Jayco®

Generations of family fun.

JAY FLIGHT 28BHBE | SANDALWOOD

JAY FLIGHT 32RLDS | PLATINUM

1

FLEXIBLE FOR FAMILIES

Making the most of space, select model dinettes feature a removable ottoman and roomy storage below, making this U-dinette a family must.

AMERICA'S BEST-SELLING TRAVEL TRAILER!

ON EVERY FAMILY'S WISHLIST

Spacious slideouts. Check. Well-planned living areas. Check. Residential-style amenities. Check. The **2014 JAY FLIGHT** travel trailer continues to be America's #1 selling travel trailer for eight years in a row. With an endless list of high-end features, Jay Flight exceeds your family's every wish.

JAY FLIGHT 28BHBE | SANDALWOOD

2 8 CU. FT. FRIDGE

Pack a few gallons of milk. With an 8 cu. ft. double-door refrigerator, Jay Flight boasts more space than a typical 6 cu. ft. fridge.

3 AMPLE STORAGE

There's no shortage of durable storage thanks to Amish-crafted cabinetry, complete with full-extension, 75-lb. rated ball bearing drawer guides.

4 DENVER MATTRESS

The secret to a good night's sleep? Your RV. With Jay Flight's standard pillowtop Denver Mattress, you can tell those numbered sheep to give it a rest, too.

JAY FLIGHT 28BHBE | SANDALWOOD

5 BUNK ROOMS

Jay Flight sleeps up to 12 thanks to multiple sleeping arrangements, featuring a variety of kid-friendly bunk room floorplans.

Superior craftsmanship starts at the top at Jayco.

We've built a reputation for superior construction and quality craftsmanship.

We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to one of our latest construction advancements, the exclusive Magnum Truss Roof System. Fifty percent stronger than other roofs in the industry, this Jayco roof is built to weather Mother Nature.

OUR ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses: Uses 2"x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam: More durable than typical stapled construction, provides a fully walkable roof
- 3 Residential attic-style insulation: Helps maintain interior temperatures
- 4 One-piece, sidewall-wrapped Alpha Ply material: Provides leak protection

TO LEARN MORE ABOUT OUR THE
MAGNUM TRUSS ROOF SYSTEM, SCAN
HERE WITH YOUR SMARTPHONE.

JAYCO'S ROOF

OTHER ROOFS

SCREWED CONSTRUCTION VS. STAPLED

OVERSIZED NAIL PLATES VS. SMALLER PLATES

2" X 2" VERTICAL WOOD STUDS VS. 1" ALUMINUM

7" HEADER BEAM VS. 2" X 6" LUMBER

4,500 LBS. ON A JAYCO ROOF VS. OTHER ROOFS

WALL CONSTRUCTION

- 5 2" x 2" wooden studs: Creates Jay Flight's long-lasting framework
- 6 Hand-tucked and glued fiberglass insulation (R-7): Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
- 7 Extra-wide corner seals: Prevents leaks on the corner molds, baggage/entrance doors, window seals

FLOOR CONSTRUCTION

- 8 5/8" tongue-and-groove plywood deck on 2" x 3" wooden floor joists: Moisture resistant, plywood holds up to the elements
- 9 Fiberglass insulation (R-7): Maintains interior temperatures
- 10 Full-width outriggers: Supports wall weight with no more than 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

FEATURES

- 11 Galvanized-steel wheel wells: Reduces heat loss through floor; prevents floor damage in case of a blown tire
- 12 WaterWorks system: Boasts 75-plus gallons of fresh water
- 13 Innovative, aerodynamic front profile: Eliminates angled profile, increasing towability

STANDARDS AND OPTIONS

UTILITY LIGHTING SYSTEM

Every family needs a night light. Jay Flight provides light in all the right areas thanks to the standard utility lighting system, complete with entrance step light, baggage compartment light, hitch light and dump station light.

LED AWNING LIGHT

Jay Flight also features a new LED light strip on its optional electric awning to complete this patio package.

HIDE-A-BED

Your guests will rest well on a standard hide-a-bed sofa, complete with tri-fold Denver Mattress.

COMMAND CENTER

The command center hides all of your controls behind a convenient message board with 12V cell phone charger outlet.

BENCH STORAGE

Jay Flight is packed with innovative ways to maximize space, like the 28BHB's versatile storage bench.

BLACK TANK FLUSH

You'll love Jay Flight's standard black tank flush, especially since our WaterWorks system comes with 75-plus gallons of fresh water.

STANDARD EXTERIOR EQUIPMENT

- I-Class cambered structural-steel I-beam frame with fully integrated A-frame
- Magnum Truss Roof System with one-piece seamless Alpha Ply 5/8" tongue-and-groove plywood floor decking

The weights of certain options and/or option packages are not included in the UVW listed above.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart above.

2-YEAR WARRANTY

Peace of mind

Generations of family fun.

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, Jayco has helped generation after generation create family stories — good, old-fashioned family fun built around campfires with a Jayco RV nearby. At Jayco, we strive to build family-friendly products that will outlast just about everything but your memories. We'd love nothing more than to be a part of your family story. Join us in our generations of family fun.
