YELLOWSTONE RV

CANYON TRAIL

SLT Series Fifth Wheels

Perfect for your half-ton pickup . . .

our SLT Series Fifth Wheels feature a lower profile, laminated aluminum frame walls, and an aerodynamic front cap to give you fuel-efficient towing behind the pickup you already own, whether you're headed for a nearby campground or a wilderness escape across the continent.

SLT Series Travel Trailers

If you want a flat-floor towable . . .

with Canyon Trail quality and SLT Series value, you've found it! With a stiff, light aluminum frame, laminated fiberglass walls, composite substrates, and the standards that put Canyon Trail in a class by itself, our SLT Series travel trailers are as rugged as they are beautiful.

Typical SLT Master w/60" x 80" Queen Island Bed, individual reading lights, cabinets, drawers, nightstand and Mirrored Wardrobe Slide

Folding Bulkhead Wall in Basement maximizes storage convenience and space

"Atrium Slide" in 27FRET, with three walls of windows, shades, Freestanding Dinette with 4 Chairs and Deluxe
