FIND YOUR WAY TO FAMILY FUN

2015 GREYHAWK

CLASS C MOTORHOMES BY JAYCO

2
YEAR
WARRANTY

Read more about the only Class C **2-YEAR WARRANTY** on the back cover!

THE FUN FINDER

At Jayco, we focus on family fun when we build motorhomes. It's our compass — helping us find ways to make your getaway as enjoyable as the retreat. For 2015, the Jayco Greyhawk delivers the best value on the road with a feature-filled Customer Value Package that includes an industry-first JRide *Ride and Handling* Package, dark-tinted frameless windows and a touch-screen, in-dash infotainment system. On the inside, Washington Glazed cabinetry, solid-surface countertops and LED lighting pack comfort into your next adventure.

JRIDE

HANDS DOWN, THE BEST RIDE. Read more about our Ride and Handling package on Page 6!

DEDICATED TO SAFETY

Great design starts with great priorities — like your safety. Greyhawk, which touts a 305 HP Triton engine, comes equipped with lap belts in every seating position and remote-controlled, side-view mirrors with camera.*

* Customer Value Package

CAPPUCCINO

SADDLE

High-end kitchens with one-piece, solid-surface countertops

Queen-sized bed with comfortable Denver Mattress*

31FS bunk beds for a maximum 9-person sleeping capacity

Customer Value Package dark-tinted frameless windows

* Customer Value Package

*** RIDE AND HANDLING. DEFINED.**

Superior construction meets a superior ride.

WALL CONSTRUCTION

- 1 Vacuum bonded: Features laminated layers of high-gloss fiberglass, lauan, aluminum framing, R-5 bead-foam insulation and vinyl paneling
- 2 Seamless fiberglass front cap: Increases aerodynamics, while cap adds durability and leak protection where it's needed most
- 3 Frameless windows (Customer Value Package): An industry-first on Class C motorhomes

FLOOR CONSTRUCTION

- 4 Vacuum bonded: Features laminated layers of Darco underbelly, lauan, a welded aluminum frame, R-9 bead-foam insulation and 5/8" Strukturwood
- 5 Welded aluminum frame: Lighter and more corrosion-resistant than competing steel frames, provides more cargo capacity

ROOF CONSTRUCTION

- 6 Vacuum-bonded layers: Features laminated layers of 5" arched aluminum trusses, moisture-resistant 1/4" plywood decking, R-15 bead-foam insulation and soft-touch ceiling
- 7 Seamless one-piece rubber roof: Features one-piece construction for better leak protection

* The JRide is a Customer Value Package feature.

STABILIZER BAR

- A Greyhawk's enhanced rear stabilizer bar raises and lowers each side of the unit to similar heights, increasing the torsion rate up to 2 1/2 times more than stock stabilizer bars. No other Class C is equipped with this.

BILSTEIN SHOCKS

- B Bilstein shock absorbers, not found on other Class Cs, reduce bounce and eliminate excessive sway. A unique monotube design doesn't trap heat, reducing shock failure.

HELLWIG HELPER SPRINGS

- C Fluctuating loads impact alignment, reduce traction and diminish handling. Hellwig helper springs correct this, compressing under loads to level out your RV.

JRIDE.JAYCO.COM

STANDARDS AND OPTIONS

CUSTOMER VALUE PACKAGE

- JRide Package: Bilstein shocks, stabilizer bar, Hellwig helper springs and rubber isolation body mounts
- Hydraulic leveling jacks

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart above.

NOBODY OFFERS A BETTER WARRANTY

2
YEAR
WARRANTY

Your quality time
starts with peace of mind.

For 45 years, Jayco has helped generation after generation create family memories—good, old-fashioned family fun built around a campfire with a Jayco RV nearby. In all of that time, we learned something important—quality time starts with peace of mind, which is why Jayco offers the only 2-year limited warranty in Class C motorhomes.*

Nobody offers a better warranty than Jayco.

Generations of family fun.

YOUR LOCAL DEALER

300 JAYCO DEALERS

The fun starts with your local dealer

From the sales experience to service after the sale, we consider our dealers to be an important part of the Jayco family. Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you consider them a part of your camping family.

5-YEARS FREE Roadside Assistance

Travel worry-free with Ford's Roadside Assistance program, yours at no cost during the first five years of ownership. This program is offered through Coach-Net, the country's largest RV emergency road service, and gives you immediate access to assistance.
