CRUSADER

Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart.

The result of their efforts represents a new standard in fifth wheels – A HIGHER STANDARD – Crusader.

• Crusader 295RST

A HIGHER STANDARD

• *Crusader 295RST Bedroom*

• *Crusader 295RST Closet*

Crusader is unlike any fifth wheel in its class. On the outside, our fifth wheel experts have combined advanced engineering and design with best-in-class features to create a fifth wheel that looks great, tows easily, and maximizes convenience. On the inside, Cherry hardwood cabinetry and solid surface kitchen countertops carefully work together to make a lasting

impression. Your comfort and relaxation will be guaranteed with an abundance of upgrades such as high gloss champagne exterior, residential furniture and Ground Control Automatic Leveling System. Finally your long-term peace of mind is assured with Crusader's durable ETENABOND® Construction, 50 AMP service and our custom 65 point pre-delivery inspection on 100 percent of our units.

**A HIGHER
STANDARD
THAT WILL
IMPRESS AT
EVERY TURN**

Within seconds of entering, experienced RV'ers will recognize Crusader's subtle details of excellence, best-in-class features, and residential appointments.

Crusader's kitchens are by far the best in its class! We have designed our kitchens with large countertop preparation areas, enormous amounts of storage and large pantries. Crusader kitchens

are appointed with many modern amenities such as LG Solid Surface countertops, stainless steel sinks, sprayer faucet and large storage drawers. Crusader kitchens are definitely built to a *Higher Standard!*

• *Crusader 322RES Bedroom*

All Crusader bedrooms are built for comfort and convenience. Every Crusader model features large 60" x 80" Ever Rest® select foam beds while several models come standard with a king bed. Crusader bedrooms feel spacious and roomy due to our tall ceilings, they have large storage closets, and our bedroom slide-out models come with the added convenience of washer and dryer preparation. Everywhere you look; there are numerous upgrades that will make your Crusader the envy of the campground.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc. reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc. dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
