

# Solei

# WINNEBAGO<sup>®</sup>

## Why Solei?

- Primera cab seats and furniture
- LED ceiling lighting
- Residential refrigerator
- MCD roller shades
- Flex Bed System with powered bunk (38R) and available powered StudioLoft (34T)
- Polished Corian<sup>®</sup> countertops and glass tile backsplash
- Available exterior entertainment center with HDTV
- 2,000-watt inverter/charger
- Powered patio awning with LED lighting
- Automatic generator start system
- Extensive storage

On the Cover: 38R Golden Rod Full-Body Paint

38R Falling Star with Coffee-Glazed Honey Cherry Cabinetry

## Diesel-Pusher Power

Kick your motorhome lifestyle into high gear with the Solei™. We have done all the legwork to give you a luxury diesel-pusher at an attractive price. The Solei shows off its muscle with a Freightliner® XCS chassis featuring a 340-hp Cummins® diesel engine coupled with a six-speed Allison® transmission. Its softer side comes through in the

polished Corian® galley countertops, coffee-glazed cabinetry, LED ceiling lights, and upscale entertainment features. And, with Smart Storage™ as an integral part of each floorplan, you will have plenty of room to bring even more items with you. The diesel-pusher you have always wanted is finally in reach with the Solei.

**Recognized Quality** The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

## Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Keep your clothes fresh and clean wherever you are with the available **Washer and Dryer**.

The Multi-Purpose Room includes a **Charging Station** so you can keep your electronics fully charged.

The **Multi-Purpose Room with Flex Bed System** (38R) can smoothly transition from a wardrobe to a dinette. Quickly convert this area into two bunk beds when you have guests.

Enjoy comfortable dining in the **BenchMark® Dinette** (36G, 38R). Drop down the **Dream Dinette** table and easily convert it into a convenient sleeping space for your guests.

Whether you want a quiet afternoon of reading or a lively night of entertaining, the Solei lounge is a wonderfully versatile space. The soft Primera furniture is perfect for relaxing and each floorplan offers an optional fireplace for a more cozy setting. The home theater soundbar system with a built-in CD/DVD player makes for great movie watching. Plus, the LED ceiling lights, soft vinyl ceiling, MCD blackout roller shades and tinted dual-glazed/thermo-insulated coach windows all add to the luxurious comfort you'll experience.

38R Galley

Preparing meals is made all the more enjoyable with the ample preparation space and high-end galley features. Desirable amenities include a microwave/convection oven with a range fan, a three-burner range top, a two-door residential refrigerator with an icemaker, and extensive storage. Elegance, as well as an abundance of preparation space, can be found in the tasteful Corian® countertops, sink covers, and glass tile backsplash. With your choice of three attractive coffee-glazed cabinet finishes, you can customize your galley to your preferred style.

38R Bedroom

Enjoy a restful night of sleep in the spacious master bedroom with the roomy, walk-around queen bed, a ceiling flip-down HDTV in the 38R, and abundant storage that allows for all your necessities. For even more comfort, take advantage of the available Ideal Rest® Nouveau digital comfort control mattress, which allows you to customize the firmness and support to your personal preference. The 38R is conveniently equipped with a master bathroom and an available washer and dryer.

38R Master Bath

Dash

Noted for its signature smooth ride and performance, the Solei cab delivers superior comforts one expects from a luxury diesel-pusher. Primera cab seats offer stylish comfort while driving and also swivel to serve as comfortable lounge chairs. Additional features include power mirrors with sideview cameras, a powered MCD visor shade, and a color rearview camera.

Powered Mirrors

Available Flip-Up Workstation

Powered MCD Windshield/Visor Shade

The Solei makes it easy to set up so you can spend more time enjoying your destination. Features such as the powered patio awning and exterior wash station make being in the great outdoors comfortable as well as convenient. For those times when you want to connect your media devices, simply access the exterior entertainment compartment with its TV antenna and 3-way A/V receptacles. The spacious lighted exterior storage compartments make loading and unloading your gear easier than ever.

 Exterior Storage

**Fiberglass Roof** The crowned, one-piece fiberglass roof is backed by a 10-year parts-and-labor roof skin warranty.

**Thermo-Panel® Sidewalls** By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

**E-Coating** An electrodeposition coating helps protect critical steel components.

**Embedded Steel** Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

**Solid Framework** Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

**Laser-Cut Tubing** Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

**Interlocking Joints** Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

# SUPER STRUCTURE

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

**TESTING** Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

**DETAILS** At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

**BUILT IN-HOUSE** We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER  
STRUCTURE**<sup>®</sup>  
BUILT TO LAST

**W** Visit [BetterBuiltRVs.com](http://BetterBuiltRVs.com) to gain real insight into what goes into a Winnebago motorhome.

**TAKE A TOUR** We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

# 34T

Experience the roominess of this dual-slideout with its inLounge™ sofa and movable inTable™, available fireplace, mid-coach bath, and spacious master bedroom.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at [WinnebagoInd.com](http://WinnebagoInd.com)

## NEW 36G

36-month/36,000-mile limited warranty on structure<sup>8</sup>

10-year limited parts-and-labor warranty on roof skin<sup>8</sup>

## FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body-width. Before making your purchase decision, you should confirm the road usage laws that interest you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
