EXCEED THE EXPECTATION OF TODAY'S CONSUMERS.

AT THOR MOTOR COACH WE CONTINUALLY CHALLENGE OUR ENGINEERING AND PRODUCT DEVELOPMENT TEAMS TO FIND THE "NEXT GREAT" THING IN MOTORHOMES. THIS CHALLENGE IS FOCUSED ON YOU, OUR CUSTOMERS. IT IS BECAUSE OF THIS FOCUS WE ARE DRIVEN TO CREATE GREAT PRODUCTS.

WHEN YOU STEP INTO A NEW THOR MOTOR COACH MOTORHOME, WE HOPE THAT IT IS ONLY THE BEGINNING OF WHAT WILL BE YOUR... GOOD LIFE!

COPPER FUSION

MYSTIQUE

RADIANCE

URBAN METAL

THE UNDENIEABLE FLAGSHIP

A FULL BODY PAINT

A striking exterior graphics design provides a jaw-dropping appearance. The paint process includes alternating layers of paint, with sanding in between, to provide a glass like exterior finish.

B FRAMELESS WINDOWS

Sleek, automotive-styled, frameless windows look great with an added twist of functionality. The windows are hinged to open outward for ventilation, even in rainy weather.

C WIDE ENTRY

An extra-large entry door provides easy entry, especially when carrying large items like groceries.

D LED ACCENT LIGHTING

A beautifully sculpted front cap is fully illuminated with LED accents, including the Tuscany nameplate and accompanying driving lights.

E WHISPER QUIET A/C

Specialized air conditioning system designed to provide maximum cooling. The multiple air returns help move air more efficiently, while the integration with the roof A/C's reduces interior fan noise.

F POWER PATIO AWNING

A legless, lateral arm awning is fully encased in a metal box protecting it during driving. When extended, the awning does not have legs intruding into the camp area and it has the ability to self-retract in windy situations.

G HEATED BASEMENT

The Aqua-Hot hydronic heating system has individual heat exchangers in the basement to keep it toasty and warm. An automatic thermostat kicks the heat on when the temperature outside dips too low.

H KEYLESS ENTRY

The front door and baggage compartments can be locked with just a push of a button on the remote key fob. The basement doors also have a secondary switch, to lock all the doors, from the interior of the coach.

MORE THAN SKIN DEEP

A HOUSE NEEDS A STRONG FOUNDATION AND THAT INCLUDES A HOME THAT ROLLS DOWN THE ROAD. WE HAVE PARTNERED WITH FREIGHTLINER CUSTOM CHASSIS AND MOR/RYPDE MANUFACTURING TO ENGINEER THE BEST FOUNDATION IN THE BUSINESS. FREIGHTLINER'S ADVANCED CHASSIS TECHNOLOGY PROVIDES A SAFE AND STABLE PLATFORM FOR

The finest products start with the best ingredients.

MANEUVERING THE COACH DOWN THE ROAD, WHILE MOR/RYPDE'S STEEL STRUCTURE ENSURES THE PERFECT INTEGRATION OF CHASSIS TO THE HOME.

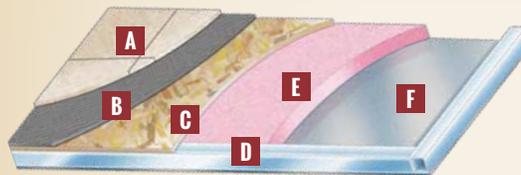

BACKED BY CUMMINS® POWER

Premium motorhome buyers don't settle for second best. That's why Cummins is the number-one choice for diesel power. The Tuscany's ISL diesel engine is mated to a 6-speed Allison MH-3000 automatic transmission, providing 450-HP and 1250 ft.lb. of torque. This combination delivers maximum performance, reliability and durability.

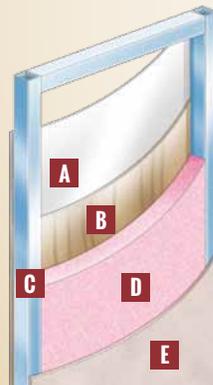

ROOF

- A** One-piece exterior fiberglass roof cap
- B** Lauan panels
- C** Aluminum structure with bowed framing
- D** Block foam insulation
- E** Interior panel with soft touch vinyl covering

FLOOR

- A** Porcelain Tile flooring
- B** 1/4" cement board underlayment
- C** OSB structurewood base
- D** Structural steel framing
- E** Block foam insulation
- F** Lauan with woven plastic exterior finish

