Allegro®

TIFFIN MOTORHOMES

AMERICA'S FAVORITE MOTOR HOME BUILDER

MADE TO MOVE YOU.

ALLEGRO 2014

Meet the model that launched an award-winning motor home company.

NOW IN ITS 42ND YEAR OF PRODUCTION, the 2014 Allegro from Tiffin Motorhomes continues its impressive legacy as a gateway to the open road, transitioning first-time owners and move-up buyers into avid RVers. Affordably priced and packed with Tiffin innovations, this coach delivers what you want in a motor home at an incredible value. Year after year, our engineers raise the bar for comfort and luxury, and the 2014 model is no exception. Structured on a stronger foundation, capable of carrying heavy loads, and backed by Tiffin's legendary support, the Allegro is a relaxed ride for worry-free travel. And with six floor plans, six paint schemes, and an array of interior options, it's also as customizable as your itinerary.

COCKPIT

Engineering that makes all the right moves.

The perfect combination of strength and mobility, the 2014 Allegro rides on a larger Ford 22K chassis (with a 24K on models 34' and up), making it more substantial than similar-sized competitors. This solid foundation delivers a balanced, quiet ride and responsive steering. Tow a heavier load in confidence with the powerhouse TorqShift 5-speed automatic transmission, which capably adjusts engine performance on the fly. From the chrome side-view mirrors to the one-piece automotive-style windshield, you'll enjoy a panoramic view every inch of the way.

COMMAND

An "everything at your fingertips" dash keeps controls at hand, while an adjustable steering wheel offers a masterful sense of command, ensuring an unhindered view of the road. Settle in for the ride in the optional power chairs for driver and co-pilot, both steel-bolted directly to the chassis for maximum safety. An optional driver side door with a power window lets you enjoy the ever-changing breezes throughout your journey.

PERFORMANCE

The Allegro posts impressive numbers: 6.8-liter engine, 10 cylinder, 362 horsepower, and 457 lb of torque. Or quite simply... oomph. Tow up to 5,000 lb on a 7-pin towing connection without sacrificing the power to climb hills. With up to 203 cubic feet of lockable under-coach storage, you'll have space to bring along everything you need for any jaunt, journey, or pilgrimage. Nothing holds you back on the Allegro.

NAVIGATION

Whether navigating stop-and-go traffic or a winding mountain road, the 2014 Allegro supports a driver's confidence by providing optimal visibility. A high-definition monitor streams road views from all angles, employing cameras at the rear of the coach, as well as integrated in the chrome side mirrors. Supplementing those views is an optional in-dash navigation system, ensuring you always know where you are and where you are going.

FLOOR PLANS

Spacious and tailor-made to suit.

Floor plans in the 2014 Allegro allow you the flexibility to expand lodging capacity by adding compact bunk beds or a plush chaise sofa bed. No matter which options you choose, you'll have room for all your things thanks to Tiffin's Store-It-All™ Assurance. To completely customize your coach, personalize interiors with your choice of fabrics and finishes, each with matching window valences, solid wood cabinet fascias, and standard solid surface countertops.

TIFFIN INNOVATION: EXTRAORDINAIRE™ AC SYSTEM

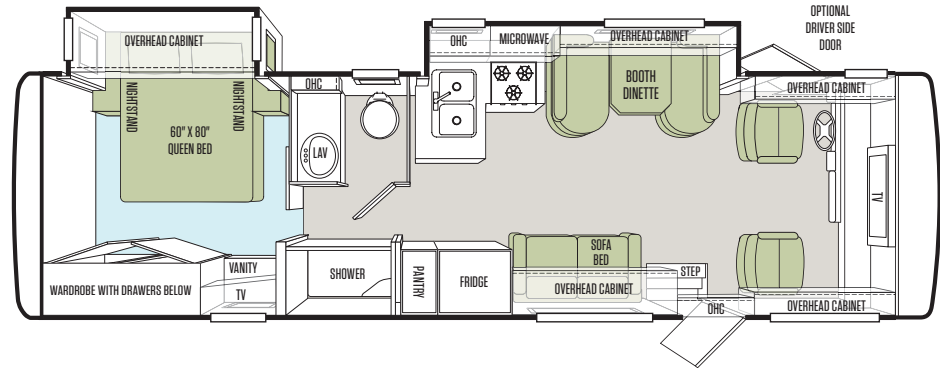

The interior ambiance in your Tiffin coach is enhanced by a state-of-the-art heating and cooling method, developed by Tiffin engineers for exclusive use in our luxury coaches. Modeled on residential-style systems, it uses adjustable registers and return vents placed the length of the ceiling to keep the airflow moving in a circular pattern to maintain your desired interior temperature. Whisper quiet and incredibly efficient, it easily lives up to its name — Extraordinaire.

LIVING AREAS

Go in style, wherever the road may take you.

Fusing functionality and fun, the living quarters of the 2014 Allegro are roomy and relaxed. As every floor plan features Tiffin's Store-It-All™ Assurance, you'll find an army of handcrafted cabinets, drawers, and closets on duty to keep belongings neatly and safely stored. This helps keep the coach clutter-free, ensuring plentiful space to relax, entertain, or spend family time enjoying the home theater surround sound system. Power your appliances, including up to three HD flat-screen TVs, on the Allegro's 50 Amp service and standard 5.5 kw Onan® generator with optional 7.0 kw upgrade.

