PALOMINO BASECAMP TENT CAMPERS

Palomino tent campers are equipped with a new style bed support system. They are much easier to use and provide more support to the bed ends. The thermo foil insulation on our beds provide additional warmth for those brisk nights.

14 ULC

PALOMINO BASECAMP TENT CAMPERS

Pearl fiberglass exterior gives these tent campers a whole new look. The front Line X[®] rock guard keeps your tent camper looking newer longer. Our newly designed bumper provides additional storage for all your camping needs..

REAR STORAGE RACK

PALOMINO BASECAMP TENT CAMPERS

Veada® tenting provides a cleaner look with the 3-flap child safety system. This ensures your most valuable assets stay safely sleeping while you camp. Our hardwood maple cabinet doors provide a residential appeal with higher durability than the competition.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
