SILVERBACK

By CEDAR CREEK

29RE *This inviting rear living room provides plenty of comfortable living space for visiting family and friends. The La-Z-Boy® tri-fold Comfort Sleep sofa converts to an additional sleeping area for your guests. A standard freestanding table with an extra leaf expands for added versatility whether entertaining, crafting or playing games.*

THE PERFECT CHOICE FOR LIFE'S

GREAT ADVENTURES

31RK *This open rear kitchen has generous storage and counter space to accommodate an optional 13 cu. ft. gas/electric, side-by-side refrigerator.*

L A **Z** B O Y[®] RECLINERS AND THEATRE SEATING

MAHOGANY

BEIGE

Live life comfortably with our standard La-Z-Boy[®] sofa sets. Choose Beige or Mahogany recliners, or theater seating for residential comfort that lasts a lifetime.

37BH *This family-friendly bunk house fifth wheel is big on storage space. The standard 12' Super Sofa with two sliding table tops creates a comfortable lounge area for eight people or a pull-out sleeper sofa for extra friends.*

The kitchen is the center of daily activity. 37BH is loaded with storage including this abundant floor-to-ceiling pantry, available with your choice of an optional electric 11 cu. ft. or a 13 cu. ft. side-by-side refrigerator.

OUTDOOR CONVENIENCE

This standard outside kitchen provides the ultimate in outdoor convenience. With a sink, faucet, enamel metal weatherproof cabinetry, refrigerator, microwave and RVQ gas grill all within easy reach, you can cook, clean-up, and store everything you need without missing all the outdoor fun!

35QB4 VERSATILITY *The 35QB4 bunk house provides ample living space for your guests or family. Silverback's exclusive cathedral ceilings in the rear bunkroom slide-rooms provide plenty of headroom above the top bunk. Extra wide 32" bunks can accommodate a choice of two optional tri-fold Comfort Sleep sofas, jackknife sofas, or one of each to maximize sleeping space.*

A convenient second bathroom is accessible from the bunk house.

This spacious master bedroom comes with these standards: Silverback's roomy cathedral ceiling bedroom slide out and a Serta queen bed with a residential quality bedspread and matching pillow shams. A King bed is available as an option.

CEDAR CREEK'S FAMOUS ALL ALUMINUM SUPER STRUCTURE

Cold Room Tested

- ◆ Calculated R-value = R-38 in the roof and floor
- ◆ 12 Volt heating pads on all tanks
- ◆ 2 Layers of residential insulation
- ◆ 1 Layer of radiant shield Thermo-foil

SILVERBACK

by CEDAR CREEK

ROOF - CALCULATED R-VALUE = R-38

- ◆ Roof – calculated R-Value = 38
- ◆ Radiant shield insulation, 97% reflective/3% emission (Valued at R-38)
- ◆ 2 Layers of residential home Eco-Batt glasswool insulation (Valued at R-14)
- ◆ Triple layer insulation supplements the cohesive retention factors of roof decking and rubber membrane
- ◆ Attic vents
- ◆ Full length 3/8" wood roof decking for a full walk on roof
- ◆ 2" x 2" - 16" OC 5" Aluminum truss roof rafters
- ◆ 2-Ply Tuff Ply rubber roof membrane with built-in fire retardant and 12 year warranty
- ◆ Full length drip rails from the front to the rear of the unit
- ◆ Roof is bolted to sidewall with 5/16" x 3-1/2" carriage bolts
- ◆ 5" Radius roof

FLOORS & UNDERBELLY - CALCULATED R-VALUE = R-38

- ◆ Radiant shield insulation, 97% reflective/3% emission (Valued at R-38)
- ◆ 2 Layers of residential home Eco-Batt glasswool insulation (Valued at R-14)
- ◆ 12 V Heating pads on ALL tanks
- ◆ Triple layer insulation enhances the protective values of plywood, vinyl, carpet, carpet pads, tank heaters, etc.
- ◆ Handmade 3" aluminum frame floor with in-floor heat ducting and custom "L" brackets combined with silaprene adhesives

