

WHITE HAWK ULTRA LITE

THE LIGHTWEIGHT ALL-STAR

WHITE HAWK

Jayco[®]

Generations of family fun.

BUILT FOR THE *ultimate*

1 TWICE THE EXPANDABLE LIVING SPACE

The 2014 White Hawk will broaden your horizons. Thanks to select model 36" deep slideouts, White Hawk boasts twice the expandable living space of standard lightweights. Go wide already.

OUTDOOR STORAGE

experience convenience

WALL-TO-WALL FEATURES

Outside, White Hawk has it all thanks to the select model Indoors-Out kitchen,* complete with refrigerator, microwave and two-burner stove. Need a quick snack? The Chil N' Stor outdoor storage* has you covered with a standard 1.7 cu. ft. exterior refrigerator.

*Available on the Summit Edition

CAMPING EXPERIENCE

2

experience craftsmanship

Say hello to the industry's strongest roof, the Magnum Truss Roof System. In a side-by-side comparison test, our exclusive roof system withstood 4,500 pounds — 50 percent more than other roofs. See page 8 to learn more about the top-quality materials used in the White Hawk roof.

Arched interior rafters for *82 inches of ceiling height* at the center*

Superior craftsmanship starts at the top at Jayco

We've built a reputation for superior construction and quality craftsmanship.

We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to one of our latest construction advancements, the exclusive Magnum Truss Roof System. Fifty percent stronger than other roofs in the industry, this Jayco roof is built to weather Mother Nature.

OUR ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses: Uses 2"x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam: More durable than typical stapled construction, provides a fully walkable roof
- 3 Residential attic-style insulation: Helps maintain interior temperatures
- 4 One-piece, sidewall-wrapped Alpha Ply material: Provides leak protection

TO LEARN MORE ABOUT OUR MAGNUM TRUSS ROOF SYSTEM, SCAN HERE WITH YOUR SMARTPHONE.

JAYCO'S ROOF

OTHER ROOFS

SCREWED CONSTRUCTION VS. STAPLED

OVERSIZED NAIL PLATES VS. SMALLER PLATES

2" X 2" VERTICAL WOOD STUDS VS. 1" ALUMINUM

7" HEADER BEAM VS. 2" X 6" LUMBER

4,500 LBS. ON A JAYCO ROOF VS. OTHER ROOFS

WALL CONSTRUCTION

- 5 Vacuum-bonded layers: Involves 15-18 minutes of 144 tons of pressure to ensure a strong bond
- 6 Welded aluminum frames with metal backers: Lighter than wood, increases towability
- 7 Bead-foam insulation: Maintains interior temperatures
- 8 Extra-wide corner seals: Prevents leaks on the corner molds, baggage/entrance doors and window seals
- 9 Innovative, aerodynamic front profile: Eliminates angled profile, increasing towability

FLOOR CONSTRUCTION

- 10 Vacuum-bonded layers: Backed by computer monitoring and constant quality control checks, Jayco prides itself on building a solid foundation
- 11 Bead-foam insulation: Maintains interior temperatures
- 12 I-Class structural I-beam frame: One-piece design, provides more durability than a welded three-piece frame
- 13 Innovative A-frame: Fully integrated, and not welded, prevents buckling

WHITE HAWK

STANDARD EXTERIOR EQUIPMENT

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart left.

2-YEAR WARRANTY*

Peace of mind comes standard

Nobody offers a better warranty than Jayco. With our exclusive limited 2-year Co-Pilot Warranty, the only strings we attach are those that deliver the ultimate in reliability. At Jayco, your peace of mind is our priority, and that's the Jayco difference.

*For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer or visit Jayco.com.

300 JAYCO DEALERS

A four-decade strong network

From the sales experience to service after the sale, we consider our dealers to be an important part of the Jayco family. Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you consider them a part of your camping family.

RV Technical & Roadside Assistance

Generations of family fun.

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, Jayco has helped generation after generation create family stories — good, old-fashioned family fun built around campfires with a Jayco RV nearby. At Jayco, we strive to build family-friendly products that will outlast just about everything but your memories. We'd love nothing more than to be a part of your family story. Join us in our generations of family fun.