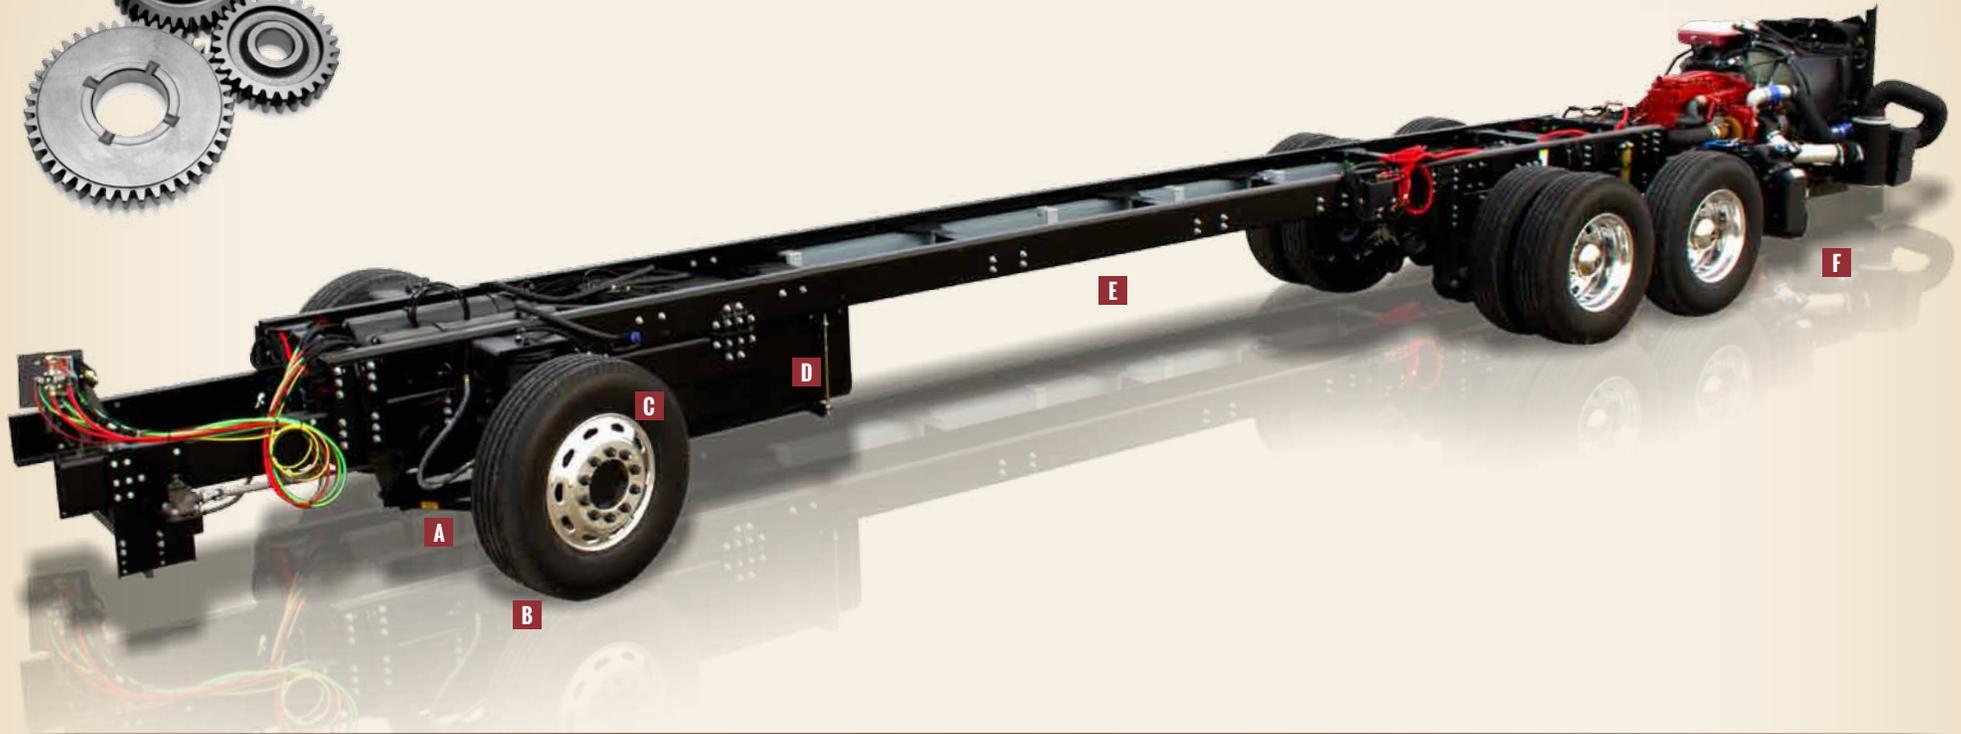

SIDEWALLS

- A** High-gloss or gel-coat fiberglass
- B** Lauan panels
- C** Aluminum structure and framing at all openings
- D** Block Foam insulation
- E** Interior panel with designer wall covering

All roof, wall and floor structures are vacuum bond laminated. This process ensures constant and consistent glue coverage over all layers of the structure. This time sensitive process is necessary to provide stronger and more secure motorhomes with increased longevity.