COMFORT

With 7' ceilings and floor plans up to 36', the living quarters of your 2014 Allegro offer plenty of elbow room for all aboard. A booth dinette with picture window on the passenger side, typically the direction in campgrounds with the best view, comes standard, creating a scenic nook for morning coffee. At day's end, an optional fireplace in the midsection makes a cozy centerpiece for after-dinner conversation. For extra seating, driver and passenger chairs pivot around to join the living area.

CHARM

Adorned with distinctively Tiffin touches, the interiors of the 2014 Allegro are as attractive as they are comfortable. Complement your personal décor with a choice of premium fabric suites, Autumn, Sunset, or Camomile, all exclusive to Tiffin. To create a tranquil ambiance any time of the day, adjust solar and privacy shades, standard in every window. Brighten the atmosphere with energy-efficient LED lighting, another standard throughout the coach.

KITCHEN

Country, coast, or campground, leave no recipe behind.

As our most road-tested model, the Allegro has benefitted from years of smart refinements from experts who know this coach well: our owners. To this mix, we add the ongoing ingenuity of Tiffin engineers, and the results speak for themselves. This is a kitchen ready for whatever you can dish out, from tailgating fare and family favorites to cookouts and holiday meals. Among the many handy features at your service: a recessed three-burner cooktop, optional convection microwave, spacious solid surface countertops, and an insulated double bowl stainless steel sink.

KITCHEN HELPERS

With an optional residential refrigerator, you'll spend less time refining on-the-road menus and more time enjoying them. Savor mealtime from the comforts of your contemporary dining booth with adjustable table and seating. A double bowl sink makes preparation and clean up easy. Spills are barely a bother with stain-resistant tile and an optional central vacuum cleaner system.

CULINARY COMFORTS

Storage is plentiful in your Allegro kitchen, and kitchen goods stay safely tucked away en route, thanks to astutely designed compartments. A multitude of handcrafted hardwood cabinets, with extra-deep adjustable shelves, and easy-slide drawers keep items organized and easily accessible. Pots and pans remain silent in carpeted storage under the sink while the coach is in motion.

TIFFIN STORE-IT-ALL™ ASSURANCE

Rest assured, this Tiffin coach will surpass a competitor's model of equivalent size in the quantity and quality of storage.

BEDROOM / BATH

Even in uncharted territory, you'll always have safe harbor.

At day's end, the 2014 Allegro transforms into your private sanctuary, offering the reassuring comforts of home in its spacious master bedroom. Pull the privacy shades and settle into the standard innerspring queen-sized mattress. Tiffin's Extraordinaire™ AC System evenly distributes air to properly heat and cool your bedroom, even when interior doors are closed. After an active day, shower under a moonlit skylight in a one-piece fiberglass shower, or enjoy a leisurely soak in the optional tub.

SLEEPING ACCOMMODATIONS

Depending on floor plan selection, the Allegro can sleep up to six. The queen mattress in the bedroom suite offers restful respite for two adults, as does a pullout sleeper sofa or optional chaise lounge. Kids of all ages will enjoy the optional private bunk bed compartment with optional drop down DVD monitors. When not in use, the top bunk can serve as extra closet space.

RESTFUL ENVIRONMENT

Customize your journey right up until bedtime. If you've achieved the perfect climate, chainless shades shut out the elements and grant privacy. Or if the conditions are right, windows housed in the slide-out can draw in those summer breezes that help lull you to sleep. Just like the rest of the 2014 Allegro, there's a spot for everything in the bedroom – bedside tables, bookracks, more hand-crafted cabinets, and extra storage above and under the bed.

ONBOARD CONVENIENCES

The Allegro ensures your vacation will be stress-free before the first rev of the engine. An optional washer and dryer combination make tidy work of laundry concerns. Add an optional central vacuum cleaning system to effortlessly sweep away crumbs and pet hair. Fabrics are treated with Scotchgard® to be stain-resistant and keep your décor looking its best.

We build our coaches to the highest standards: Yours.

Tiffin Motorhomes never set out to become the largest Class A manufacturer in the country. Our goal was to build the kind of motor home that we — a family who loves the RV lifestyle — would want to own, a coach with advanced engineering, the most durable parts, the finest materials. A motor home that makes each and every road trip feel like a vacation — relaxed and fun.

From the start, we consulted the experts, the people who put motor homes to the test — our kindred spirits, fellow RV owners. Today, more than four decades later, this ongoing collaboration is at the heart of our success.

Listening to what our customers want is the reason Tiffin leads the industry in innovations. Offers more floor plans than anyone else. More storage. The industry's best warranty. It's why RV dealers consistently give us their highest rankings for quality, design, reliability, and value. It's why, among more than 50 Class A models on the market, our coaches are consistently among the top sellers. And it's why we've earned the highest owner loyalty rating in the industry.

Any motor home can get you from here to there. The feeling you get as you enjoy every carefree mile in between is why you buy a Tiffin.

MADE TO MOVE YOU.
