59G Urban with Aosta Cherry Cabinetry

## SAY HELLO TO VALUE

Introducing the Travato™, the newest Class B motorhome to join the Winnebago Touring Coach™ lineup. At 20 feet long, the Travato is unbelievably agile, while still offering a full-feature RV experience that is perfect for the adventurous explorer. The 59G, featuring the Ram ProMaster chassis, will excite value-conscious enthusiasts with its amazing fuel efficiency. With swivel cab seats, LED ceiling lights, standard touch screen navigation, a split dinette, and an abundance of features, the Travato delivers a whole lot of fun for less. Welcome to a new level of Class B value, style, and living.

**Recognized Quality** The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for seventeen consecutive years: Winnebago Industries®

### Best in Class

See how Winnebago Industries takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Adjust your preferred light and privacy settings with the smooth-operating **MCD Blackout Roller Shades**.

The large bed folds up to provide abundant storage space for all of your gear while traveling. The rear doors swing open 260 degrees for easy access.

The bench seat and dining table easily convert into a comfortable bed, providing additional sleeping space for overnight guests.

59G Urban with Aosta Cherry Cabinetry

The cab seats swivel, offering additional seating in the lounge area to visit, eat, and relax. The Ultraleather™ bench seat makes entertaining even more comfortable. Enjoy movie nights in front of the 22" swivel HDTV and coach stereo system with AM/FM radio, CD/DVD player, remote, and Bluetooth.™ With LED ceiling lighting, MCD blackout roller shades, and a 13,500 BTU high-efficiency air conditioner with 1,800-watt heat strip, you can control your indoor environment to suit your personal preferences.

Ultraleather Bench Seat

Yes, you can cook in the Travato! Thanks to our SmartSpace™ design philosophy, the galley ensures you have the space you desire and the necessary amenities to prepare meals. Some of these amenities include a faucet that folds down beneath a flip-up glass cover, an energy-efficient microwave, a refrigerator with a removable freezer unit, and plenty of storage. A durable laminate countertop serves as your preparation space with your choice of two cabinet wood options to give your galley a polished look.

Dash

The unbelievable agility of the Travato makes it fun to drive. The fully-adjustable captain seats make for a comfortable ride, while the powered mirrors with defrost and turn signals make it safer and easier to switch lanes. The handsome dash appliqué houses the 5" LCD color touch screen Radio/GPS Navigation/Rearview Monitor System which includes SiriusXM™ (12-month subscription included), Bluetooth connectivity, and USB ports.

Rear Double Doors

The Travato makes it easy to enjoy your outdoor living, whether it's daytime or nighttime, with the powered patio awning with LED lights. The rear double doors open up to 260 degrees for full access to rear coach storage. An available screen package offers a sliding side door screen. Some of the many unique features of this coach are the hookups located just inside the right rear door; LP connection for your gas grill, electric outlet, porch light, and a wash station with a water pump switch— perfect for tailgating!

### WARRANTY<sup>5</sup>

**12-month/15,000-mile basic warranty<sup>6</sup>**

<sup>1</sup> The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

<sup>2</sup> Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

<sup>3</sup> Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

<sup>4</sup> Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

<sup>5</sup> See separate chassis warranty.

<sup>6</sup> See your dealer for complete warranty information.

Winnebago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

## JOIN THE CLUB, JOIN THE FUN.

As a Winnebago Industries motorhome owner, you are invited to join the WIT Club. It's a great way to take full advantage of your new coach and meet fun-loving WIT Club members from across the country who make motorhome adventures a way of life.
