2014 JAY FLIGHT SEASONAL TRAILERS BY JAYCO

JAY FLIGHT BUNGALOW 40BHS | SANDALWOOD

THE BEST DESTINATIONS WILL INSPIRE YOU

In a Jay Flight seasonal trailer, you're destined to stay awhile — no matter where the journey may lead. With all the comforts of home in two different lineups, your camping season has never looked better.

EQUIPPED FOR LONG STAYS

More spacious than a traditional travel trailer, Jay Flight DST and Jay Flight Bungalow boast open floorplans, tall ceilings and a host of residential amenities perfect for long-term stays. Say hello to America's favorite destination.

RESIDENTIAL REFRIGERATOR

Feel at home thanks to an 18 cu. ft. residential-style 120V refrigerator, complete with freezer and ice maker.

JAY FLIGHT BUNGALOW 40BHS | SANDALWOOD

**FREE-STANDING
4-BURNER STOVE**

Jay Flight Bungalow boasts a 20" free-standing, 4-burner gas range with oven for the ultimate culinary experience.

**OPTIONAL
FIREPLACE**

Relax in front of a LedgeStone electric fireplace with brick facade and large 40" LED TV.

**60" SLIDING
PATIO DOOR**

Enjoy the view of the outdoors thanks to a 60" sliding patio door. Jay Flight DST offers an optional RV door on all four floorplans.

**STANDARD
CEILING FAN**

Cool off in Jayco's seasonal trailers thanks to a standard 120V ceiling fan in the living room. In Bungalow, a bedroom ceiling fan is also standard.

Superior craftsmanship starts at the top at Jayco.

We've built a reputation for superior construction and quality craftsmanship.

We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to one of our latest construction advancements, the exclusive Magnum Truss Roof System. Fifty percent stronger than other roofs in the industry, this Jayco roof is built to weather Mother Nature.

OUR ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses: Uses 2"x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam: More durable than typical stapled construction, provides a fully walkable roof
- 3 Residential attic-style insulation: Helps maintain interior temperatures
- 4 One-piece, sidewall-wrapped Alpha Ply material: Provides leak protection

50% STRONGER

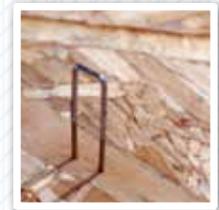

TO LEARN MORE ABOUT OUR THE MAGNUM TRUSS ROOF SYSTEM, SCAN HERE WITH YOUR SMARTPHONE.

JAYCO'S ROOF

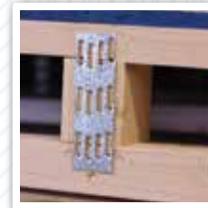

OTHER ROOFS

SCREWED CONSTRUCTION VS. STAPLED

OVERSIZED NAIL PLATES VS. SMALLER PLATES

2" X 2" VERTICAL WOOD STUDS VS. 1" ALUMINUM

7" HEADER BEAM VS. 2" X 6" LUMBER

4,500 LBS. ON A JAYCO ROOF VS. OTHER ROOFS

WALL CONSTRUCTION

- 5 2" x 2" wooden studs: Creates Jay Flight's long-lasting framework
- 6 Hand-tucked and glued fiberglass insulation (R-7): Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
- 7 Extra-wide corner seals: Prevents leaks on corner molds, baggage/entrance doors and window seals

FLOOR CONSTRUCTION

- 8 5/8" tongue-and-groove plywood deck on 2" x 3" wooden floor joists: Moisture resistant, plywood holds up to the elements
- 9 Fiberglass insulation (R-7): Maintains interior temperatures
- 10 Full-width outriggers: Supports wall weight with no more than 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

OTHER FEATURES

- 11 Galvanized-steel wheel wells: Reduces heat loss through floor; prevents floor damage in case of a blown tire
- 12 Profile atrium: Creates residential-style profile for a more home-like feel
- 13 Detachable hitch: Allows RV owners the ability to remove the hitch during long-term stays

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart (left).

2-YEAR WARRANTY

Peace of mind comes standard

BUMPER

Generations of family fun.

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, Jayco has helped generation after generation create family stories — good, old-fashioned family fun built around campfires with a Jayco RV nearby. At Jayco, we strive to build family-friendly products that will outlast just about everything but your memories. We'd love nothing more than to be a part of your family story. Join us in our generations of family fun.