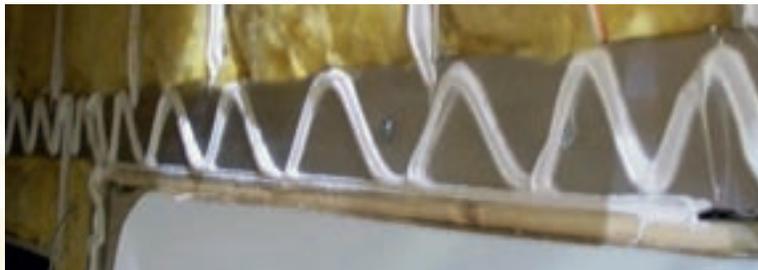

- ◆ 5/8" Tongue and groove plywood – glued and screwed
- ◆ Cambered 10" I-beam with large support outriggers and full length welds
- ◆ Darco waterproof underbelly
- ◆ Fully enclosed 4' x 8' ABS removable panels for easy access to the tanks

2" THICK SIDE WALLS - CALCULATED R-VALUE = R-9

- ◆ Cedar Creek's famous all aluminum super-structure. Handmade 2" x 2" / 16" (or less) on center sidewalls and individually fastened custom "L" brackets combined with Uniroyal® Silaprene adhesives for a strong flexible frame without welding or lamination. (475 PSI at 2" per minute, marine grade) - because we depend on the frame for our strength!
- ◆ "True" Classic Performance Plus Gelcoat on all exteriors – the best of the best in fiberglass. Don't accept "Hi-Gloss Fiberglass" or "Gel-Coated" sidewalls - only True Performance Plus Gelcoat stands the test of time.
- ◆ All 1-1/2" thick baggage doors and entry doors are made out of "True" Classic Performance Gelcoat to prevent uneven aging of your unit!
- ◆ Sidewalls are bolted to the floor with 5/16" x 6-1/2" carriage bolts at each outrigger
- ◆ Glued R-7 fiberglass insulation, expanded to full capacity within the sidewall frame

Aluminum studded sidewalls and roof trusses on 16" centers or less

Thick Silaprene (475 PSI) guarantees solid contact between the gelcoat and aluminum frame without lamination

- ◆ Designed by Forest River, a unique slide out seal system for tighter, stronger water protection - first of its class - compare it!
- ◆ 5 Direction insulation in all slide out rooms

