His-and-her closet, 10 deep drawers and a 26" LED TV

JRIDE

RIDE AND HANDLING. DEFINED.

At Jayco, we believe the journey is just as important as the destination, which is why we're introducing an industry-first Ride and Handling package — the all-new Jayco exclusive JRide. Packed with ride-enhancing upgrades, the JRide is the most advanced ride on the market. Get ready for a drive that'll move you. JAYCO.COM/JRIDE

STABILIZER BARS

- 1 Precept's dual stabilizer bars raise and lower each side of the unit to similar heights, reducing roll when cornering. Most Class As just have one bar.

BILSTEIN SHOCKS

- 2 Bilstein shock absorbers, standard on Ford's F53 chassis, reduce bouncing and eliminate excessive sway. A unique monotube design doesn't trap heat, reducing shock failure.

JOUNCE BUMPERS

- 3 Variable-rate jounce bumpers, positioned under the frame, compliment the Bilstein shock absorbers and dual stabilizer bars, completing Precept's smooth ride.

Superior construction meets a superior ride.

* See warranty policy for details

WALL CONSTRUCTION

- 4 Vacuum bonded: Features laminated layers of high-gloss fiberglass, luan, aluminum framing, R-7 bead-foam insulation, vinyl paneling
- 5 Fiberglass front and rear cap: Boasts an industry-best 30-month warranty (repair or replacement of any defective cap 30 months after manufacture date)*
- 6 Frameless windows: An industry-first standard on Class A gas motorhomes

FLOOR CONSTRUCTION

- 7 Vacuum bonded: Features laminated layers of Darco underbelly, welded aluminum frame, R-9 bead-foam insulation, 5/8" Structurwood
- 8 Welded aluminum frame: Lighter and more corrosion-resistant than competing steel frames, provides more cargo capacity

ROOF CONSTRUCTION

- 9 Vacuum-bonded layers: Features layers of fiberglass, 5" arched aluminum trusses, 1/4" plywood decking, R-24 bead-foam insulation, vinyl soft-touch pad
- 10 Seamless fiberglass shield: Is superior to competing synthetic rubber roofs that require after-market kits to revitalize faded rubber

* Estimate. Visit your Jayco dealer or www.jayco.com for official specs.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV

before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart above.

2-YEAR WARRANTY

Peace of mind comes standard.

Nobody offers a better warranty than Jayco. With our exclusive 2-year Co-Pilot Warranty, the only strings we attach are those that deliver the ultimate in reliability. At Jayco, your peace of mind is our priority, and that's the Jayco difference.

*For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer or visit Jayco.com.

300 JAYCO DEALERS

A four-decade strong network.

From the sales experience to service after the sale, we consider our dealers to be an important part of the Jayco family. Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you consider them a part of your camping family.

RV Technical & Roadside Assistance

Generations of family fun.

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, Jayco has helped generation after generation create family stories — good, old-fashioned family fun built around campfires with a Jayco RV nearby. At Jayco, we strive to build family-friendly products that will outlast just about everything but your memories. We'd love nothing more than to be a part of your family story. Join us in our generations of family fun.
