SUPERIOR BENEFITS

Thermofoil Countertop Benefits:

- **Pull Test**—It pulls at 450-500 PSI It will pull the core apart before the Thermofoil gives.
- **Cold cracks**-Will not cold crack like a T- mold Edge or Self-Edge.
- **Moisture Exposure**-It will withstand moisture better than T-mold Edge or Self-Edge because it is sealed so that no water can penetrate.

The floor is the base and key component of your RV. Therefore, we refuse to build anything but the best. Beginning with building the frame on 12"-16" centers, and bolting as well as gluing the 5/8" tongue and groove plywood, our methods and materials set us apart from the competition.

A pressurized LP line test ensures that your unit is safe and all LP gas components are in working order.

We check ALL of our coaches for water leaks by pressurizing the unit and then using a Seal-Tech spray on every part of the unit to identify any problem areas.

Our full radius smooth metal front end creates a more aerodynamic unit providing:

- Better airflow
- Better towability
- Improved fuel costs
- Easy to clean

A thorough electrical check makes sure that all electrical components are in working order, and that no electrical connections have been compromised during construction.

All of our craftsman are thoroughly trained to use a framing table with jigs and clamps. This ensures that the cabinets are built to extremely tight tolerances for tight and secure cabinetry that will last for years.

Our standard 6 gallon gas/electric DSI water heater allows you to fire up your water heater quickly and easily from inside your Catalina. It also features a great quick recovery feature which allows you to heat up to 16.2 gallons of hot water per hour. So whether you are washing the dishes or taking a shower, you'll always have plenty of hot water.

Banner Edition

A Proud History of Quality and Value..... A Brand That You Can Trust!

Coachmen RV products have been on the US roads and highways since 1964. The first Coachmen RV products were manufactured in a 5,000 square foot plant in downtown Middlebury, Indiana. Coachmen's first year of production included 12 travel trailers, a single truck camper, and 80 truck caps. Since that time, over 600,000 Coachmen Recreational Vehicles have been produced.

2014 has been a Banner Year here at Coachmen and YOU are the reason! Concluding the celebration of Coachmen's 50th Anniversary, Catalina would like to reward our outstanding Dealers and Customers for their continued business! There is no better way to reward you than with the Banner Edition Package! Our Banner Edition Package will only be offered in the 9 select floor plans below. All of our best options have been combined into a **FREE** Banner Edition Package. At Coachmen Catalina, we overtly express our gratitude to those who have already become a part of the Coachmen Family and warmly welcome those future campers that choose Coachmen Products. Thank you for your business!

See Specification tables on previous pages for more information.

Learn More

Scan this barcode using a QR Reader on your smart phone to learn more about Forest River.

A Berkshire Hathaway company.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!