2" x 3" Aluminum floor studs

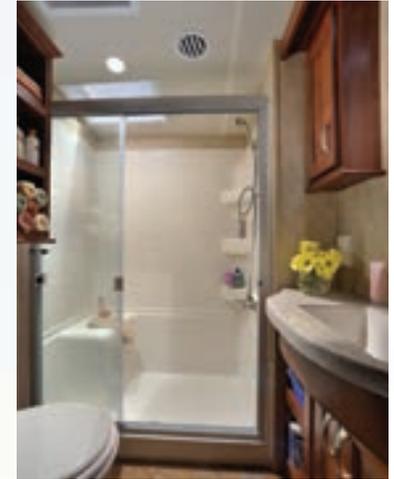

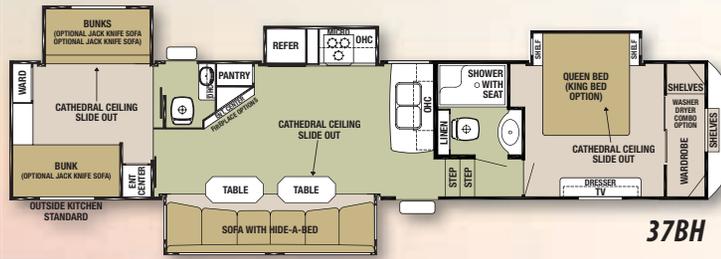

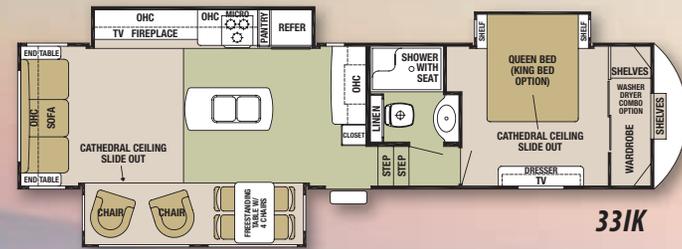

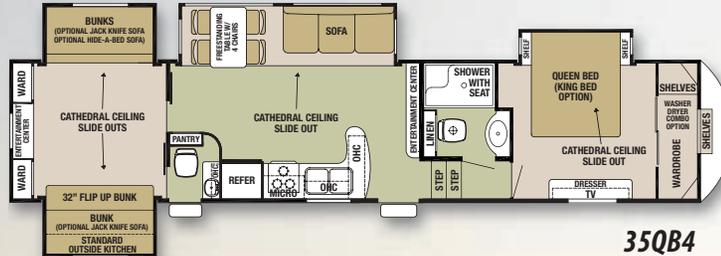

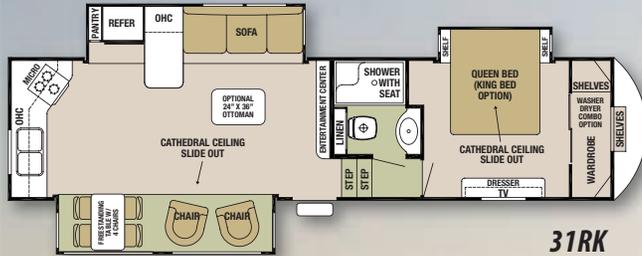

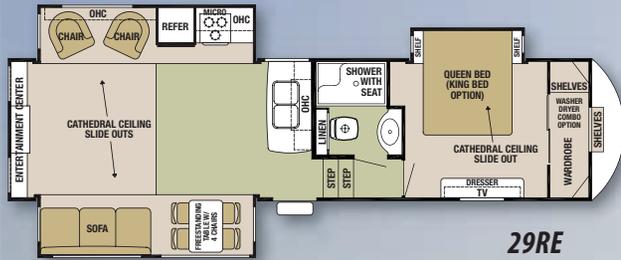

Radiant shield Therma-foil – R-38

Residential, glasswool insulation designed by nature

FLOORPLANS

Silverback's luxurious bath includes a large 48" shower with glass doors, porcelain toilet, and a Fantastic Fan with a wall switch.

Many of our competitors use false foam in their fascia. Silverback's solid wood fascia gives "A" quality difference you can hear and feel!

Removable "Soft Top" vinyl storm doors allow light and visibility without losing cooling or heating.

All Weights listed above are base weights. Weight capacities +/- 5%. NOTE: All fifth wheel lengths include extended pin box and 4" bumper. Model number of any particular unit does not necessarily reflect the overall length of the unit itself.

Silverback's front storage compartment is insulated with 1-1/4" thick baggage doors. The central docking station includes the water bypass, outside shower, easy access dump valves, slide-room valves and water systems.

A Dish satellite receiver is standard in every Silverback. Dish is the first, and only, provider to offer pay-as-you-go TV for RV owners.

Another feature that we've taken from residential construction is our super quiet "HP"

(High performance) 15,000 BTU air conditioning system, which includes a larger compressor and cold air returns! This means 30% more air is being forced into the coach than a standard 15,000 air conditioner.

All Silverback fifth wheels are now prewired for an optional Furrion wireless camera. This back-up camera system utilizes wireless digital technology for a clearer rear view and enhanced safety.

OPTIONAL "LEVEL-UP"™ 6 POINT HYDRAULIC STABILIZATION SYSTEM

Rated #1 Customer Preferred Option

Leveling and stabilizing a fifth wheel has never been easier. Patented "Level-Up" technology makes set ups faster, and a lot safer than the older systems. This system stabilizes the coach once the legs have been set. Powerful "Level-Up" can even a level unit, with the tires off of the ground.

STANDARD FEATURES

- ◆ "Soft Top" vinyl storm doors
- ◆ Metal wrapped awnings with LED night lights under the awning
- ◆ "True" Pearl Gelcoat Exterior – truly the best of the best in gelcoat exteriors. Stronger, thicker, and keeps it's high gloss longer than our competitor's less expensive gel-coated exteriors
- ◆ "Quite Zone" ducted 15,000 "HP" (High performance), air conditioner with circular motion ductwork and cold air returns. The larger compressor on this AC pushes 30% more air into the coach.
- ◆ Attic Vents
- ◆ Brace and wire for second air conditioner
- ◆ 16" ST tires and aluminum rims
- ◆ Dexter axles/brakes/suspension performance package
 - Dexter E-Z Flex® rubber equalization system with eight greased zerks and bronze bushings

THE SILVERBACK EXPERIENCE

Cedar Creek is dedicated to enhancing the joy of the outdoors and your peace of mind, by building better quality recreational vehicles designed to withstand rugged road conditions and extreme temperatures. Experience Silverback – see where the road leads and enjoy what life has to offer!

YOUR SILVERBACK DEALER

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
