AF-34RS

The Spice décor accents the warm cabinetry creating a beautiful interior. This space-saving design features an island kitchen offering a convenient work space and extra storage. The king size bed is optional.

Residential 30" x 60" fiberglass shower with dual seating.

AF-39FL

This elegant front living room is shown in Spice décor and features a 12 cubic foot refrigerator, beautiful raised panel cabinetry, and standard Shaw® residential carpet.

Enjoy the wall-mounted HDTV from the comfort of the optional king bed.

AF-32RL

The spacious rear living area features Lane® residential furniture shown in Saddle. The convection microwave oven and free standing table and chairs are great for preparing and serving meals.

The queen bed and large front wardrobe create a comfortable bedroom that offers plenty of storage space.

AT-28BH

The entire family will love our bunkhouse featuring two full size bunks and Lane® hide-a-bed sofa shown in Rafia.

AT-32RE

Spacious rear entertainment model, shown in Marble décor, with Congoleum® designer carefree linoleum flooring. The large wardrobe in the bedroom is perfect for storing your clothing.

Advantages

Six Sided Aluminum Superstructure

Studs spaced every 16" on center for superior technological design.

3 Exterior Sidewall Colors

We offer 3 exterior sidewall colors. Customize your Augusta RV to your liking.

Champagne

Gray

White

Gel-Coat Hung Sidewalls

Optimum sidewall strength and integrity eliminating delaminations.

85 Degree Turning Radius

Using a long bed truck, achieve an 85 degree turning radius with your fifth wheel. Increases turning capability for convenience and ease of towing.

Aluminum Entrance Steps

Standard on all Fifth Wheels, the aluminum entrance steps are rust proof, providing ease of use with a high end look.

Slam Latch Baggage Doors

1 1/4" thick slam latch baggage doors improve the convenience, durability and insulation of the RV.

Wide-Stance Axles & Aluminum Wheels

Included on all travel trailers, the wide-stance axles provide a better towing experience and reduces sway. Automotive styled aluminum wheels deliver superior quality and performance.

Automotive Window Seals

Protects from water infiltration, eliminates window rattling, no caulking necessary and requires no maintenance.

Solid Maple Wood

All cabinet doors, drawers, fascia, and stiles are real maple wood and pocket screwed. No MDF board or wrapped lumber core used.

Adjustable Hidden Cabinet Hinges

Delivers a luxurious residential style giving the interior a cleaner appearance.

Shaw Nylon Carpet

Includes R2X Stain Guard with residential padding making it durable and longer lasting.

USB Charging Centers

Power your smart phones, computers, and other electronic devices throughout your ARV unit.

Lane® Furniture

High end residential furniture to maximize your comfort and experience. Also includes a hide-a-bed sofa.

Forced Furnace Air Technology

Aids in preventing tank freeze up in colder climates and permits you to camp later into the season.

Construction Comparison

Augusta RV offers more exclusive features than the competition.
