ULTRA-Lightweight Travel Trailers

MODEL SN190VRB

Top: The bedroom features the comfort of a queen size Sleep Tight mattress enhanced with a padded designer headboard. Two large shirt closets with built-in shelf and deep overhead cabinets provide ample storage.

Bottom: Reversible decor cushions give you the freedom to change up your decor anytime you feel the need.

A big surprise in a small package! With many of the features Venture has been recognized for, Sonic does not disappoint. A full kitchen, comfortable dinette and elevated LCD TV give this ULTRA-lightweight a “heavyweight punch” when it comes to comfort. More convenience was designed into the bathroom by adding extra shelves to the mirrored medicine cabinet and under sink storage housed in an attractive vanity. The shower includes multiple molded shelves for toiletries.

More Features – Less Weight!!

Small but not basic, the Sonic adds value to the Ultra-lightweight market at an aggressive price.
