**TRAVEL TRAILERS AND FIFTH WHEELS**

**27VCDBH** *The 27VCDBH is the ultimate family coach featuring a large U-shaped dinette that's perfect for sharing great meals and good times! This model also offers a bunk area with four oversized bunks for abundant sleeping space.*

## LET THE SUNSHINE IN!

Every V-Cross is designed with broad, oversized windows for natural lighting and plenty of fresh air.

**27VCDBH** The full bathroom in this model is conveniently designed for direct access from outside.

**28VRBK** After a fun night of entertaining, this power bunk option transforms the slide room into a bunk room that sleeps at least four people. It's a great choice for campers who want the luxury and space of a large living room, with the flexibility to accommodate guests.

**28VRBK** This spacious bathroom with a large neo-angle shower and pedal flush toilet is designed with plenty of cabinets to store linens and toiletries.

**30VCBHS** The kitchen and living areas in the 30VCBHS have amazing living space and storage. The innovative V-Cross dinette offers optional 40" drawers under the seats and corner cushion backs to create the most comfortable and functional dinette available!

**30VCBHS** This rear bedroom luxury master suite features a walk-around bed, plus plenty of overhead storage and hanging closets.

**30VCBHS** This three bed bunkroom also offers comfortable fold-out cube sofas for a perfect kid-friendly hang out and sleeping area.

**GET THE V-DESIGN ADVANTAGE**

The unique V-Cross front end allows more headroom and huge front windows for great views with lots of natural light. The V-Design front end cuts through the air with greater stability when towing with better fuel economy than a conventional flat front trailer.

## GET THE V-CROSS ADVANTAGE

### V-CROSS DESIGN VS. FLAT FRONT TRAILERS

V-Cross design directs air flow around the sides of the trailer. Air impacts and scatters around and above flat front trailers.

FRONT

Flat Front

The unique V-Cross design maximizes headroom and storage room.

ABOVE

Flat Front

### MORE USABLE SPACE - BETTER AERODYNAMICS

The V-Cross shape creates 75 cu. ft. of extra interior space for larger bathrooms, bedrooms and kitchens with full interior height at the front end of the trailer. The "V" design cuts through wind, improving aerodynamics for better fuel efficiency. LP bottles and batteries are safely enclosed. Air flow around the front end deflects bugs and debris, keeping the unit clean and improves towability.

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
