R-38 Rating In Ceiling And Floors

Our products are designed with the latest insulation products and engineered to withstand extreme environments. Insulation and reflective foil is added above the protective water barriers on the bottom of each unit. We also add vented areas in the ducting to heat each units underbelly.

Heavy Duty Aluminum Framing

We use heavier tubing than most of our competition. Our vacuum bonded, two inch side walls are insulated with solid block foam.

Double Insulated Ceiling With Relective Foil Standard

This Is A Space Age Insulation System. Our System Has A Calculated R Value Of 38 At 80 Degrees Fahrenheit And Can Double Your Heating And Cooling Efficiencies

Wildcat Maxx

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

24/7 EMERGENCY ROADSIDE ASSISTANCE

Coach-Net®

For a worry-free ownership experience

Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.