SUPERIOR STRENGTH

A IFS

The ZF Independent Front Suspension (IFS) provides a superior ride due to the ability of each wheel to address the road independently. The IFS system eliminates bump steer and brake dive normally found on solid I-beam front axles.

B 60° WHEEL CUT

The wheels turn to an amazing 60-degrees, the most in the motorhome business. This added ability allows for ease of access when maneuvering tight turns.

C 295 TIRES

The Michelin XZA2 tires provide exceptional handling and responsiveness through an optimized shoulder design. The tires are approved for all positions on the coach making tire rotation easier.

D 150 GALLON FUEL TANK

Trips can be extended with more time between fill-ups. The larger tank also provides more run time for the diesel generator when parked.

E STORAGE

Full pass through storage compartments with convenient slide-out trays provide massive storage space with easy access

F DEF

Almost all truck stops offer DEF in bulk at the pump, but only on the driver's side of the island. The Tuscan is thoughtfully designed to include the tank for this DEF on the driver's side of the coach.

44MT/CORINTH CREAM DÉCOR/GLAZED OLYMPIC CHERRY WOOD

IN THE LAP OF LUXURY

SOLID HARDWOOD CABINETRY,
PLUSH FURNITURE, RESIDENTIAL

A INFORMATION CENTER

All vital information about the chassis and engine is well within arm reach. Crucial information about the trip such as MPG, Trip distance, engine temperature and cruise speed are viewable in one place.

B SMART WHEEL

Driver controls for the cruise control and windshield wipers are located on the wheel.

C ADJUSTABLE PEDALS

The brake and accelerator pedals can be moved forward and backwards to accommodate any size driver.

D TOUCH SCREEN

The radio has a 7" screen with AM/FM/CD capability. Side and rear cameras will display on the monitor, while built-in GPS navigation will keep you on course.

NOW GET OUT AND ENJOY.
TUSCANYRV.COM

OUR SERVICE & WARRANTY PUTS YOU IN THE DRIVERS SEAT.

GOLD STAR INSPECTION

Every Thor Motor Coach must pass an extensive systems check, ensuring all of the major components are ready for the road ahead.

CONCIERGE CONNECTION

New owners receive a personalized contact right from the factory to answer questions about their new motorhome purchase.

24/7 SUPPORT

Day or night, highly trained Thor Motor Coach technicians can diagnosis and offer solutions to operational & service needs, providing owners with peace of mind.

RAPID RESPONSE

It is Thor Motor Coach's commitment to have essential parts stocked for quick shipment to get units back on the road.

ONE SOURCE WARRANTY

Consumers and dealers have the strength of Thor Motor Coach to help facilitate warranty service.

IMPORTANT-PLEASE READ: Information published within this brochure reflects product design, fabrication, material, components and specifications at the date of printing. If your vehicle was manufactured before this brochure was published this information may not be accurate because vehicles assembled before the brochure was published may not have the same design, fabrication, materials, components and specification as represented in the brochure. If your vehicle was manufactured after this sales brochure was published the representations may not be accurate because, for product improvement reasons, we reserve the unilateral right, at any time, without prior notice, to make changes in product design, material, components and specifications. The date the brochure was published (i.e. "Julian date") is set forth on the last page of the brochure. **IF CERTAIN INFORMATION PUBLISHED WITHIN THIS BROCHURE IS SIGNIFICANT TO YOUR PURCHASING DECISION, PLEASE CONSULT WITH YOUR SELLING DEALERSHIP TO CONFIRM THAT THE INFORMATION IS ACCURATE WITH RESPECT TO THE VEHICLE YOU ARE CONSIDERING PURCHASING.** Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. We reserve the right to make changes in prices and models and to discontinue models without notice or obligation. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle's designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Components, appliances and features may differ to conform to local codes. Due to EPA environmental restrictions, engine power and torque ratings may change during any model year. The Thor Motor Coach logo and its design are registered trademarks. Other products and company names are trademarks and/or registered trademarks of their respective manufacturer. While the color of the motorhome's exterior and the interior fabrics depicted in this brochure are fair and reasonable depictions, the colors depicted may not be exact match of the actual colors because of variances in photo processing and printing. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue. To learn specific details regarding warranty coverage please consult your selling dealership or review the warranty packet inside the vehicle.
